### **New Business**

#### **Review GMC's Funding Recommendation**

The Stormwater Management Program Funding Recommendation document from GMC was reviewed and discussed. Mr. Marr said the first phase is to determine if it is feasible to move forward with a Stormwater Utility. Mr. Sailors ask for input on unfunded mandates. Mr. Marr said examples of unfunded mandates are the watershed protection plan and erosion sediment control program. Mr. Holman said it is necessary to be aware of future mandates that may become required.

Mr. Marr recommended at the next meeting the Task Force begin developing the background information for a white paper. Mr. Sailors ask if GMC would prepare the white paper. Mr. Marr stated the Task Force would prepare the white paper and GMC would review it. Mr. Reilly stated GMC could provide examples. Mr. Holman stated he would discuss this with GMC before the next meeting.

### **Other Business**

Mr. Holman requested the Task Force review the Stormwater Task Force social media page and provide feedback on the content and appearance of the page at the next meeting.

No further business was discussed

### **Adjournment**

Mr. Marx made a Motion to adjourn the meeting. Ms. Ashcroft seconded the Motion. The Motion passed unanimously. The meeting adjourned at 6:46 p.m.
