The State of Georgia

City of St. Marys

History of St. Marys.....

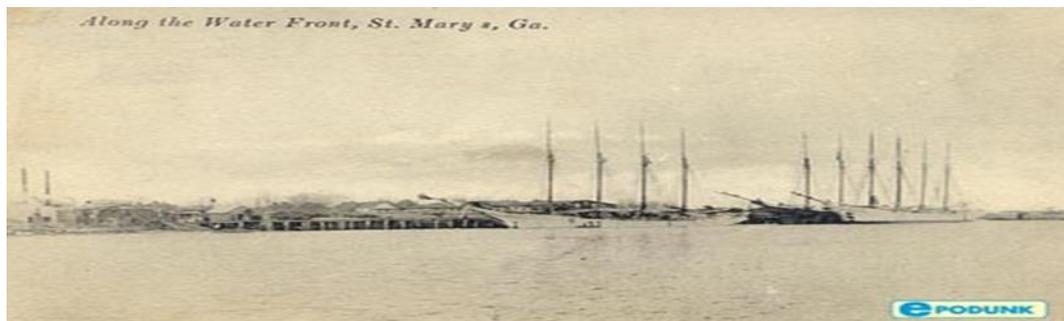

St. Marys was established around 1792 and incorporated in 1802 by the State of Georgia.

History details St. Marys as the site of a large Timucuan Indian Village. Some say that the Spanish settled in the area around 1565 and held the area for 100 years, but abandoned the settlement due to trouble with the Indians.

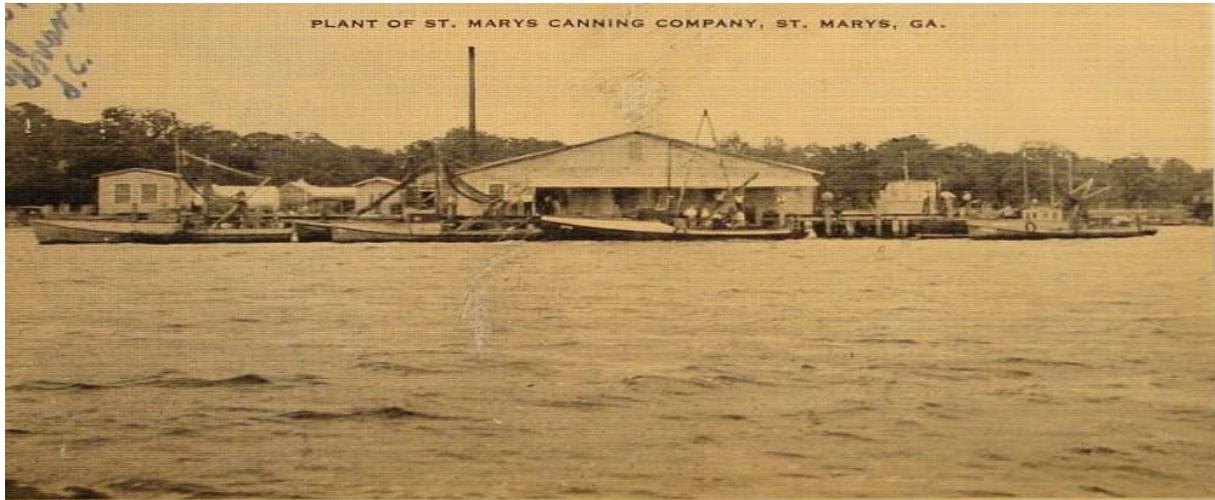

It is said, that St. Marys sits on land confiscated from two brothers of Royal Governor James Wright. Their banishment after the American Revolution resulted in the loss of their huge estate. The land then belonged to Jacob Weed. Weed sold land along the St. Marys River to nineteen other men. The twenty men laid out the land together in 1788.

In 1799, the U.S. Congress made St. Marys a U.S. Port of Entry. After the act prohibiting importation of Slaves in 1808, St. Marys became a center for smuggling, particularly during the period of 1812-1819.

St. Marys was also involved in the War of 1812. In 1815, the Battle of Fort Point Peter (Petre) occurred in St. Marys. The British captured the Fort and occupied it for a short time. The British burned the Fort and everything included in it and withdrew to Cumberland Island.

Industrial development started during the post-Civil War. It began with lumber mills, followed by more sawmills and canning plants specializing in preserving local beans, sweet potatoes and shrimp.

For decades, lumber and fishing provided the main source of income for St. Marys' people.

Today, St. Marys is tied to history and ecotourism. Many original structures are still standing in St. Marys. The oldest private home in St. Marys is the home of Archibald

Clark (1801). Other structures include The Presbyterian Church (1808), Pratt-Gilican House (1825) and Orange Hall (1830) (owned by St. Marys) which is open to the public for tours. St. Marys is also known as the “Gateway to Cumberland Island.” The departure point is in downtown St. Marys.

INTRODUCTION

**To the Honorable Mayor and Council Members
Citizens of the City of St. Marys
Fellow Employees**

RE: FISCAL YEAR 2013-2014 BUDGET

We are pleased to submit this official document for the Annual Operating Budget for Fiscal Year 2014, which begins July 1, 2013 and ends June 30, 2014. This document is a representation of the compilation of discussions and efforts from all City departments. This balanced budget for Fiscal Year 2014 conforms to all applicable guidelines, laws and regulations. The result of this effort reflects the purpose of St. Marys to provide quality of life for its residents.

Quality of life in St. Marys includes, but is not limited to:

- 1. A safe and secure community.**
- 2. An environmentally sensitive community.**
- 3. An aesthetically pleasing community.**
- 4. A community which supports and recognizes the importance of diverse recreational, social and cultural activities and events.**
- 5. A community which is hospitable, supportive, friendly, caring and encourages a sense of community.**
- 6. A community which fosters prosperity.**

Although we have experienced the downturn of the economy for the past several years, our approach is still to pursue excellence with quality of service, maximizing all resources yet keeping the expenditures to a minimum. Within the budget, the City addresses the challenges of providing excellent services with limited resources. The budget provides for the groundwork that guides the operational and financial planning for the City. During the budget process, hard decisions had to be made including hiring freezes, benefit changes, postponing of capital expenditures and the loss of three fire fighter positions due to the end of the "SAFER Grant." The City has been proactive in keeping taxes at their current level and continuing to provide the services our citizens deserve.

Per the estimated 2012 census, St. Marys' population has increased slightly to 17,606. In 2010, the population was 17,121. The City's overall population has grown significantly

over the past several decades. From the year 1990 (8,187) to 2010 (17,121) exemplifies a 110% growth in population; 2000 (13,761) to 2010 (17,121) increased growth is 25%. The continued growth in St. Marys has been connected to low taxes, low crime, mild weather, accessibility to I-95, proximity to Jacksonville airport, excellent school system, and is adjacent to Kings Bay Naval Submarine Base.

Tourism with the City of St. Marys offers "Starry Nights" in the summer free of charge for residents and visitors.

St. Marys' overall revenues actually decreased over the last several years as a result of the national economic recession. These revenues include property taxes, local option sales tax, franchise taxes and hotel/motel tax.

In recent years, the City has felt the effects of the downturn in housing starts and sales. This year's revenue from development is beginning to show small increases.

The test of government is the ability to ensure long-term operations without a disruptive impact upon the people we serve. The City has to maintain an expenditure rate that does not exceed its revenue growth, allowing itself the flexibility to respond to changing conditions. I am pleased to report that Council and Staff's continued efforts over the last year resulted in savings which has increased the fund balance.

Budget Purpose

The City of St. Marys provides full service for its citizens that includes police and fire protection, community planning and development, building-code enforcement services, construction/road repair, water and sewer utilities, along with other support duties for the City government.

The subsequent information is provided to assist the citizens, elected officials, management and all other readers in understanding the purpose of this approved budget document, in addition, to finding needed information.

The budget is intended to serve the following four major purposes:

- A policy document for elected officials and administration to understand how the current year goals and priorities link with the overall long-term policies of the City; and, what processes will be used in adopting and amending the budget. Also, included in each department's budget are purpose statements, goals and performance measures, along with prior year accomplishments.

- A financial plan that summarizes and details the cost to the citizens' current and approved service levels and is used by administration and department heads to know exactly how to pay for the services we provide. Included in the document is the adopted FY 2014 budget ordinance summarizing revenues and expenditures at the fund level. Detailed information is included in each Fund's budget information.
- An operation guide for departments that receive funding to be able to identify the resources needed, including staffing, to meet the department's objectives and provide the best quality service to the citizens.
- A communication device for the varied users who require budget information. This document is designed to be user friendly with summary information in text, charts, tables and graphs. This document is available on our website at www.stmarysga.gov.

Goals for FY 2014

The FY 2014 budget is based on the following goals:

- ✓ Provide cohesive economic development programs and initiatives in order to promote economic opportunity within the City.
- ✓ Assure our fiscal sustainability by ensuring that quality municipal services and operations are provided efficiently and are financially sustainable.
- ✓ Enhance citizen engagement on City related issues.
- ✓ Strengthen Military/City relationships and partnerships.
- ✓ Support and develop infrastructure within the City to meet current standards and to plan for the future in a financially sustainable manner.
- ✓ Provide environmental stewardship and sustainable management of our natural resources and history (structures and culture).

St. Marys City Hall

FY 2013 in Review

The City of St. Marys worked diligently last year to improve quality of life for its residents. The City undertook the following initiatives to develop our City into the best community to live in.

1. In 2007, voters approved a 1% Special Purpose Local Option Sales Tax (SPLOST VI) for infrastructure. Projects have been completed in prior years, but the following were started last year, or are currently underway.
 - Repairs and painting of City Hall
 - Repairs and painting of Orange Hall
 - Repairs and Upgrades to Station 2 – Fire Department
 - Repairs to Aquatic Center
 - Repairs to Gilman boat dock
 - Repairs to Highway 40
 - Gaines Davis sewer infrastructure
2. A feasibility/best use study was completed for the St. Marys Intracoastal Gateway property.
3. City received \$137,548 from Georgia Department of Transportation for local maintenance improvement grant (LMIG). Projects will include:
 - Right turn lane at St. Marys Road and Highway 40
 - Paving of L Street and Grace Street
4. Council voted to extend the “SAFER Grant” employees from March until June when funding expired.
5. Council approved the purchase of a new golf cart for Tourism so that visitors’ tours of the City could continue.
6. Council approved two part-time seasonal employees to assist with mowing during the summer grass growing season.
7. Repairs were made to City docks that were damaged by Tropical Storm Beryl.

Downtown
Boat Ramp

FY 2014 Major Initiatives

The City of St. Marys will continue its efforts by focusing on providing the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life.

1. In March 2013, Voters approved a 1% Special Purpose Local Option Sales Tax (SPLOST VII). Projects slotted to begin or continue in FY 2014 include:
 - Purchase police cars
 - Improving computer hardware
 - Purchase generator for water plant
 - Repair generator for water plant
 - Alarm system for sewer plant
 - Continue implementation of Gaines Davis sewer infrastructure
2. Council approved to maintain three of the six fire “SAFER Grant” positions upon the expiration of the grant.
3. Economic Development continues to work on bringing new business and retaining business in St. Marys. The following tools will be considered to assist the City in this effort.
 - Identify vendors conducting business with various entities (i.e. base, school district, etc.) to ascertain potential opportunities to local vendors
 - Continue business recruiting
 - Develop a marketing plan for the community
 - Promote appearance of and safety at, Exit 1
 - Create an incentive package to attract business
 - Consideration of Redevelopment Powers Act
 - Enterprise Zone

Foundation for the Budget

Revenue

The City of St. Marys started the initial planning of budget preparation by evaluating what “Quality of Life” in St. Marys is and how to support the community. The City also looked at the state and local economic conditions and mandates that affect the City and reviewed citizen concerns.

The City has certain assumptions incorporated into our revenue forecast. The FY 2014 revenue projections continue to be conservative, yet realistic. The following section is a brief explanation of the assumptions and the effect on projected revenue.

Property Taxes

The property digest for St. Marys in 2011 decreased 4% from 2010 and the property digest decreased 8% in 2012 mainly due to reassessments of property. Preliminary numbers for 2013 shows a decrease of 8% again. Residential valuations make up 70% of the digest while commercial valuations make up 18.6%. The 2013 residential valuations decreased 1.4% and commercial valuations decreased .3%. The personal property values decreased by .2% and ad valorem taxes for motor vehicle decreased by .9% in 2013. For FY 2014, property taxes provide 30% of the General Fund revenue, which has been budgeted to collect \$2.59 million.

Miscellaneous Taxes

In FY 2014, personal property taxes are expected to remain stable. A slight increase has been noted in Real Estate Transfer Tax, LOST revenue and Sales and Use Tax while Franchise Fees were reduced.

Licenses and Permits

Licenses fees are expected to hold steady in FY 2014. Building permits are expected to increase in FY 2014, mainly in residential. With the infrastructure in place in Cumberland Harbour, building should begin again in this area.

Charges for Services, Fines and Forfeitures and Miscellaneous

Overall charges for services are budgeted at essentially the same as last year. These charges encompass minor revenues compared to the overall General Fund revenue budget. Fines and forfeitures were decreased for FY 2014 to be in line with collections in FY 2013. Miscellaneous revenues are set to decrease due to shared services that are no longer in place. The City was not re-awarded the “SAFER Grant” which caused a decrease to the interfund transfers.

Again, the FY 2014 revenue projections continue to be conservative, yet realistic.

Tilden L Norris Marshwalk and Shelter

Expenditures

Although we were unable to fund all requests, this budget allows us to maintain current service levels to ensure the quality of life for St. Marys' citizens.

Below is a table of the approved FY 2014 budget for the City of St. Marys. Each fund is represented, as well as, each expenditure category.

FY 2014 Budget				
Fund	Personal Services	Operating	Capital/Other Cost/Debt	FY 2014 Budget
General Fund	\$ 5,845,422	\$ 1,866,124	\$ 849,404	\$ 8,560,950
Multi-Grant Fund	\$ -	\$ -	\$ 7,500	\$ 7,500
Tourism Fund	\$ 28,136	\$ 107,437	\$ 7,000	\$ 142,573
Splost	\$ -	\$ -	\$ 4,314,289	\$ 4,314,289
Water/Sewer Fund	\$ 1,669,836	\$ 1,564,879	\$ 3,010,104	\$ 6,244,819
Solid Waste Fund	\$ 81,523	\$ 910,365	\$ 28,112	\$ 1,020,000
Aquatic Center Fund	\$ -	\$ 385,400	\$ -	\$ 385,400
TOTAL	\$ 7,624,917	\$ 4,834,205	\$ 8,216,409	\$ 20,675,531

* Hotel/Motel Fund not included. Revenue accounted for in Tourism Fund.

Personnel Services

The City of St. Marys carefully addressed personnel positions to ensure service delivery needs of the community. The City is committed to its employees and therefore all employee programs and benefits were evaluated for funding ability. Since October 2008, employee merit increases remained frozen. In FY 2014, the City implemented a new compensation study. An increase is included in the FY 2014 budget for the employees. The overtime levels remain constant with prior years.

The following change to position allocation was made due to the loss of the fire department "SAFER Grant." Six positions were funded with the grant. Council made the decision to keep three of the positions on staff.

Again this year, health insurance premiums increased approximately 18% overall. Council agreed to absorb the health insurance increase cost. Part of the increase was the partnership with the County for a health clinic, which offers services to City of St. Marys insured members.

Operating

After the above personnel services considerations, needs assessments were performed internally city-wide to ascertain priorities for available resources in FY 2014 budget. The operating costs were maintained city-wide; therefore, all budgets were flat overall. This was a welcome relief based on prior history of budget cuts seen from FY 2008 through FY 2013.

Capital

Again, the priorities of St. Marys have not changed significantly over the past several years. It has been our goal to provide the best possible services for the residents of the City of St. Marys while continuing to operate with limited funds. The City assessed its capital budget very carefully this year. The City addressed many of its capital needs in SPLOST VII. Once the tier one county-wide project funds are collected, the City will begin to purchase capital equipment and seek reimbursement from SPLOST VII funds. The majority of the capital purchases are for replacement of assets coming to the end of life cycle, which will not have a significant effect on the future operating budgets. The City will be expanding its sewer infrastructure into new areas of the City. No additional personnel cost are anticipated: however, the operating cost will be offset by customer user fees.

Conclusion

The City of St. Marys has made great strides to improve service levels, maintain the tax millage rate and improve the financial integrity of the City. The FY 2014 budget was a challenge again this year due to the loss of revenue from the economic conditions. This budget shows a balance between continuing to provide an outstanding quality of life for our citizens while minimizing the cost associated with operations. It is our desire to maintain a stable financial position as we wait to see how the economy plays out in the future.

The preparation of this budget could not have been accomplished without the hard work from city staff. They have made great efforts to cut expenditures, work with fewer staff members, while continuing to provide outstanding levels of service. Council, City Manager and I, express our sincere appreciation to all of you for your dedication to this great City.

Beautiful Mossy Oaks of St. Marys

Sincerely,

Jennifer Brown
Finance Director

The Budget Calendar

February 1st: Finance Dept. - Forward electronic files to Department Heads to use in preparation of proposed 2014 budget.

March 4th: Departments – Submit budget projections FY2014 for inclusion in preliminary package.

March 18th until: Meet with City Manager and Finance Director.

March 25th: Finance Dept. - Complete revenue projections for FY 2014.

March 21st: Finance- Prepare working papers for budget work shop meeting.

April 3rd: Submit Performance Measures

April 22nd: 9:00am to 3:00pm & 23rd 9:00am until - Budget Workshop with Mayor/Council.

May 6th: Finance - Advertise budget for Public Hearing

May 20th: Departments– Attend Public Hearing and be prepared to respond to Mayor/Council on budget submissions.

May 21st: Submit any additional documents for budget award submission.

June 3rd: Departments– Attend Council Meeting to present budget for approval.

June 30th: Finance – Prepare budget book.

June 30th: Distribute budget book and input FY 2014 budget in system.

August 31st: Finance – Submit for budget award.

Intentionally Blank

Budgetary Procedures

No later than March 15 of each year, the City Manager and Finance Director approve the subsequent fiscal years' budget calendar. This calendar includes specific dates for completion of each of the tasks necessary to prepare the annual operating budget.

Finance provides each department with budget worksheets for their appropriate department and the instructions on how to request personnel service, capital outlay and operating expenditures. Once the requests are completed, each Department Head meets with the City Manager and Finance Director in order to answer any questions.

During these meetings, adjustments are made and this becomes the recommended budget that is presented to the Mayor and Council at a budget workshop. After Councils' review, necessary adjustments are made to the proposed budget. A public hearing is advertised and held where the proposed budget is presented to the public. Council then adopts the budget before the new fiscal year begins. The budget must be balanced for all budgeted funds.

Basis of Budgeting

Budgets for St. Marys are adopted on the cash basis for all funds. However, for actual amounts, the City uses the modified accrual basis of accounting for the governmental funds and full accrual basis for the enterprise funds, which is in compliance with Generally Accepted Accounting Principles.

Differences between the budget and GAAP are as follows:

- Capital Outlay and Debt Service principal payments are recorded as expenditures for budgetary purposes as opposed to adjustments of balance sheet accounts.
- Depreciation is not recognized for budgetary purposes.

Budget Control

The City maintains a budgetary control system to ensure adherence to the budget and prepares timely, monthly financial reports comparing actual revenues, expenditures and encumbrances with budgeted amounts. These reports are distributed to the City Council and Staff.

Intentionally Blank

Budget Adjustments/Amendments

From time to time it becomes necessary for St. Marys to adjust or amend the adopted budget. This process is regulated by the official Code of Georgia (O.C.G.A) along with local policies.

Per O.C.G.A. 36-81-3

1. An increase in appropriations at the legal level of control of the local government, whether accomplished through a change in anticipated revenues in any fund or through a transfer of appropriations among departments, shall require the approval of the governing authority. Such amendment shall be adopted by ordinance or resolution.
2. Transfers of appropriations with any fund below the local government's legal level of control shall require only the approval of the budget officer.

In St. Marys, the amount for salaries and benefits for each department may not be increased without the approval of the City Council. However, Department Heads shall have the authority to transfer appropriations within a department (within the same fund) from one line item to another (other than increasing salaries and benefits) subject to the approval of the City Manager and/or the Finance Director.

Intentionally Blank

An Ordinance to Adopt a City Budget

For the City of St. Marys, Georgia

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF ST. MARYS, GEORGIA, that the City enact an Ordinance to be entitled “Budget Ordinance for the City of St. Marys, Georgia, for the fiscal year commencing July 1, 2013 and ending June 30, 2014” to read as follows:

BE IT ORDAINED, that the City hereby adopts the General Fund Budget as prepared and submitted on June 3, 2013, a summary of which is attached hereto and labeled “Exhibit A”.

BE IT FURTHER ORDAINED, that the City hereby adopts the Water & Sewer Enterprise Fund Budget as prepared and submitted on June 3, 2013, a summary of which is attached hereto and labeled “Exhibit B”.

BE IT FURTHER ORDAINED, that the City hereby adopts the Solid Waste Enterprise Fund, SPLOST Fund, Special Revenue Tourism Fund, Hotel/Motel Fund, Multi Grant Fund and Aquatic Park as prepared and submitted on June 3, 2013, a summary of each being attached hereto and labeled “Exhibit C”.

THEREFORE, BE IT RESOLVED, that the City of St. Marys does hereby ordain, resolves and enacts the foregoing Budget Ordinances for the City of St. Marys, Georgia.

Adopted this _____ day of _____, 2013.

City of St. Marys, Georgia

Attest:

William DeLoughy, Mayor

Deborah Walker-Reed, City Clerk

Basis of Presentation

The City of St. Marys accounts are organized and operate on a fund basis as set forth by Generally Accepted Accounting Principles (GAAP). A fund is an autonomous accounting entity with a self-balancing set of accounts. Fund Accounting segregates funds for specific purposes in accordance with laws and regulations or special restrictions and limitations.

Types of Funds

The current funds used by the City are General Fund, Special Revenue Funds, Capital Improvement Fund and Enterprise Funds. Below is a brief description of each fund type and the fund used by the City of St. Marys.

General Fund is used to finance all general government operations necessary to serve its citizens. St. Marys General Fund consists of: Administration, Finance, Municipal Court, Police, Fire, Public Works, Planning & Zoning, Building and Economic Development.

Special Revenue Funds are established to account for proceeds that must be used for a specific project. These monies are legally restricted and the Special Revenue Fund provides an extra level of accountability to the taxpayer that the funds were expended on the intended purpose. St. Marys has (4) four Special Revenue Funds: Confiscated Assets Fund, Multi-Grant Fund, Convention & Visitors Bureau Fund and Hotel/Motel Tax Fund.

Capital Improvements Funds are established to account for financial resources used for the acquisition or construction of major capital projects. St. Marys has (1) Capital Improvements Fund (SPLOST VI and SPLOST VII).

Enterprise Funds are established to account for services provided to the public on a user charge basis. There are three (3) Enterprise Funds: Water/Sewer Fund, Solid Waste Fund and Aquatic Center Fund.

Basis of Accounting

The basis of accounting establishes the time financial transactions are recorded as income or expense in the various funds used by the City when it becomes due or when it is actually paid or received.

Governmental Funds – Used to account for the City’s general government activities. These funds, which are not concerned about profitability, use a modified accrual basis.

Revenue is recognized when it becomes both available and measurable, rather than when it is earned. Expenditures, for modified accrual accounting, are recognized when the related liability is incurred.

St. Marys considers revenues available if they are collected within 60 days after year end. Property taxes, sales and use tax, franchise taxes, licenses, interest and miscellaneous revenues are recorded as revenues when received because they are not generally measurable until actually received. St. Marys considers expenditures due when the related liability is incurred. Grant expenditures are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements are met.

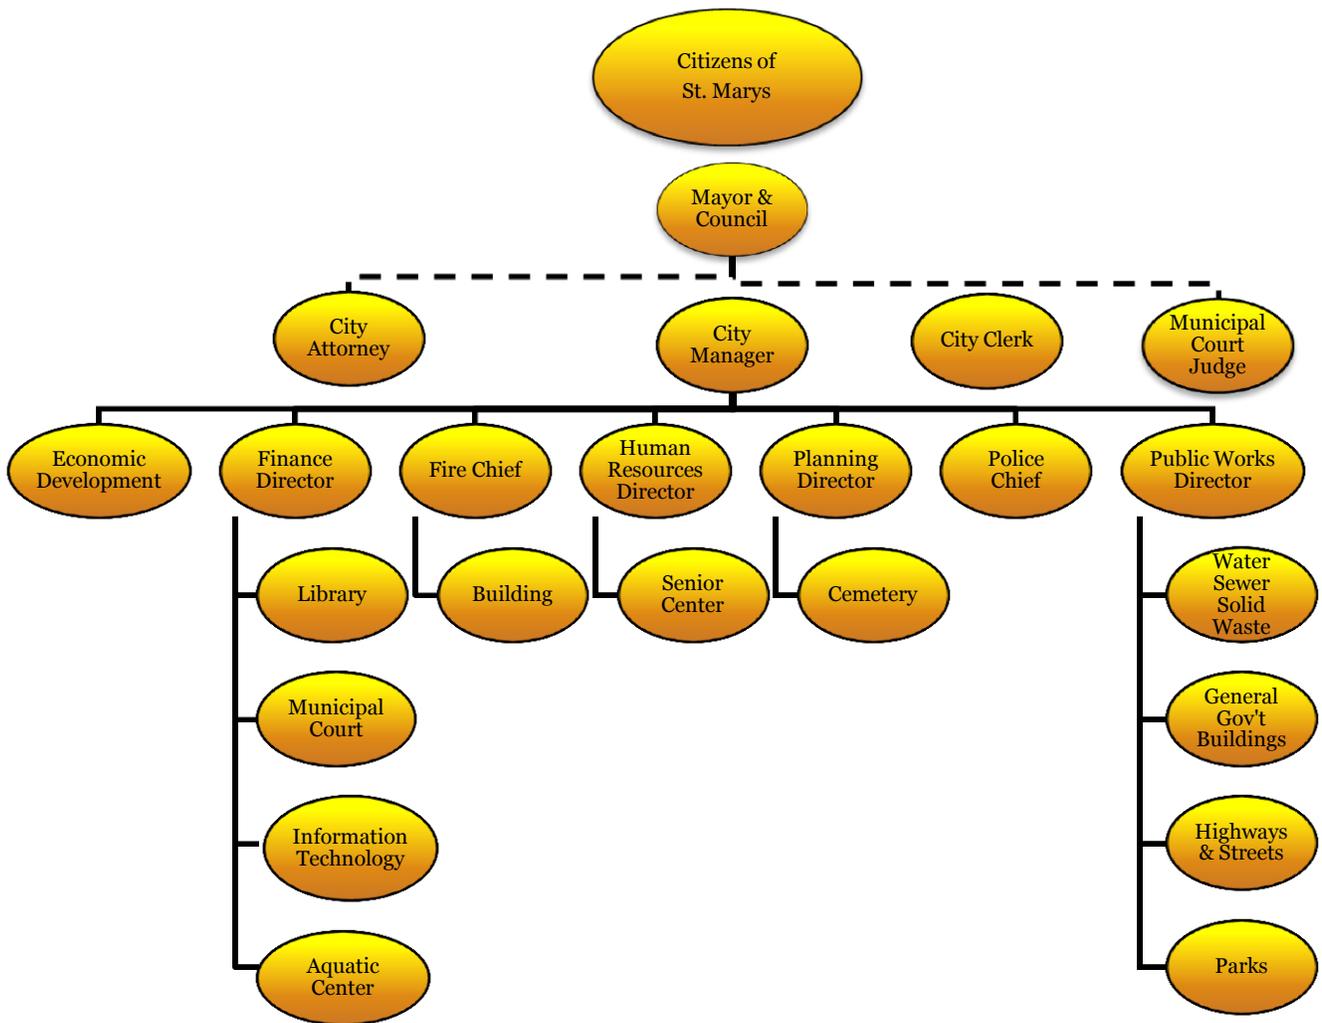

Proprietary Funds (Enterprise) - Used for services provided to the public on a user charge basis. This is similar to the operation of a commercial enterprise used for business-like activities. This type of fund usually operates on an accrual basis. Governmental accountants often refer to the accrual basis as "full accrual" to differentiate it from modified accrual basis accounting.

Oak Grove Cemetery, 1788

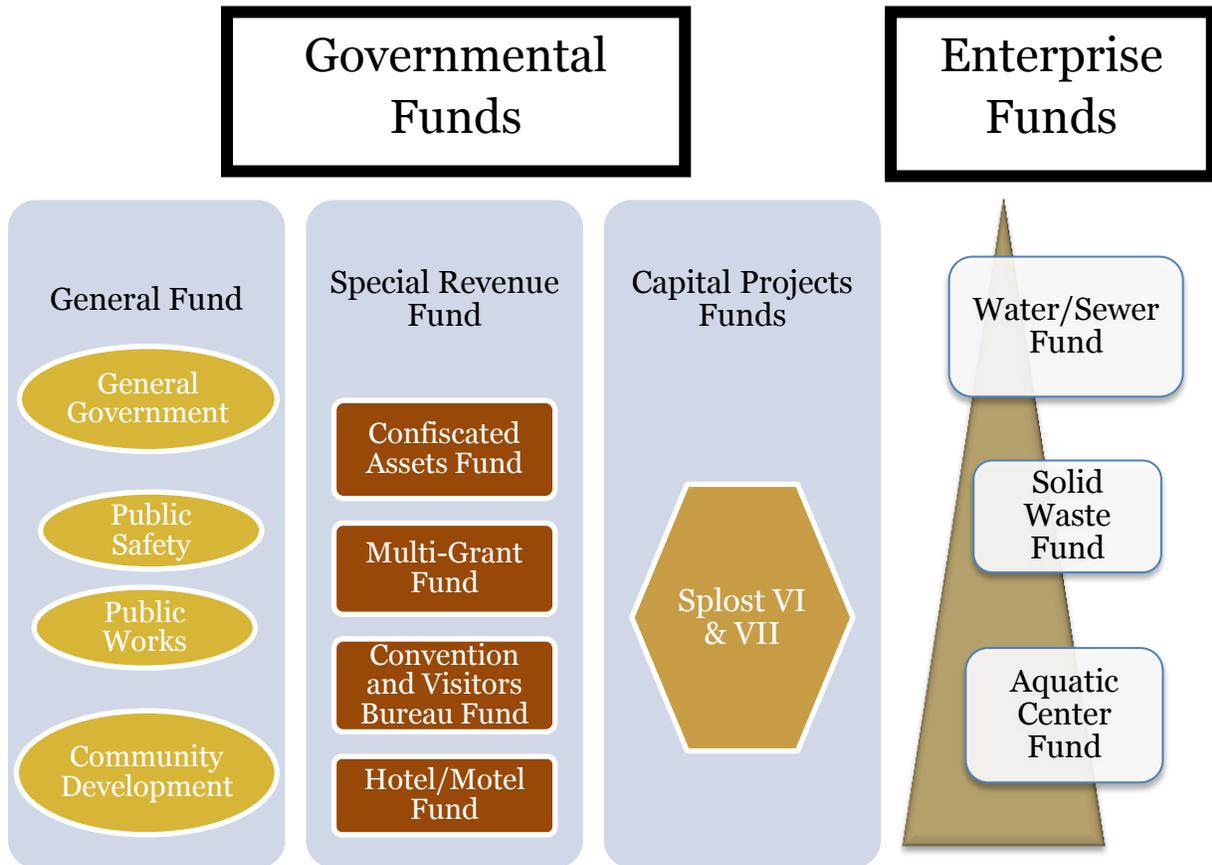

City of St. Marys Organizational Chart

City of St. Marys Fund and Function Chart

The City of St. Marys accounts are organized and operate on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that encompass the City’s assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriated. Government resources are segregated and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

FY 2014 City of St Marys Fund Structure

As noted in the chart “FY 2014 City of St. Marys Fund Structure” shown above, St. Marys utilizes three (3) major governmental fund types: General, Special Revenue and Capital Projects. St. Marys also utilizes Enterprise Funds.

CITY OF ST. MARYS - FUND AND FUNCTION CHART

Funds:	General Fund	Enterprise Fund	Special Revenue	Capital Improvements
Functions:	Legislative Executive Finance Information Technology Human Resources Municipal Court Police Department Fire Department Public Works General Governmental Buildings Parks Highways and Streets Library Planning & Zoning Building Cemetery Senior Center Airport Economic Development Special Facilities Contingencies	Water/Sewer Solid Waste Aquatic Center	Confiscated Assets Multi-Grant Tourism Hotel/Motel	SPLOST VI SPLOST VII

The **General Fund** accounts for all general operations of the City necessary to serve our citizens. By definition, St. Marys has only one General Fund. All financial resources, except those required to be in another fund, are reported in the General Fund. The General Fund accounts for the collection of property taxes, Local Option Sales Tax (LOST), excise taxes, permits & licenses, fines and forfeitures, service charges and other miscellaneous and intergovernmental revenues. St. Marys General Fund consists of: Administration, Finance, Municipal Court, Police, Fire, Public Works, Planning & Zoning, Building and Economic Development.

The **Special Revenue Fund** is established to account for proceeds that must be used for a specific project. These funds provide an extra level of accountability to the taxpayer indicating that the funds were expended on the intended purpose. St. Marys has four Special Revenue Funds: Confiscated Assets Fund, Multi-Grant Fund, Convention & Visitors Bureau Fund and Hotel/Motel Tax Fund.

- Confiscated Assets Fund is used to account for funds received from confiscated assets. The monies are to be used to purchase necessary equipment and supplies for the Police Department.
- Multi-Grant Fund is used to account for grant revenues received. These funds are used for equipment and other operating needs of the departments receiving the funds; the majority of the funds have a designated use.
- Hotel/Motel Tax Fund is used to account for the taxes received from hotel/motels collected as required by law. These funds are used to promote tourism.
- Convention & Visitors Bureau Fund is used to account for related revenues and expenditures in tourism. These funds are used to promote tourism and tourism activities.

The **Capital Project Fund** is established to account for financial resources used for the acquisition and/or construction of major capital projects. The City has one Capital Improvements Fund (SPLOST VI and SPLOST VII) in FY2014.

- Special Purpose Local Option Sales Tax Fund is used to account for the 1% sales tax collected for special projects.

The **Enterprise (Proprietary) Fund** establishes a separate accounting/financial reporting mechanism for services for which a fee is charged in exchange for goods and services. The revenues and expenses for the service is separated in its own financial

statements, rather than commingled with the revenue and expenses of all other government activities. The City's utility Enterprise Funds are: Water/Sewer Fund, Solid Waste Fund and Aquatic Center Fund.

- Water and Sewer Fund is used to account for water and sewer services financed by user charges and other revenues.
- Solid Waste Fund is used to account for solid waste management that is financed by user charges. The collection of solid waste is outsourced to a private contractor.
- Aquatic Center Fund is used to account for the St. Marys Aquatic Park that is financed by user charges.

FTE Positions

	<u>155.350</u>	<u>154.675</u>	<u>142.435</u>
--	----------------	----------------	----------------

Reported as .5 in FY 2012 should have been .6

The City of St. Marys is committed to providing the highest level of “Quality of Life” to its citizens. In the FY 2014 approved budget, 142.435 full-time equivalents are included to meet the daily needs of our citizens and visitors. These employees greet our customers, answer questions for our visitors, landscape our parks, fight fires, protect our community, and provide a countless number of other

services to ensure that the City of St. Marys is the most wonderful destination for those that live here and for those that visit.

2014 Approved Budget Staffing Summary

With the changing world, the City is obliged to balance the need for providing quality of service to its citizens along with reduced revenues. To accomplish this task, in the FY 2014 budget, one (-1 FTE) full-time position was deleted from the Sewer Department due to closure of a waste water treatment plant. In the Senior Center, a part-time person (+.36 FTE) was added to cover vacations/holidays. The Fire Department lost three (-3 FTE's) positions due to the end of a “SAFER Grant” that was in place. The City contracted with the Camden County Public Service Authority to manage the Aquatic Center; therefore, all personnel (-8.6 FTE's) have been deleted. The total change was a decrease of a 12.240 full-time equivalents in the FY 2014 budget. An error was made on the FY 2013 chart for the Police and Public Works Departments. The chart stated that each department had a staff assistant at .5 FTE; however, the actual was a .6 FTE. This has been corrected for FY 2013 and FY 2014.

Intentionally Blank

About St. Marys Government

The St. Marys Charter states the City of St. Marys, a municipal corporation, shall exercise and enjoy all powers of self-government not specifically prohibited by the Constitution, the general laws of the State of Georgia, or by this Charter, including all powers, functions, rights, privileges, and immunities necessary or desirable to promote or protect the safety, health, peace, security, good order, comfort, convenience, and general welfare of the city and of its inhabitants and all implied powers necessary to carry into execution all powers granted as fully and completely as if these powers were enumerated in this Charter.

As set forth in the charter, the City has a Mayor and six Council members elected for four-year terms of office. Each Councilmember shall hold a designated Council post. All terms of office shall begin on the first Thursday after January 1 of the year following election to such office.

To be eligible for election as Mayor or as Councilmember, a person at the time of qualification must:

- Have attained the age of 21 years;
- Have resided in the City for not less than one year immediately preceding the date of qualification for office and must continue in such residence during the term of office;
- Be a qualified elector of the City; and
- Meet any other requirements as may be established by general state law.

Per the City's Charter, the Mayor shall be the Chief Executive Officer of the City and shall have general supervision over its affairs. The Mayor shall:

- See that the laws and ordinances of the City are faithfully carried out and executed within the City;
- Examine, audit, and approve all accounts against the City before payment;
- Exercise the power of veto;
- Keep the Council members advised from time to time of the general condition of the City;
- Recommend such measures as the Mayor may deem necessary or expedient for the welfare of the City;
- Preside over the meetings of the Council and call the Council together at any time when deemed necessary by him;
- Vote on all matters when there is an equal division of the Councilmembers; and
- Perform such other duties as required by the Council.

Geography of St. Marys

According to the United States Census Bureau, the City has a total area of 20.3 square miles (53 km²), of which, 18.8 square miles (49 km²) of it is land and 1.5 square miles (3.9 km²) of it (7.54%) is water. St. Marys is situated at the southeast corner of Georgia in Camden County. St Marys is the gateway to Cumberland Island National Seashore.

Demographics of St. Marys

St. Marys' population has increased slightly to 17,606 per the estimated 2012 census. In 2010, the population was 17,121. The City's overall population has grown significantly over the past several decades. The continued growth in St. Marys has been connected to low taxes, low crime, mild weather, accessibility to I-95, proximity to Jacksonville airport, excellent school system and is adjacent to Kings Bay Naval Submarine Base.

There are 4,837 households in St. Marys out of which 47.8% have children under the age of 18 living in them, 59.8% are married couples living together, 14.2% have a female household with no husband present and 22.3% are non-families. Of all the households in St. Marys, 16.8% are made up of individuals and 2.9% has someone living alone who is 65 years of age or older. The average household size is 2.83 and the average family size is 3.18.

The median income for a household in the City of St. Marys is \$42,087, and the median income for a family is \$46,065. Males have a median income of \$35,419 versus \$24,449 for females. The per capita income for the City is \$18,099. In the City, 11.2% of the population and 9.6% of families are below the poverty line. Out of the total population, 14.5% of those under the age of 18 and 7.1% of those 65 and older are living below the poverty line.

Accommodations

St. Marys is situated at the southeast corner of Georgia. There are currently three hotels, three bed and breakfast inns, one campground and several homes that offer weekly and monthly rentals. Travel by boat from St. Marys and arrive at beautiful Cumberland Island National Seashore which offers Greyfield Inn and a campsite for your stay.

City Amenities

City of St. Marys citizens and guests enjoy the relaxing feeling of a small town with numerous activities. Howard Gilman Memorial Waterfront Park is the jewel on the water. This park greets the walking guests with brick pathways that lead to swings facing the river. As you make your way to the middle of the park, a fountain awaits your coins so that you can make your every wish come true. There is a play area for children, as well as, picnic tables for you to sit and enjoy as you gaze out at the rippling tide of the river. There have been many couples who have been united in holy matrimony at the gazebo in the park. The park has also been the center of attention for fishing tournaments, 4th of July Celebrations, the annual Rock Shrimp Festival, as well as, many other events.

At the waterfront there are several restaurants, a hotel, as well as, museums and various shops that cater to tourists and the local folk. Come enjoy the St. Marys Aquatic Park which supplies fun for all ages. St. Marys has two boat ramps with 2 launch ramps each and five public docks for your boating adventure. St

Marys hosts the only local community theater within the County. Depart from Downtown St. Marys and visit Cumberland Island National Seashore where John F. Kennedy Jr. and Carolyn Bessette were married; and, where you can enjoy the history, wild horses and beautiful beaches.

Residents and guests have access to the 38,000 square foot Camden County Community Recreation Center which includes, but is not limited to, weight training and fitness room, racquet ball, baseball and softball areas. The local area offers 21 parks, 2 swimming pools, 12 tennis courts and golfing in the county. Crooked River State Park offers camping, swimming, fishing, picnicking, public boat landing and cabins. Rivers in the area include St. Marys River, Crooked River, Satilla River and Little Satilla River. In addition to fishing and boating, the area also offers opportunity for scuba diving, sailing, water skiing and kayaking.

Climate

The citizens and visitors of St. Marys enjoy a pretty mild climate. The warmest month is July and on average the coolest month is January. The average high is 91 degrees Fahrenheit with an average low of 44 degrees Fahrenheit. The highest recorded temperature was 104 degrees Fahrenheit in 1950 and the lowest recorded temperature was 4 degrees Fahrenheit in 1985. The maximum average precipitation occurs in September.

Communications

Three radio stations, WECC-FM, WOKF-FM and WKBX-FM and three newspapers, the Georgia Times Union, the Camden County Tribune and the Periscope (Kings Bay Naval Base) provide the local news, music and local broadcasts to St. Marys.

Education

The Camden County School System is home of nine elementary schools, two middle schools and one comprehensive high school (with a separate center for ninth graders). The school system serves approximately 9,600 students. Camden County High School offers a comprehensive curriculum (9-12) with a variety of classes for both College Preparatory and Career Technology Preparatory. The high school campus is one of the largest in the state and offers AP classes and joint-enrollment with College of Coastal Georgia and the Valdosta State University Kings Bay Campus.

College of Coastal Georgia, the Camden Center, located in Kingsland, Georgia, provides a regular schedule of day and evening classes for the convenience of Camden, Charlton and Nassau County students attending the College of Coastal Georgia. Classes include the core courses for business, education, the humanities and social sciences, math and

the natural sciences. The college also houses the Hotel Operations and award-winning Culinary Arts programs of the College of Coastal Georgia.

The College began offering classes in Camden County in 1983, originally on the Kings Bay military base. The Camden Center, 89,000 square-feet, opened in May 2004, featuring a beautiful rotunda, a 260-seat auditorium, classrooms, chemistry and biology laboratories, full-service library/learning center, the teaching kitchen and demonstration dining room. The College has been designated as a state college, which means the College may offer certain targeted baccalaureate degree programs.

Altamaha Technical Institute offers some courses through College of Coastal Georgia, but has been approved for a new campus in Kingsland as soon as funding is available from the State.

Located adjacent to St. Marys, Naval Submarine Base Kings Bay, offers several degree programs from associates level to masters through on site campuses from Brenau University, Valdosta State University and Troy State University.

Health Care

Southeast Georgia Health Systems, the Camden Campus is a 40- bed acute care hospital located in St. Marys, and is accredited by The Joint Commission. It offers 24-hour emergency service and medical care to Camden and Charlton counties in Georgia, as well as Nassau County in Florida.

After many years of hard work, the newly expanded Camden Campus opened in 2009. This addition added 90,000 square feet to the existing hospital. The emergency department has 17 private treatment rooms, an expanded surgery department, a new outpatient services and a new imaging department with a woman's imaging area and new cardiopulmonary department. The medical surgical unit has 23 private rooms and a five bed intensive care unit. Various other departments were renovated and expanded.

A Cancer Care Center was opened in January 2012. Patients no longer need to travel far from home to receive cancer diagnosis, treatment and follow-up care. The Center features a linear accelerator that can provide intensity-modulated radiation therapy, the most advanced and precise method of external beam radiation therapy.

The Southeast Georgia Health System Camden Campus also offers a Senior Care Center. It is a 78 bed non-profit nursing facility that offers long-term care for seniors unable to manage on their own and short-term care for patients of all ages who need skilled nursing and rehab services.

Source: Southeast Georgia Health System webpage" www.sghs.org and 2012-2013 Camden County Chamber of Commerce Relocation Guide.

The County has two facilities that provide elderly residential care. Also, there are fourteen dentists and over 150 physicians.

Public Safety

One major goal of the City of St. Marys is to provide quality of life by ensuring the safety and security of the community and ensuring the protection and preservation of life and property. Public Safety is allocated the largest percentage of the City's operating budget – 45.8% of the total 2014 operating budget.

The City of St. Marys provides 24 hour Police and Fire protection through Public Safety employees for St. Marys Citizens.

The St. Marys Police Department is a full-service organization with 35.6 employees. The members of the Department are tasked with handling a wide variety of calls and situations. For this reason, our officers have to be able to function in capacities such as counselors, referees, protectors, parents, judges, and disciplinarians. The City's commitment to the citizens of St. Marys is to locate, hire, train and field the absolute best officers possible in the various positions within the department. The City is also determined to provide continued excellence through on-going training programs, professional operational standards, and a commitment to ethics and discipline that will serve to protect our citizens as well as our employees, and to guarantee a high standard for the services we perform.

The St. Marys Police Department is divided into three major Divisions which include Uniform Patrol, Criminal Investigations, and Administrative Services. The operations of these Divisions are assisted by the department's administrative staff, and the overall operation of the department is managed by the Chief of Police. Each Division of the Police Department is commanded by a command staff level officer. Each Division Commander holds the rank of Lieutenant, and by virtue of their rank and position, holds a position on the departmental Command Staff.

The Uniform Patrol Division (UPD) makes up the largest element of the Police Department, and all new officers are hired into this Division. Other elements of UPD include the K-9 unit, the School resource Officer (SRO), the Special Response Team (SRT), and the Reserve and Auxiliary units.

The Criminal Investigations Division is responsible for conducting follow-up investigations on criminal incidents that are initially reported to the Police Department primarily through the Uniform Patrol Division. CID is currently staffed with one Lieutenant, One Sergeant, three detectives and a Property and Evidence Technician.

Currently, the detectives maintain a caseload of approximately 45 to 60 open cases at any given time.

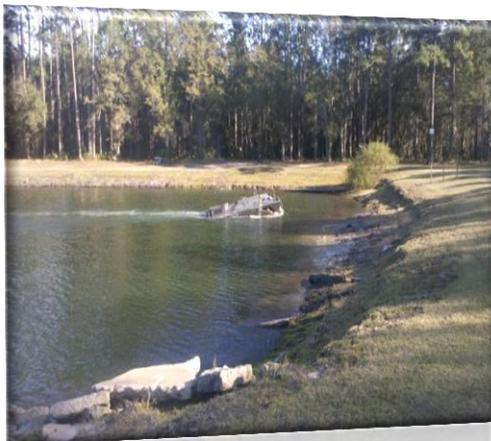

The Administrative Services Division is responsible for several critical facets of the operation of the Police Department. This division maintains the files from year to year with the proper documentation to satisfy departmental policy.

In order to have an understanding of the services provided by the St. Marys Police Department, annual comparison is made below.

Mayor at Police Firing Range

City Dragoon

Police Licenses Check

The Fire Department currently has 24 full time Firefighters, 12 part time Firefighters, 15 Volunteer Firefighters, and two Chief Officers to protect the City of St. Marys.

Workload Indicators

- Responded to 1,851 calls for service
- 79 Structure Fires
- 1,324 EMS/Rescue calls
- 144 Hazardous Conditions
- 54 Service Calls
- 77 Good Intent Calls
- 111 False Alarms
- 53 Severe Weather

Average Response Time for reported structure fires = 4.10 minutes

Volunteer Hours 3,500.87, if paid, equals \$57,449.27 dollars.

The Fire Department responded to properties valued at an estimated \$4,677,500 with a loss of \$1,450,012 dollars which equates to an average of a 31% loss to fires in structures responded to.

Fire Prevention Activities:

- 1,250 Fire Inspections
- 37 Plan & Reviews
- 1,750 Fire Hydrant Inspections
- 514 Pre Fire Plans
- 425 Burn Permits issued
- 8,000 Children seen as a part of a Fire Safety Lesson

St. Marys Fire Department conducted 862 training courses in 2012 which equals 8,179 hours of training.

Transportation

The main route of travel to get to St. Marys is Georgia Highway 40. You can also travel Interstate 95 (north and south) as an entry way (Exit 1) into St. Marys. If you choose to come by air, St. Marys has its own airport which can accommodate smaller planes. St. Marys is only twenty-one miles from Jacksonville (Florida) International Airport and only 35 miles from Brunswick Golden Isles Airport. The St. Marys River offers a 32 foot deep channel and a public barge dock. Travel 30 minutes north to Georgia Port Authority in Brunswick or 30 minutes south to Jacksonville Port Authority. The Georgia Port Authority specializes in handling break-bulk, agri-bulk and RoRo cargos. The Jacksonville Port Authority is an international trade seaport which has multiple cargo terminals capable of handling container, automobile, bulk, break-bulk and refrigerated cargoes, as well as, cruise passenger service and local ferry service. CSX rail service is offered in our sister City Kingsland.

Component Units

Component units are legally created public organizations created by the City, but function “separate” from the City.

St. Marys Convention & Visitors Bureau (the “Bureau”) is reported as a blended component unit in the City’s financial statements because the City maintains financial accountability over the Bureau and the Bureau almost exclusively benefits the City. The St. Marys Convention & Visitors Bureau is reported as a special revenue fund.

The Industrial Development Authority of St. Marys (the “Authority”) is governed by a seven-member board, the majority of which are appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the Authority. The Authority is presented as a governmental fund-type component unit.

The Downtown Development Authority of St. Marys (the “DDA”) is governed by a seven-member board, the majority of which are appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the DDA. The DDA is presented as a governmental fund-type component unit.

The Cemetery Authority of St. Marys is governed by a five-member board which is appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the Cemetery Authority. The Cemetery Authority is presented as a governmental fund-type component unit.

Intentionally Blank

Utilities

Citizens of St. Marys are provided access to water, sewer and solid waste services through the City of St. Marys. The City does outsource its solid waste through Advance Disposal. St. Marys hours of operation are Monday through Friday, 8:00am to 5:00pm.

Electricity is provided through Georgia Power Company and Okefenokee Rural Electric Membership Corporation. Natural Gas and Telecommunications are also available.

Military

Protecting Our Country...

Kings Bay Naval Base is located adjacent to St. Marys. The men and women of Kings Bay play a major role in our community. Military children make up approximately 30% of the kids in school. Not only are the Military Members serving our Country, they are serving our community by distributing food, washing cars to raise money for a good cause, cleaning up in the community and participating with Habitat for Humanity.

The Submarine Base is the home port for United States Navy Fleet ballistic missile nuclear submarines armed with Trident missile nuclear weapons. The base covers approximately 16,000 acres of land. Approximately 4,000 acres are protected wetlands.

Sail of USS *George Bancroft* (SSBN-643) on display at main gate, dedicated 7 April 2000, as part of Kings Bay's celebration of the submarine forces' 100th anniversary.

City's Vision Statement

The City of St. Marys vision is to create a community of excellence governed by the principles of responsibility, fiscal soundness, accessibility, and service to the public, in an atmosphere rich in historic and cultural significance, while retaining its natural beauty, charm, resources, and unique appearance; a community that attracts and maintains active and supportive citizens, with an enhanced quality of life and economic opportunity for all.

City's Mission Statement

The mission of the City of St. Marys is to provide the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life.

City Goals

1. Provide cohesive economic development programs and initiatives in order to promote economic opportunity within the City.
 - Identify vendors of various entities (i.e. Base, school district, businesses, etc.) to ascertain potential opportunities to local vendors (either existing vendors or to be developed).
 - Continue recruiting trips.
 - Develop a marketing plan/strategy for the community.
 - Develop strategies to improve appearance of Exit 1.
 - Provide summary of economic development incentives available to the city for economic development.
 - Continue to work with and support the Joint Development Authority (JDA), including assisting the JDA with development of a “spec building” as a warranted.
2. Assure our fiscal sustainability by ensuring quality municipal services and operations are provided efficiently and are financially sustainable.
 - Continue positive financial reporting.
 - Obtain Governmental Finance Officers Association recognition for budget and Certified Annual Financial Report.
 - Continue compliance with City Council adopted financial policies.
3. Enhance citizen engagement, involvement, and communications on City related issues.

- Continue to implement technology improvements and upgrades.
4. Strengthen Military/City relationships and partnerships.
 - Continue to work with JDA and Base on Joint Land Use Study (JLUS) process.
 - Provide periodic updates to appropriate military personnel on City related issues.
 - Support the Camden Partnership efforts to foster missions at Kings Bay Naval Base.

 5. Support and develop infrastructure within the City to meet current standards and plans for the future in a financially sustainable manner.
 - Improve water pressure downtown (identify projects and strategies to do so).
 - Develop a plan to improve infrastructure downtown.
 - Improve economic development opportunities by improving infrastructure.
 - Develop strategies to improve housing stock within the City.
 - Remove dilapidated structures along the main roads within the City.

 6. Provide environmental stewardship and sustainable management of our natural resources and history (structures and culture).
 - Seek grant for sea level rise strategic planning.
 - Support environmental cleanups and fairs within the City.
 - Conduct evaluation of disaster vulnerabilities.
 - Increase recycling by residents.
 - Consolidate/develop master plan(s) addressing development, green space, coastal greening, bicycle/pedestrian oriented mobility, etc.

City of St. Marys
Comprehensive Plan 2007-2027

The Comprehensive Plan is a living document, and a critical part of its evolution is the implementation program. As such, the implementation program serves as the overall strategy for the City of St. Marys to achieve its vision for the future.

St. Marys city officials and residents participated in a series of public workshops designed to facilitate discussion about the community's vision for the future and their preferences to ensure development occurs at a pace and scale that accommodates their objectives. As one of the nation's oldest cities, St. Marys prides itself in its historic waterfront heritage. A small, coastal community, the City seeks to promote itself as a

destination location with a reawakening awareness of the many opportunities available for tourism and economic growth. St. Marys' Vision for the Future reflects these priorities.

The City of St. Marys' Implementation Program offers a detailed description of action items and strategies to execute the community's vision for future development. As stated above, St. Marys aspires to become a destination city that celebrates its heritage while promoting economic opportunity and growth.

Specific implementation measures towards this end are: updating ordinances to permit mixed uses that are connected to neighborhoods and downtown; drafting a master plan focused on the "re-emerging spirit of St. Marys;" developing as a destination location based on community assets, such as the waterfront, access to the National Seashore on Cumberland Island, restaurants, shops, etc.; implementing bicycle trails, marsh walk trails and kayaking opportunities; and creating a museum to present the history of the City, including its on-going relationship with the U.S. Navy and Naval Submarine Base Kings Bay.

Vision for the Future

The City of St. Marys established a vision for its future through comprehensive public involvement. The public was given the chance to share their views on future development and quality of life issues through participation in a community visioning process. Feedback gathered through this process was interpreted by Coastal Georgia Regional Development Center staff and submitted to the public during a series of public workshops for review.

The Vision Statement for future development and growth in the City of St. Marys is as follows:

- *The City of St. Marys is a friendly, reawakening community with great historical heritage, coastal amenities and promising economic opportunities.*
- *Our goals are to maintain our welcoming, small-town community atmosphere as a Georgia gateway and destination; and, to remain committed to investing in our natural and cultural resources while proactively planning for continued myriad growth opportunities.*
- *Our priorities include: creating an open and engaging community that is committed to improving quality of life through expanding opportunities for economic development and implementing policies that will foster sustainable growth.*

Commercial Areas Vision: To support the local economy and small business development, promoting sense of place and quality of life for residents, tourists and business owners.

Issues & Opportunities Policy Implementation Measure:

- The downtown is an increasingly attractive place for businesses that should be promoted and enhanced to further economic potential.
- As the population continues to grow, there will be increasing opportunities to expand local businesses.
- Partnership opportunities exist to enhance collaborative efforts to promote St. Marys as a tourist destination.
- Parking availability within the traditional commercial district will need to be evaluated as the City grows and becomes an active tourist destination.
- Encourage mixed uses within the historic downtown area, emphasizing first-floor commercial and second floor office or residential space.
- Promote design guidelines and standards throughout the traditional business district.
- Encourage pedestrian centered activities.
- Implement recommendations outlined by various entities and studies, such as the 2005 *Economic Diversification of Camden County*.
- Support the shop local campaign—“Keep It in Camden.”
- Encourage opportunities for tourism.
- Consider options to improve transportation opportunities, such as a trolley system.
- Investigate ways to offer additional parking.
- Update ordinances to allow for a mix of uses.
- Evaluate and rewrite sign ordinances with special restrictions for the downtown district.
- Locate new and existing overhead utility wiring underground.
- Implement pedestrian friendly streetscape design, such as wide sidewalks, crosswalks, landscaping, benches, lighting, etc.
- Continue to provide financial support to the CVB, DDA and St. Marys Development Authority.
- Create an Economic Development Implementation Plan.
- Support the commercial district as an activity node, developing as a destination location.
- Provide interpretive kiosks outlining the area’s history.
- Conduct a parking study.

Conservation Areas Vision: To preserve and protect the City’s scenic vistas and view sheds provided by its unique relationship to the water, limiting residential use to existing structures and allowing for low impact recreational use.

Issues & Opportunities Policy Implementation Measure:

- New or innovative developments typically evoke neighborhood opposition.
- Partnership opportunities exist to enhance collaborative efforts to promote recreational opportunities.

- Although citizens are aware of the natural resources within the community, awareness and protection can be enhanced as public understanding of the value of these resources is increased.
- Encourage open space and greenspace preservation within new subdivisions.
- Preserve scenic vistas and natural ecological features.
- Explore and support opportunities for heritage and eco-tourism.
- Increase awareness of outdoor activities and recreational opportunities.
- Protect marshlands and projections of the City's existing right of ways into the marsh.
- Promote, enhance and improve natural resources, particularly along the waterfront.
- Protect the waterfront from obtrusive high-rise development.
- Maintain and preserve open space with significant cultural or historical heritage, such as old shipping and seafood docks.
- Investigate the feasibility of a rails-by-trails path.
- Adopt a Conservation Subdivision Ordinance.
- Modify subdivision regulations to require preservation of sensitive natural areas.
- Require developers to link open spaces together into a publicly accessible open space network.
- Partner with PSA to increase awareness of outdoor and recreational opportunities, etc.
- Enforce litter control guidelines, etc.
- Consider implementing GreenPrint recommendations, as appropriate or desired.
- Expand multi-use paths, as recommended in the Master Plan and the *Camden County Bike and Pedestrian Plan*.

Corridor/Gateway Areas Vision: To improve mobility and accessibility to the City of St. Marys, promoting quality commercial development and alternative modes of transportation.

Issues & Opportunities Policy Implementation Measure:

- St. Marys has some unattractive commercial areas, such as strip-mall shopping centers.
- Trees are being lost to new development.
- Although high intensity uses are concentrated along major corridors, the City lacks public transportation options.
- Corridors are designed in ways that discourage pedestrian and bicycle activity.
- Corridors are congested at peak hours.
- Opportunities exist to utilize the corridor for directing tourists to desirable locations throughout the City.
- Corridor management during emergency situations needs to be improved.
- Create appropriate ordinances to control corridor development.
- Discourage billboards and other types of undesirable signs.
- Promote use of signage to direct visitors downtown and to scenic areas.
- Encourage modification of existing strip-mall centers to become more visual and pedestrian friendly.
- Encourage landscaped medians where appropriate.

- Address requirements for commercial and industrial landscaping.
- Explore the feasibility of a regional transit system.
- Consider recommendations from *Camden County Bike and Pedestrian Plan*.
- Coordinate with GDOT to mitigate traffic congestion, improve transportation concerns, encouraging signalization where needed.
- Draft a master plan for the commercial corridors and entranceways.
- Annex Exit 1, ensuring development will occur as desired.
- Update sign ordinances, implementing recommendations of the way-finding initiative.
- Draft and enforce commercial and industrial landscape ordinance, adopting minimum standards for design, setbacks, buffers, etc.
- Adopt corridor overlay districts for prominent roads in the City, requiring the preservation of existing trees in landscaped buffers.
- Implement GreenPrint recommendations, as appropriate or desired.
- Investigate the potential of multi-use trails, such as rails-with-trails path.
- Coordinate with GDOT/GEMA to improve evacuation routes.

Historic Areas Vision: To promote and protect the historic waterfront district as a significant community resource, enhancing both the sense of place and the quality of life for residents and tourists alike.

Issues & Opportunities Policy Implementation Measure:

- Downtown St. Marys needs to be promoted as an attractive place for business development.
- Although citizens are aware of the natural resources and historic properties within the community, awareness and protection can be enhanced as public understanding of these structures is increased.
- There is a lack of public transportation and parking availability, for residents and tourists.
- Support the shop local campaign—“Keep It in Camden.”
- Encourage opportunities for tourism.
- Plan for mixed-use economic development, through planning and zoning.
- Encourage mixed uses within the historic downtown area.
- Maintain current quality of life and sense of place.
- Protect the waterfront from obtrusive development, discouraging high-rise development.
- Maintain and expand waterfront opportunities and accessibility for the public.
- Promote, enhance and improve natural and historic resources and the waterfront in particular.
- Consider options to improve transportation opportunities, such as a trolley, cart paths, etc.
- Investigate parking options.
- Continue to provide financial support to the CVB, DDA and St. Marys Development Authority.
- Draft a master plan based on SCAD study, highlighting the “re-emerging Spirit of St. Marys.”
- Provide interpretive kiosks outlining the area’s history.

- Support a water taxi service to other cities/locations from a base at the waterfront.
- Restore the Pavilion.
- Review and update ordinances to incorporate design standards and landscaping guidelines.
- Expand Gilman Waterfront Park.
- Create a “trolley” transit system for the waterfront.
- Conduct a downtown parking study.
- Establish a memorial for all wars and services on the waterfront.

Neighborhood Infill Areas Vision: To encourage redevelopment opportunities to preserve and enhance the area’s traditional character and architectural styles, creating additional housing opportunities.

Issues & Opportunities Policy Implementation Measure

- There is an inadequate mix of uses within the City.
- Some areas of St. Marys are dilapidated and in need of revitalization and/or upgrade.
- There is a need for workforce and military housing.
- There is not enough affordable housing.
- Although citizens are aware of the natural resources and historic properties within the community, awareness and protection can be enhanced as public understanding of these structures is increased.
- Use of alternative modes of transportation can be increased.
- Neighborhoods need to be prepared for emergency management concerns.
- Encourage mixed-use opportunities by reviewing and evaluating zoning and development ordinances.
- Consider redevelopment opportunities to maintain and preserve neighborhood character.
- Encourage rapid redevelopment of newly vacant or abandoned properties.
- Support affordable housing and alternative housing opportunities.
- Encourage compatible architectural styles that maintain regional character.
- Protect historic structures, where appropriate.
- Promote alternative modes of transportation, including pedestrian-friendly design, cart paths, etc.
- Encourage hurricane resistant retrofits on existing structures.
- Review and update ordinances to incorporate design standards and landscaping guidelines.
- Condemn or rehabilitate structures, based on need assessed during housing inventory.
- Develop volunteer-based grassroots rehabilitation program for home repair.
- Formulate a redevelopment plan, preserving original housing stock; allowing for compatible infill development and maintaining pedestrian orientation.
- Adopt ordinances that allow alternative types of affordable housing.
- Expand the historic district, seeking NRHP designation once completed.
- Continue to update ordinances, permitting mixed uses.
- Continually update Emergency Preparedness Plan.

Suburban Developing Areas Vision: To promote livable communities where residential and commercial uses coexist; creating connectivity and walkability while promoting an appropriate mix of function, use and design.

Issues & Opportunities Policy Implementation Measure

- New or innovative development and high-density development typically evokes neighborhood opposition.
- There is an inadequate mix of uses, such as corner grocery stores, within the City.
- Innovative development is taking place; however, infrastructure needs and impact on natural resources must be considered.
- There is not enough affordable housing.
- Trees are being lost to new development.
- There are contaminated properties surrounding the Durango site.
- Evaluate zoning and development ordinances, planning for mixed uses.
- Encourage and support development of active adult and continuing care communities.
- Encourage development to take place in areas with adequate public facilities.
- Explore opportunities for development to pay for itself.
- Consider impacts of new developments on existing infrastructure as well as natural and culture resources.
- Encourage alternative housing opportunities that will facilitate affordable housing options.
- Investigate former industrial properties that might cause environmental pollution.
- Encourage new projects that will not cause environmental pollution.
- Update ordinances to allow mixed uses and higher densities.
- Promote mixed age communities.
- Develop infrastructure master plan.
- Promote a public transit system.
- Develop a " Safe Routes to School" plan for all elementary schools except for Crooked River.
- Adopt ordinances that promote affordable workforce housing.
- Support the development of an Affordable Housing Team.
- Require developers to link open spaces, creating an opens space network.
- Consider GreenPrint recommendations, as appropriate or desired.
- Adopt a conservation subdivision ordinance.

Development Patterns Vision: To promote quality growth, affordability and a sense of place, while continuing to provide effective and efficient service delivery to all residents.

Issues & Opportunities Policy Implementation Measure:

- As rapid population growth occurs, community facilities will need to be expanded and improved.

- Rapid population growth, both now and in the future, pose a challenge for city officials to discern how quickly and where services and infrastructure will be needed.
- Some parts of the City are not adequately being served by water and wastewater facilities.
- The cost of providing services and facilities for new development is nearly exceeding the revenue incurred.
- The placement of overhead wires is unattractive and prevalent throughout the City.
- Population growth will impact water, stormwater and waste water capacities.
- Explore and prioritize areas in need of infrastructure and facility improvements.
- Provide services and facilities to meet the demands of the growing population.
- Encourage location of new and existing overhead utility wiring underground as feasible.
- Maintain functional and efficient water and waste water capacities to support new development.
- Encourage master planning for infill development to promote compatible architecture, etc.
- Consider using impact fees to pay for new development.
- Implement the City's Master Plan.
- Continue to develop an annual Capital Improvements Plan.
- Implement and update, as needed, the water and sewer master plan.
- Require new utility extensions and overhead lines to be run underground, where possible.
- Inventory downtown sewer lines to eliminate stormwater infiltration issues, including downspouts into the sanitary system.
- Implement Stormwater Master Plan.
- Develop an annexation plan.
- Adopt landscape and design guidelines.
- Evaluate ordinances and zoning regulations; update as necessary or create new restrictions, as needed.
- Implement impact fees.

Resource Conservation Vision: To preserve, protect and promote the City's natural, historic and cultural resources with special consideration to the unique coastal resources inherent to the City of St. Marys.

Issues & Opportunities Policy Implementation Measure:

- Natural, cultural and historic resources are protected throughout the City; however, as public awareness is increased, these resources will be improved, enhanced and promoted.
- Public access to the waterfront and associated recreational activities is limited.
- Encourage heritage tourism opportunities to promote public education and preservation of resources.
- Explore opportunities to provide increased access to natural, cultural and historical resources throughout the City.

- Explore opportunities to maintain and expand waterfront accessibility for the public
- Implement a local museum that presents the history of St. Marys from 1900 to the present, focusing on railroads, industry and growth.
- Establish a National Historic Landmark site at the Point Peter, War of 1812 encampment.
- Support efforts to inventory and recover War of 1812 nautical artifacts from the area—both land and sea.
- Support efforts to inventory Fort Tammany and recover any available artifacts.
- Establish a memorial for all wars and services on the waterfront.
- Consider implementing GreenPrint recommendations, as appropriate or desired.
- Review opportunities to acquire properties that are suitable for providing public access to rivers, streams and marshes.
- Maintain existing public access at street ends into the marsh, rivers and streams.

Social and Economic Development Vision: To enhance the quality of life for all residents and visitors—improving economic opportunity, housing diversity and sense of community.

Issues & Opportunities Policy Implementation Measure:

- The economy is dependent upon the Naval Submarine Base Kings Bay to some extent.
- Activity centers throughout the City need to be enhanced and promoted.
- Population projections indicate that over 14% of the City’s population will be aged 50 and older by 2030.
- Provide support to economic development agencies, supporting the KIC campaign.
- Encourage businesses that will keep workers local via good pay and benefits.
- Encourage development of the Harbor to accommodate both tall and transient ships.
- Investigate, encourage and support diversification of the marina.
- Encourage the development of an “incubator,” building in the Boch Plant.
- Research the possibility of transitioning the St. Marys Airport into a “boutique” facility.
- Explore strategies and locations to create activity nodes, such as the Aquatic Center, Downtown and Midtown.
- Encourage and support development of active adult and continuing care communities.
- Draft Economic Development Implementation Plan.
- Market opportunities to host conventions, sports activities, etc.
- Support efforts of CVB, DDA and St. Marys Development Authority to recruit and retain local businesses.
- Develop the Harbor as place for tall ships and transient ships to dock/visit.
- Update the Airport into “boutique” facility with additional hangers, air taxi services, dirigible masts, flight school, sky-diving, etc.
- Utilize the Airport to promote St. Marys as destination for dining, shopping, etc.
- Complete master plan for the airport.

- Expand the existing library facility to meet future needs.
- Create development and activity centers at desired locations.
- Expand Aquatic Center to include lands around the park for trails, parking, etc.
- Reconstitute the Housing Authority.
- Draft a master plan based on SCAD study, highlighting the “re-emerging Spirit of St. Marys.”
- Promote the development of mixed-age communities.
-

Governmental Relations Vision: To maintain cooperative initiatives while actively pursuing additional partnership opportunities with local municipalities, as well as surrounding jurisdictions, in order to provide the highest quality of services for residents and business-owners.

Issues & Opportunities Policy Implementation Measure:

- The City of St. Marys is land-locked by the City of Kingsland.
- The City maintains working relationships with the County, the Cities of Kingsland and Woodbine, as well as the National Park Service (NPS) at Cumberland Island and Naval Submarine Base Kings Bay.
- New population projections will require increased coordination with related agencies.
- Encourage opportunities for additional cooperation and partnership with neighboring Kingsland and other jurisdictions.
- Encourage NPS to enhance and promote tourism opportunities at the museum in St. Marys.
- Encourage the NPS to request the annexation of Cumberland Island by the City of St. Marys.
- Encourage the discussion of annexing Naval Submarine Base Kings Bay.
- Actively support LUCA and Census 2010, coordinating with the data available in 2011.
- Work in conjunction with neighboring jurisdictions to implement the Joint Comprehensive Plan.
- Eliminate unincorporated “islands,” created by spot annexation.
- Coordinate with Naval Submarine Base Kings Bay to attain land for sewer plan and road improvements.
- Continue efforts to change the address of the Welcome Center and other properties within the City of St. Marys that have Kingsland addresses.
- Prepare for population growth by partnering with RDC and U.S. Census on LUCA for Census 2010.

Financial Policies

It is the responsibility of the City of St. Marys to provide quality services with adequate funding, to manage growth and account for public funds. This section presents the policies that the City follows in managing its financial and budgetary activities. These policies have guided the City in maintaining financial stability over the years.

Fiscal Policies

Below are long term financial policies and goals employed by the City of St. Marys:

- The City will attempt to maintain a diversified and stable revenue system to shelter it from short-term fluctuations in any single revenue source.
- The City will enact consistent collection policies so that assurances can be provided that the revenue base will materialize according to budgets and plans.
- The City will operate with a balanced budget for all budgeted funds. Total anticipated revenues, plus that portion of beginning of the year unreserved fund balance in excess of the required fund balance reserve, must equal total estimated expenditures for each of the governmental fund types. For proprietary fund types, total anticipated revenues and unreserved retained earnings must equal estimated expenses.
- The City will attempt to establish and maintain a fund balance reserve for the General Fund to pay expenditures caused by unforeseen emergencies, for shortfalls caused by revenue declines and to eliminate any short-term borrowing for cash flow purposes.
- The City will fully fund its defined benefit pension plan and will also fully fund its 457 and deferred compensation plan.
- The City will maintain its physical assets at a level adequate to protect the City's capital investment and minimize future maintenance and replacement costs.

Purchasing

Per City Charter - The Mayor and Council prescribes by ordinance the procedures for all purchases of real and personal property by the City. Competitive bidding shall be required for purchases and contracts, and awards shall be made to the lowest or best bidder, except as where otherwise provided for by ordinance. Prior to the making of purchases and contracts, the availability of adequate funds shall be certified as provided by ordinance.

A purchasing policy has been approved for the City. The policy provides instructions for the purchase of goods and services other than what is set forth in the City Charter and the official Code of Georgia.

It is the policy of the City to make all purchases of supplies, materials, equipment and contractual services on the basis of best value for the lowest price and whenever practical via competitive pricing or bids. The decision as to whether a specific purchase shall be made via sealed bids, phone quotes or market basis will be determined by the City Manager in accordance with the City's purchasing practices and provisions of all applicable Federal, State and local laws. The Finance Director is responsible for submitting changes to these procedures to ensure that up to date business practices and efficient use of public funds are incorporated in the day to day practices. Changes will be sent to the City Manager for approval. All applicable discounts will be sought. The City's purchasing policies shall also incorporate the following principles:

- a. Designation of Purchasing Authority.
- b. Standardization and specification to reduce redundancy and ensure the quality of goods and services.
- c. Bulk commodity purchase discounts. Planned maintenance schedules to reduce costs associated with time sensitive purchases.
- d. Controlled emergency purchase procedures.
- e. Stimulation of competitive bidding to reduce prices.
- f. Inspection and testing of goods delivered to enforce compliance with specifications and terms of contracts.
- g. Redistribution of excess obsoletes and salvaged goods.
- h. Market analysis, assuring purchases when market conditions are favorable.
- i. Prompt payment of all bills, thereby earning cash discounts.
- j. Transfer of usable supplies from one using agency to another.
- k. Reduction of unnecessary sales effort and expense.
- l. Elimination of unnecessary paperwork.
- m. Elimination of unnecessary purchases.
- n. Elimination of conflict of interest.
- o. Elimination of favorites and convenience in public purchasing.
- p. Optimum use of local vendor sources.
- q. Optimum use of state contract.
- r. Due consideration of value, estimated life, and service factors.
- s. Sound business practices and professional purchasing processes.

Investing

For cash and investments, the City will maintain as few accounts as possible in order to maximize any interest earnings. The City uses a pooled cash account that accounts for General Fund, Water and Sewer Fund, Solid Waste Fund and Aquatic Center Fund cash assets. Separate accounts are set up for Multi-Grant Fund, Tourism Fund and SPLOST Fund. Before the City invests any surplus resources, a competitive bid process shall be

conducted. The City will utilize the Georgia Local Government Investment Pool anytime their rate of return is higher than the rate determined through requests from banks.

Investment Instruments:

The assets of the funds of the City may be invested only in the following:

- U.S. Treasury Obligations
- Selected U.S. Agency Obligations
- State of Georgia Obligations
- Prime Bankers Acceptances
- Repurchase Agreements
- Commercial Bank Certificates of Deposits
- Savings and Loan Deposits
- The Georgia Local Government Investment Pool

Capital Improvements Policy

A Capital Improvement Program (CIP) is a long-range plan of purchasing, constructing and maintaining the City's capital assets. A capital budget is the portion of the operating budget that funds capital costs.

A Capital Improvement Program (CIP) will be developed for a period of five years. As resources are available, the most current year of the CIP will be incorporated into the current years' operating budget. The CIP will be reviewed and updated annually.

For the Capital Improvement Program, all land and land improvements, building projects and equipment costing \$5,000 or more are classified as capital assets. Capital projects and/or capital asset purchases will receive a higher priority if they meet some or most of the following criteria:

- 1) Mandatory project
- 2) Project improves efficiency
- 3) Effect of project on operation and maintenance costs
- 4) Elimination of hazards
- 5) Project's expected useful life
- 6) Availability of state/federal grants

Audit

Georgia Statutes 36-81-7 requires the City have an annual independent audit of its financial statements. The audit is performed in accordance with Generally Accepted Auditing Standard. The annual audit is public record and can be found on our website at www.stmarysga.gov. The following provides guidance regarding the general audit.

- a. An annual audit will be conducted by a properly licensed independent public accounting firm.
- b. Every three to four years, the City shall issue a request for proposal to choose an auditor for a period of three years with two one year options.
- c. When issuing a request for proposal, the City will request two proposals from qualified CPA firms. One proposal shall contain the firm's costs and a second will contain the firm's qualifications. The cost proposals shall only be opened after three qualified firms have been determined. When awarding the contract for the independent audit, not less than 70% of the decision will be based upon technical qualifications rather than cost.
- d. The agreement between the independent auditor and the City shall be in the form of a written contract. The contract shall include the request for proposal as an appendix to the written contract and all issues addressed in the request for proposal shall be required as part of the contract.

Financial Reporting

The Finance Department prepares monthly financial reports for citizens, internal management purposes and the City Council. The reports (by fund and department) provide budget vs. actual revenue and expense activities on a year to date basis with comparison of prior year to date.

Debt Policies

On occasion, the City will issue short-term debt to cover cash flow problems. In addition, the City may issue long-term debt for high cost longer lived capital assets.

The issuance of long-term debt is limited to capital improvements or projects that the City cannot finance from current revenues or resources. Current resources are defined as that portion of fund balance in excess of the required reserves.

The City will limit the total of its general obligation long-term borrowing to 10% of the assessed value of all property as per the most recent tax digest. The City will attempt to keep the average maturity of general obligation bonds at or below ten years. All efforts shall be made to limit the long-term debt maturity schedule to the estimated useful life of the capital asset constructed or purchased. Annual budget appropriations shall include debt service payments (including interest) and reserve requirements for all general long-term debt currently outstanding.

Revenue Policies

The City levies property taxes and assesses the 1% Local Option Sales Tax and the Special Local Option Sales Tax. In addition, the City assesses user charges for garbage, water and sewer activities, public works, public safety, and human resources. The

following policies provide guidance regarding the assessing and collection of these revenues.

- The City will attempt to maintain a diversified and stable revenue system to shelter the City from short-fund fluctuations in any single revenue source. The revenue mix should combine elastic and inelastic revenue sources to minimize the effect of economic downturns.
- The City will work towards diversifying its revenue base in order to reduce its dependence upon property taxes.
- The City will strive to keep the revenue system simple which will result in a decrease of compliance costs for the taxpayer or service recipient and a corresponding decrease in avoidance to pay.
- The revenue system of the City will strive to maintain equity in its structure. That is, the City will seek to minimize or eliminate all forms of subsidization between entities, funds, services, utilities, and customers. However, it is recognized that public policy decisions may lead to subsidies in certain circumstances.
- The City will establish fees and user charges at a level related to the total cost (i.e. operating, direct, indirect and capital or debt service) of providing that service.

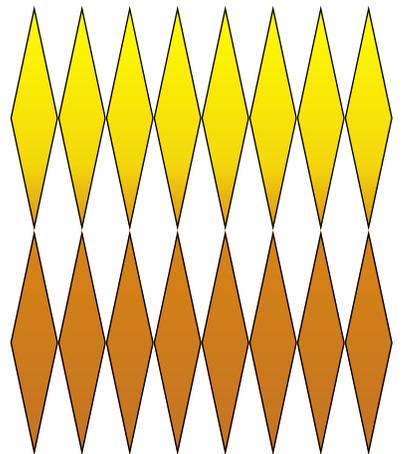

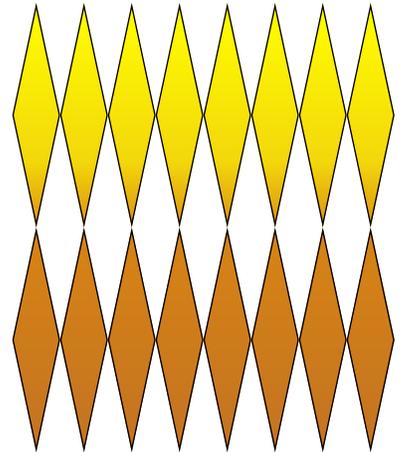

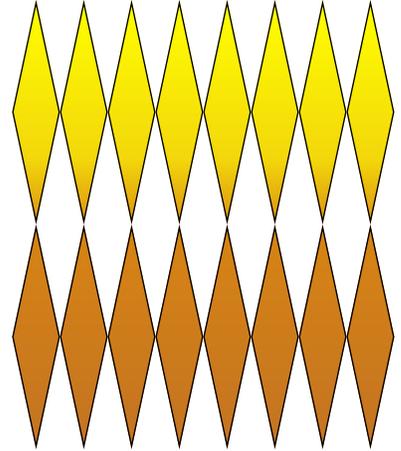

Reserve Policy

As of July 1, 2010, the City implemented GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. Per the fund balance policy, “The City will maintain at a minimum, unassigned fund balance in its General Fund of no less than four months of regular General Fund operating revenues or regular General Fund operating expenditures.”

The City will attempt to establish and maintain a fund balance reserve for the general fund to pay expenditures caused by unforeseen emergencies, for shortfalls caused by revenue declines and to eliminate any short-term borrowing for cash flow purposes. All other funds must never incur negative fund equity.

Financial Summary

The chart shown below “The combined statement of budgeted revenues, expenditures and changes in fund balance” depicts which fund will utilize reserves in FY 2014.

The Funds that are utilizing an appropriation of fund balance or retained earnings for FY 2014 operations are:

- General Fund: \$314,301- FY 2013 surplus to pay for salary increase for employees, one time purchases, capital cost and debt retirement.
- Water/Sewer Fund: \$225,069 – reserves to pay for capital cost and debt retirement.

Combined Statement of Revenue, Expenditures and Change in Fund Balance

General Fund

The General Fund is the primary operating fund for the City. This is a major governmental fund and accounts for all financial resources of the general government, with the exception of those accounted for in specific funds. The “Transfers In” represents transfers from the Multi-Grant Fund for a grant that pays for fire equipment. The “Transfers Out” includes transfer to Special Revenue Tourism Fund to assist with operations.

Multi-Grant Fund

The Multi-Grant Fund is used to account for all City grants. The City has a Georgia Emergency Management Agency – Safety/Hazmat material grant budgeted in FY 2014. These funds are reserved for specific purposes that aid in providing “Quality of Life” for St. Marys citizens.

Special Revenue Hotel/Motel

The St. Marys Convention and Visitors Bureau (Special Revenue - Tourism Fund) was created for the purpose of promoting tourism in the City of St. Marys. The City of St. Marys collects the hotel/motel tax at a rate of 6%. At this time, all funds are turned over to the St. Marys Convention and Visitors Bureau.

Special Purpose Local Option Sales Tax Fund

The Special Purpose Local Option Sales Tax (SPLOST) is a 1% sales tax voted in by citizens for the purpose of capital projects. Currently available in St. Marys is SPLOST VI and SPLOST VII. These funds are slated for the capital improvements of qualifying projects such as roadways, walkways, storm drainage, traffic signals, sewer, debt retirement, equipment and government facilities.

Water and Sewer Enterprise Fund

The Water and Sewer Enterprise Fund accounts for the operations of water distribution and sewer collection systems and other activities that support these functions.

Solid Waste Fund

The Solid Waste Fund accounts for the operations of trash and recycling collection system and other activities that support the function.

Aquatic Center Fund

The Aquatic Center Fund accounts for the operations of a small scale water park.

Lazy River at the St. Marys Aquatic Center

FY 2014 Fund Balance Summary

	Beginning FY 2014 Fund Balance	Anticipated Revenues	Anticipated Expense	Projected Change in Fund Balance	Estimated Ending FY 2014 Fund Balance
<u>Governmental Funds</u>					
General	\$ 5,009,391	\$ 8,246,649	\$ 8,560,950	\$ (314,301)	\$ 4,695,090
Multi-Grant	\$ 407,328	\$ 7,500	\$ 7,500	\$ -	\$ 407,328
C & V Bureau	\$ 313	\$ 142,573	\$ 142,573	\$ -	\$ 313
Hotel/Motel	\$ -	\$ 115,322	\$ 115,322	\$ -	\$ -
SPLOST	\$ -	\$ 4,314,289	\$ 4,314,289	\$ -	\$ -
Governmental Funds Total	\$ 5,417,032	\$ 12,826,333	\$ 13,140,634	\$ (314,301)	\$ 5,102,731

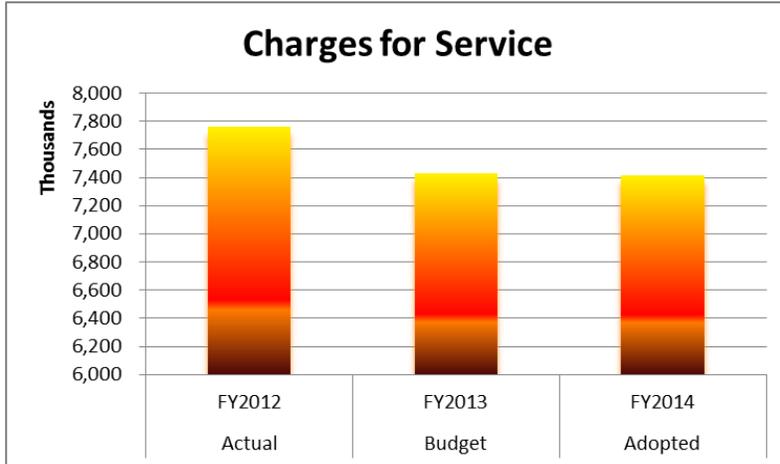

The Governmental Funds that are utilizing an appropriation of fund balance for FY 2014 operations are:

- General Fund: \$314,301- FY 2013 surplus to pay for salary increase for employees, one time purchases, capital cost and debt retirement.

Revenue Analysis

Charges for Services

This revenue source includes revenues generated for services such as water and sewer, solid waste, tourism and recreation.

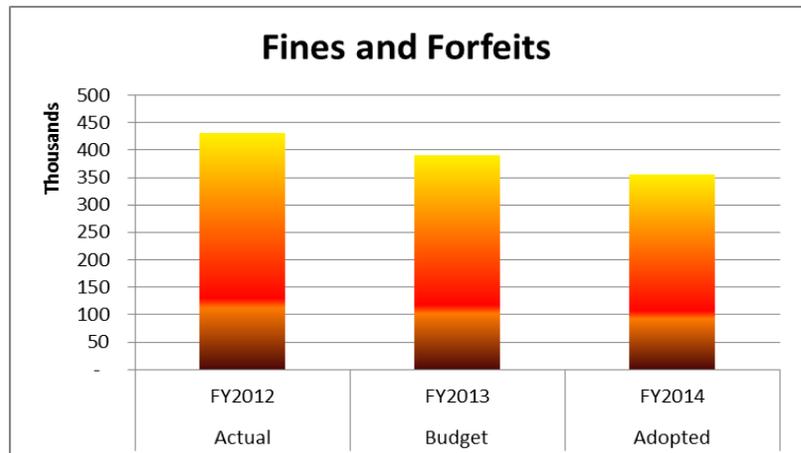

Assumptions: Due to economic conditions, a 4% decrease has been realized in charges for services since FY 2012. Water and sewer fees have remained consistent over the past three years while construction fees realized a decrease. Water and sewer fees are billed on a tiered rate structure to encourage conservation. The decrease in

charges encompassed construction fees, solid waste collections, tourism and recreation. Overall, charges for service have remained consistent in FY 2014 over FY 2013.

Fines and Forfeitures

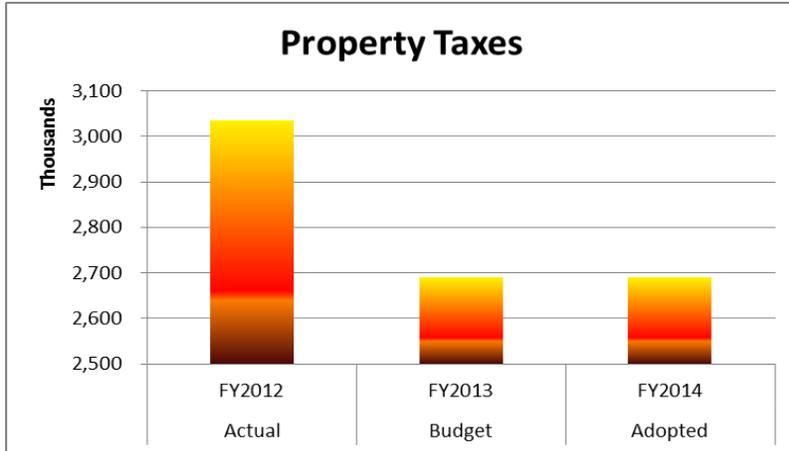

Traffic fines and citation fees collected by the Municipal Court constitute this category of revenue.

Assumptions: With the downturn of the economy and decrease in tourism, this has affected fees negatively along with the number of decreased officers that are on the street.

Property Taxes

This category of revenue includes real estate and personal property taxes levied on residential and commercial property to support the General Fund.

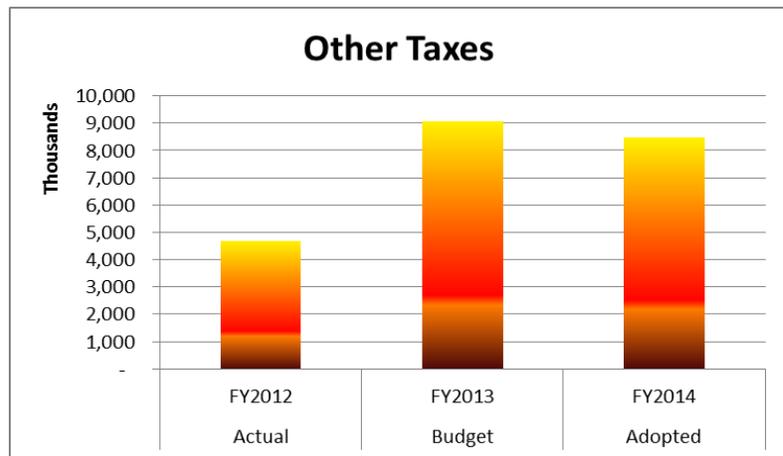

Assumptions: The City of St. Marys' millage rate for the General Fund has remained the same over the past few years at 5.351 mills. The City realized an 8% decrease in the digest in FY 2013. The property taxes have been budgeted in FY 2014 to be consistent with FY 2013.

Other Taxes

This category of revenue includes franchise fees, state insurance premium tax, alcoholic beverage excise tax, 1% sales tax (LOST & SPLOST) and real estate transfer tax.

Assumptions: Franchise fees are expected to decrease slightly in FY 2014. The decrease is due to vacancies in the area. The gas, cable and telephone fees remained stable in FY 2012 and FY 2013. Insurance premium tax has shown a slight increase in the last two years. LOST (Local Option Sales Tax) has been

inching up in the last two years. It is budgeted to increase 1.5% in FY 2014. The City currently has SPLOST VI (Special Purpose Local Option Sales Tax) funds available that will be used for mostly sewer infrastructure in the Gaines Davis areas. SPLOST VII was also used for drainage, roads, streets, sidewalks, other sewer infrastructure and buildings. Voters approved SPLOST VII in March 2013 which will be used for equipment for various departments, infrastructure and debt retirement.

Licenses and Permits

This category of revenue includes business and occupation licenses and construction permits.

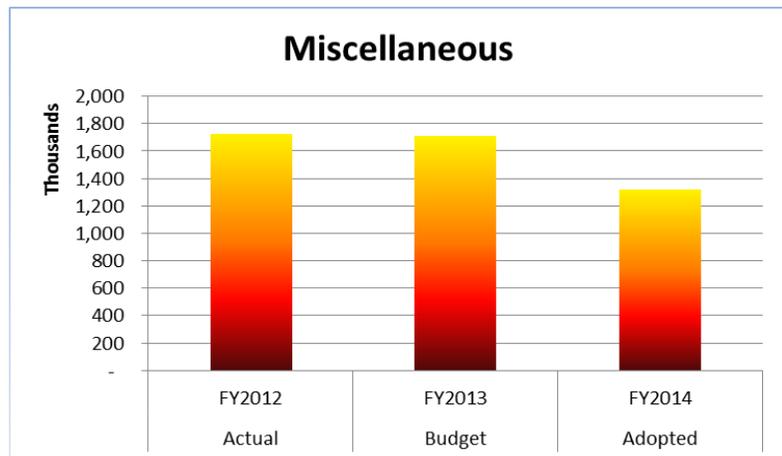

Assumptions: All categories of revenues have seen a decrease from FY 2012 due to the economic decline. At the end of FY 2013, we saw a slight increase in licenses and fees. The City conservatively budgeted license and permits, which displays an increase in FY 2014.

Miscellaneous Revenue

This category includes a wide variety of revenue sources throughout all funds such as donations, rental income, interest income, proceeds from inventory and fixed assets, sales and miscellaneous receipts.

Assumptions: The largest portion of this category is made up from rental income and grant revenue. Rental income has remained stable over the last several years. This is due to the lease the City has with the United States Coast Guard which shares a facility with our Police Department. The major decrease in FY 2014 was the

loss of the "SAFER Grant" that funded six additional fire fighter positions. Overall, this category of revenue is inconsistent in nature. Many of the revenues occur randomly and they are not likely to be included in the adopted budget. Therefore, all miscellaneous sources are budgeted based on the trends of recent years.

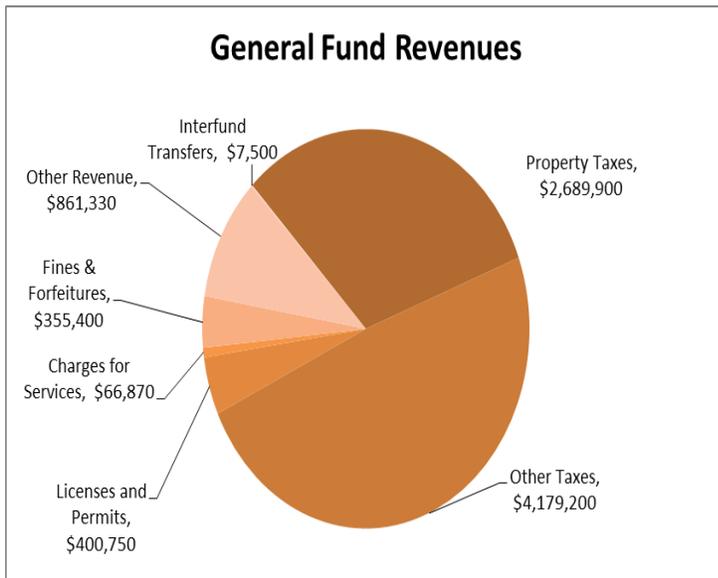

Revenue Summary

The City of St. Marys revenue is derived from five basic categories, charges for services, taxes, other taxes, licenses and permits, fines and forfeits and miscellaneous revenues.

General Fund

The General Fund differs from the other funds because it has a variety of revenue sources and increases and decreases can be seen across all the categories.

Property tax collections provide revenue for the General Fund for maintenance and operations. The millage rate is slated to be adopted at the collection rate of FY 2013. Property taxes account for 31% of the General Fund revenue. Other taxes, which consist of insurance premium tax, franchise taxes, mobile home tax, real estate tax, local options sales tax, and other miscellaneous taxes, make up 49% of the General Fund revenue.

At the end of FY 2013, we saw a slight increase in license and fees due to a rise in construction and foresee this trend to continue in FY 2014.

Traffic fines and citation fees have decreased due to the economy, a decrease in tourism, and a decrease in the number of officers that are on the street.

It is expected that the gas, cable and telephone fees will remain stable in FY 2014, with a slight decrease in the insurance premium tax. Due to the fact that it has been steadily increasing over the past two years, it is anticipated that LOST (Local Option Sales Tax) will increase 1.5% in FY 2014.

Charges for services have decreased due a drop in cemetery plot sales and services provided internally to SPLOST. Miscellaneous revenue (other revenue) has remained stable due to rental income from the lease agreement with the U. S. Coast Guard. Interfund transfers decreased due to the loss of the “SAFER Grant” that provided funding for additional fire fighters.

Revenue Summary

Multi-Grant Fund

Due to the loss of the “SAFER Grant” the Multi-Grant revenue has decreased for FY 2014. The City has a Georgia Emergency Management Agency – Safety/Hazmat Material Grant, which is reserved for specific purposes, budgeted in FY 2014.

Special Revenue Hotel/Motel

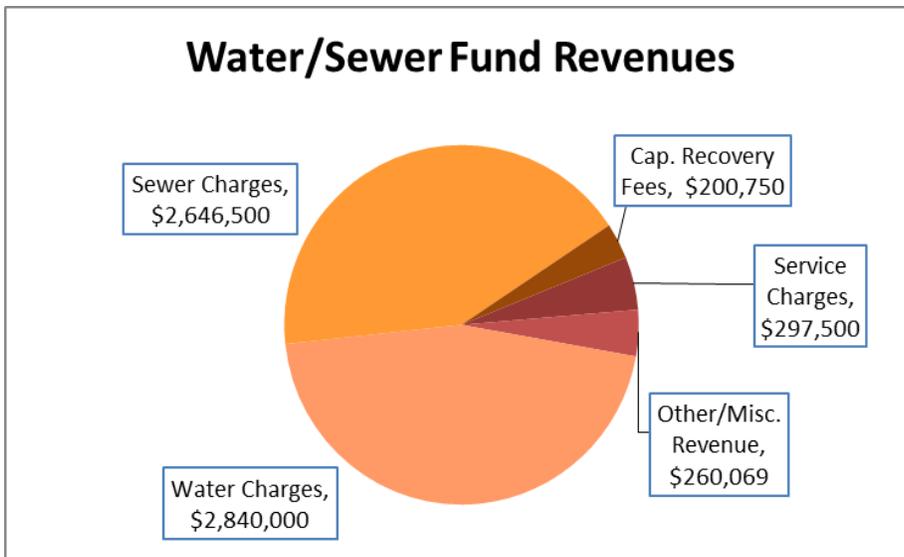

The Convention and Visitors Bureau has seen the effects of the downturn in the economy, but it is anticipated that the level of revenue generated from the Hotel/Motel tax will be consistent with FY 2013.

Special Purpose Local Option Sales Tax Fund

With the passage of SPLOST VII in March 2013, the revenue for the City’s SPLOST fund will concur with that of FY 2013.

Water and Sewer Enterprise Fund

The City’s Water and Sewer revenues are projected to drop slightly due to a decrease in Miscellaneous Income, which is inconsistent in nature. The Water and Sewer fees have remained consistent over the past three years and it is expected to remain in this trend for FY 2014.

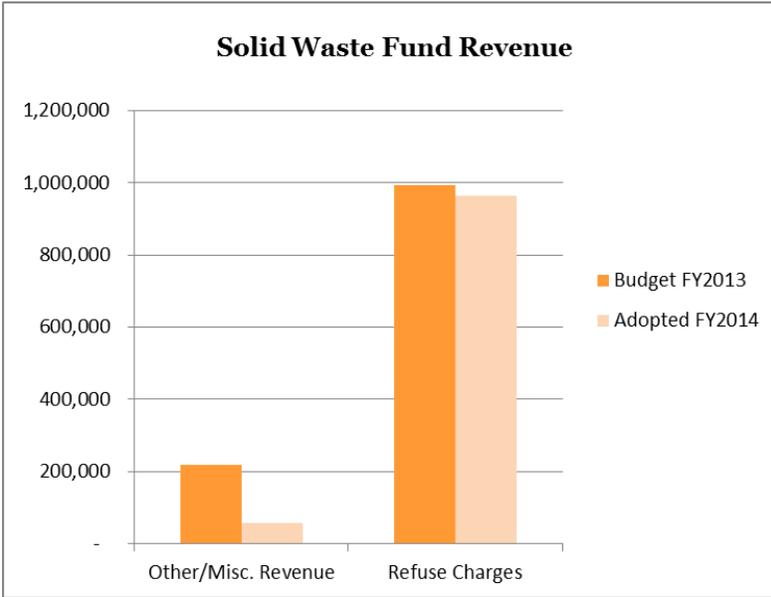

Charges for services encompass the majority of the revenue in the Water and Sewer Fund at 88% for FY 2014. Sewer charges account for 42% of revenue and water charges account for 46% of revenue.

Revenue Summary

Solid Waste Fund

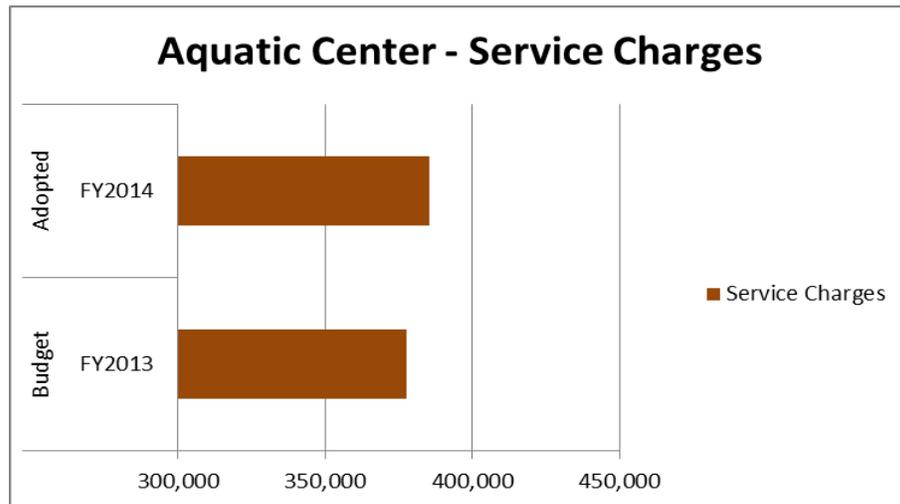

The Solid Waste Fund accounts for the operations of trash, recycling collection system, and other activities that support the function. The main sources of revenues are charges

for services. In FY 2014, the administration fee was reduced for new accounts. The decrease in the administration fee along with the negative effect of the economy has accounted for the reduction of revenue.

Aquatic Center Fund

The Aquatic Center Fund accounts for the operations of a small scale water park. The revenue for the Aquatic Center has increased slightly over FY 2013. We believe this is because less people are traveling out of town and it is a great destination for day trips.

Expenditure Summary

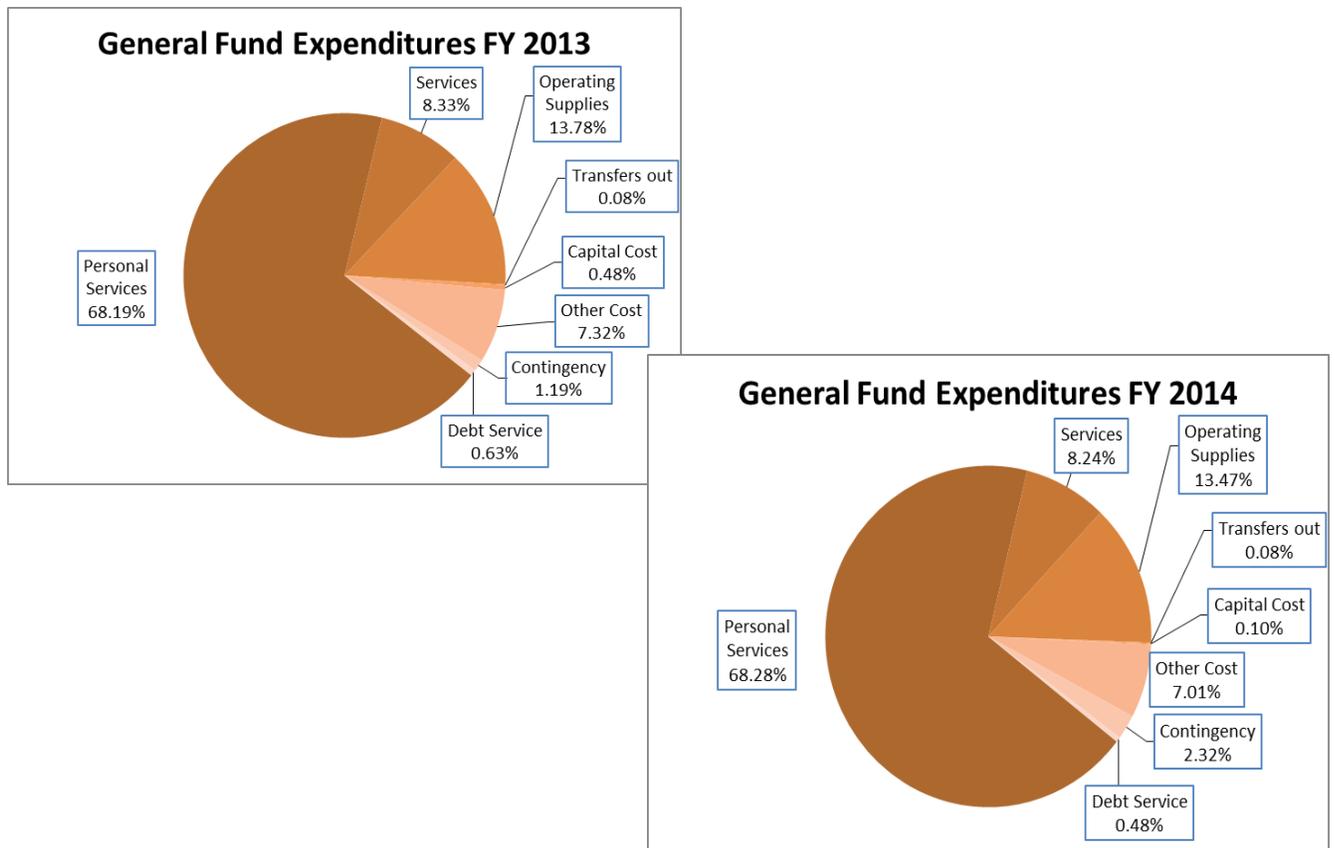

The City of St. Marys' expenditure budget is conservative across the board for all funds. With the continued decline in revenues, the City has made appropriate adjustments to ensure that level of service its' Citizens deserve is still provided.

General Fund

The total FY 2014 expenditure budget for the General Fund increased approximately 1.8% over the FY 2013 budget. This was due to a salary increase voted in by City Council and an increase in health insurance premiums that the City absorbed. A hiring freeze still remains in effect throughout the City. The graph below displays the distribution of funds by function for FY 2013 and FY 2014. Relatively all expenditure catagories remained stable.

Due to limited revenues, the City has not been able to allocate significate resources for capital needs in FY 2014. SPLOST VII revenues have been allocated to equipment purchases; therefore, capital needs have been allocated to that fund.

The Operating Budget is a balanced budget that conforms to state law.

Expenditure Summary

Multi-Grant Fund

The Multi-Grant Fund is used to account for all City grants. The City has a Georgia Emergency Management Agency – Safety/Hazmat Material Grant budgeted in FY 2014. These funds are reserved for specific purposes that aid in providing “Quality of Life” for St. Marys citizens.

Special Revenue Hotel/Motel

The St. Marys Convention and Visitors Bureau (Special Revenue - Tourism Fund) was created for the purpose of promoting tourism in the City of St. Marys. The City of St. Marys collects the hotel/motel tax at a rate of 6%. At this time, all funds are turned over to the St. Marys Convention and Visitors Bureau. Due to the economy and the decrease in tourism, this fund has decreased from last year.

Tours available by the St Marys Convention and Visitor Bureau.

Special Purpose Local Option Sales Tax Fund

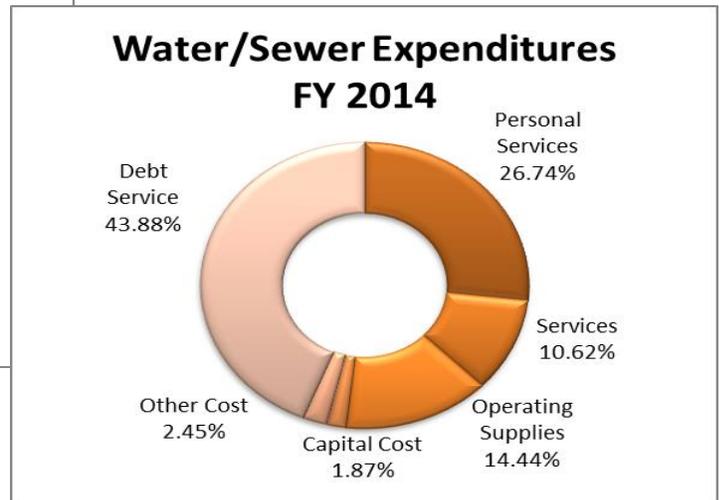

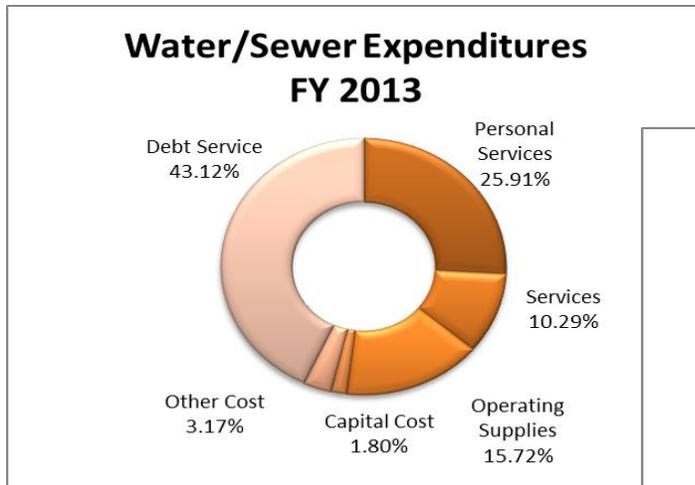

The Special Purpose Local Option Sales Tax (SPLOST) is a 1% sales tax voted in by citizens for the purpose of capital projects. The SPLOST VI and SPLOST VII funds are slated for the capital improvements of qualifying projects such as roadways, walkways, storm drainage, traffic signals, sewer, equipment, and government facilities.

Expenditure Summary

Water and Sewer Fund

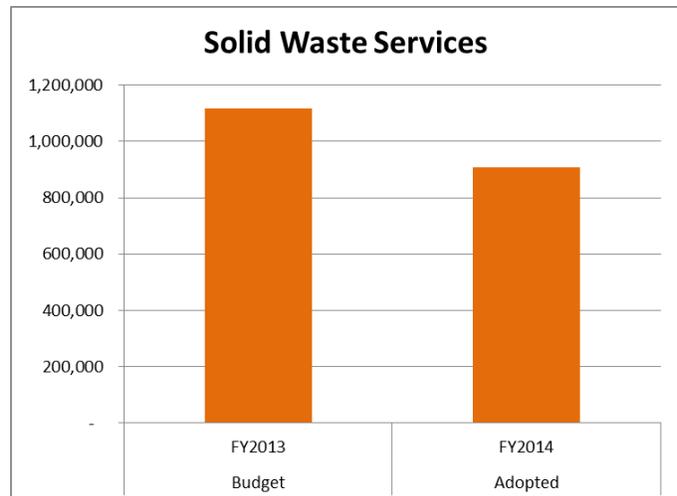

The total FY 2014 expenditures decreased approximately 2.6% over last year. This is due to the closure of one waste water treatment plant. The personal services increased slightly due to an increase for employees. This is the first salary increase since FY 2008. Also, an increase was realized in health premiums.

Water and Sewer capital costs have remained constant from FY 2013 to FY 2014. SPLOST VII was voted in by citizens, which will help provide capital equipment for this fund. By using SPLOST funds to purchase equipment, the City will be able to acquire equipment without passing the cost on to its citizens.

Solid Waste Fund

The Operating Budget for the Solid Waste Fund represents a decrease in expenses over last year. The Solid Waste services were re-bid in FY 2013. The City obtained a lower monthly cost per resident. The reduced cost of the contract relieved the City from dipping into Fund Equity.

Expenditure Summary

Again this year, the greatest challenge on the expense side has been an increase in health costs. The FY 2014 budget currently reflects an 18% projected increase in health insurance premiums. Council approved a pay increase for employees, which is the first increase since 2008.

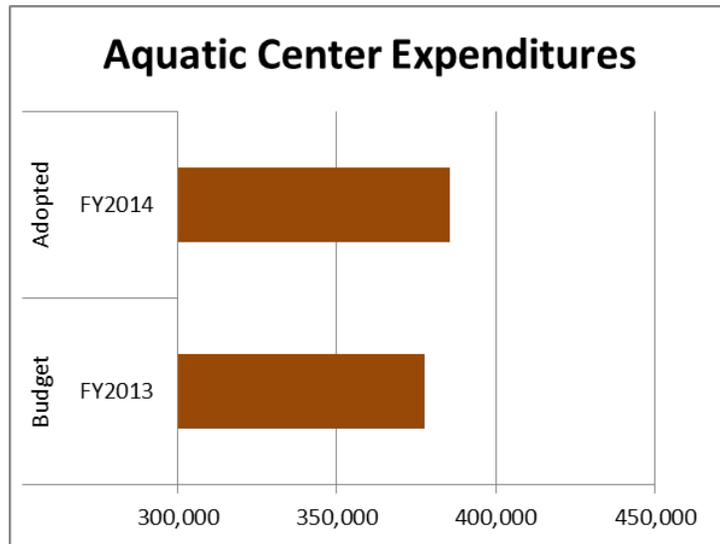

The Operating Budget is not a requirement of state law; however, it is a balanced budget that serves as a management tool.

Aquatic Center Fund

The Operating Budget for the Aquatic Center Fund represents a slight increase in expenditures from the previous year of \$7,798. The Operating Budget is not a requirement of state law; however, it is a balanced budget that serves as a management tool.

In the past several years, the General Fund has subsidized the Aquatic Center Fund. In FY 2013, the rates were adjusted according to market prices in this area to cover the cost of operations.

The City has contracted with the Camden County Public Service Authority to manage the facility. All personnel are contracted through them.

Intentionally Blank

Aggregate Debt Service

The City of St. Marys currently has outstanding debt which includes GEFA loans, revenue bonds, and debt financing.

General Government

Long Term Debt – The City of St. Marys authorizes the issuance of debt financing which is used to provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current revenues. As of June 30, 2013, the City's governmental activities had one outstanding note in the amount of \$50,980.26. This note above is a general obligation, and is not secured by ad valorem property taxes, and does not constitute a debt of the City with the meaning of the constitutional limitation upon indebtedness.

Limitations on City Debt

The Constitution of the State of Georgia provides that the City may not incur long-term obligations payable out of general property taxes without the approval of a majority of qualified voters of the City voting at an election called to approve the obligations. In addition, under the Constitution of the State of Georgia, the City may not incur long-term obligations payable out of general property taxes in excess of ten percent of the assessed value of all taxable property within the City. Proceeds of long-term debt will not be used for current, ongoing obligations. According to the 2012 tax digest, the assessed value of taxable property in St. Marys was \$574,024,600. Therefore, St. Marys' long-term obligations payable could not exceed \$57,402,460 (or 10% of the assessed value).

Enterprise Funds

The City of St. Marys authorizes the issuance of debt financing which is used to provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current revenues.

During the year 1992, the City issued revenue bonds for the purpose of refunding and providing for payment and redemption of certain refundable, outstanding, St. Marys Water and Sewer Capital Improvement and Refunding Revenue Bonds, Series 1988. The principal amount of the bonds was \$4,770,000. The bonds were dated November 1, 1992. The Revenue Bonds were issued for infrastructure and are backed by user fees. It will be paid in full in 2018. The principal balance at June, 30, 2013 was \$2,130,000.

The City issued 2007 Series Bonds through the Camden County Public Service Authority on December 20, 2007 in the amount of \$43,695,000. The Bonds were variable rate demand revenue bonds. The bonds were issued for the expansion of the Point Peter

Waste Water Plant. On September 30, 2010, the City refunded the Series 2007 Bonds, through the Camden County Public Service Authority, with Series 2010 Bonds. The 2010 Series Bond encompassed the refinancing of two GEFA loans (97-L97-WS and 98-L46-WJ). The bonds were financed for 22 years with the first three years as interest only. The principal balance of the 2010 Series Bond is \$41,455,000.

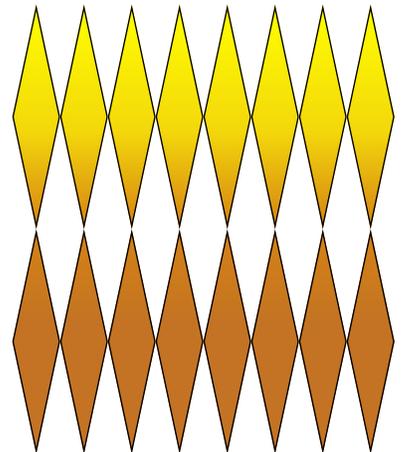

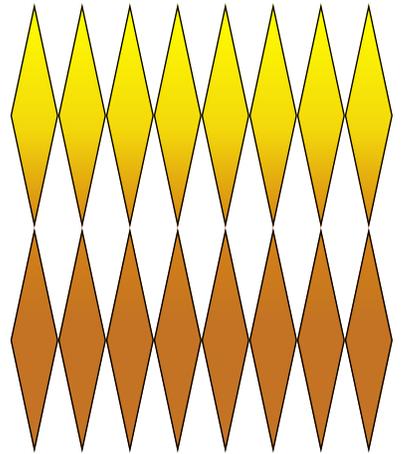

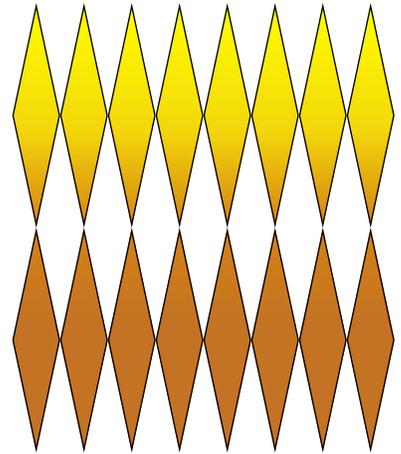

The City currently has 2 outstanding GEFA loans which are being used to provide needed capital equipment and infrastructure improvements.

Below is an all-inclusive list of the City's debt.

Governmental Funds

General Fund

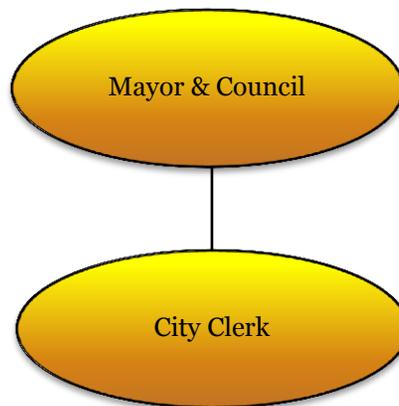

The General Fund is the primary operating fund for the City. This is a major governmental fund and accounts for all financial resources of the general government, with the exception of those accounted for in specific funds.

Legislative Department Organizational Chart FY 2014

Legislative

Purpose Statement:

The Legislative Department supports the quality of life of the City by providing accurate information to the public.

Departmental Goals (including, but not limited to):

1. Provide accurate information in a timely manner to customers.
2. Develop ways to increase use of website by people requesting information.
3. Consolidate archived hard copy, official record into electronic format to reduce storage and maintenance costs.

Performance Measures	2012	2013	2014
Outcome Measures	Actual	Goal/Actual	Goal
1. Percent of City Council rating quality and accuracy provided as "good" or above.	N/A	100%/100%	100%
2. Percent of Management Team rating quality and accuracy provided as "good" or above.	N/A	100%/100%	100%

Capital Outlay Overview

For FY 2014, this department does not have any capital outlay expenditures planned.

Budget Summary

The overall increase in this budget is \$41,206 or 22.9% from last year's budget. The net increase is a combination of an increase in travel and education and an increase in election expense.

Personnel

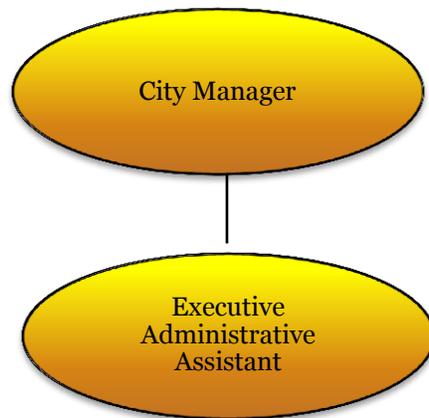

Personnel remained constant from FY 2013 to FY 2014. The Legislative Department accounts for the salary for the Mayor and the six Councilmembers and the City Clerk.

Executive Department Organizational Chart FY 2014

Executive Department

Purpose Statement:

The Executive Department supports the quality of life of the City by providing organizational leadership and assures quality program outcomes.

Departmental Goals (including, but not limited to):

1. Improve the level of communication to City Council, and City Departments.
2. Implement City Council decisions and goals.
3. Implement directives from the Mayor and City Council, including identified capital projects and initiatives noted in the budget.
4. Continue to work with Department Heads and employees to review City operations for efficiencies and effectiveness.
5. Work with employees to increase dissemination of information about the City to citizens and employees.
6. Develop ways to increase and improve providing information to the public about the City.
7. Increase educational efforts for citizens regarding City operations and issues.
8. Improve customer service of the City in responsiveness to citizens.
9. Increase training opportunities for City employees.

Capital Outlay Overview

For FY 2014, this department does not have any capital outlay expenditures planned.

Budget Summary

The overall decrease in this budget is \$307 or .001% from last year's budget. The change in the budget is due to an increase in salaries and a reduction in small equipment - furniture.

Personnel

Personnel remained constant from FY 2013 to FY 2014. The City Managers' salary is split between General Fund and Water-Sewer Fund.

Capital Outlay Overview

For FY 2014, this department does not have any capital outlay expenditures planned.

Budget Summary

Overall decrease of \$2,155 or 1.4% from last year's budget. The decrease is due to reduction in building repairs.

Personnel

No personnel are allocated to this department.

Municipal Court Organizational Chart FY 2014

Municipal Court

Purpose Statement:

The Municipal Court supports the quality of life of the City by ensuring impartial due process.

Departmental Goals (including, but not limited to):

1. Continue to provide fair efficient adjudication of all matters brought before the Court.
2. Integrate procedures to reduce procedural and information/data entry redundancy among departments.
3. Assist in developing an alternate court location or improving waiting circumstances for people using the courtroom.
4. Research ways to reduce the necessity of defendants appearing in court.

Fire Department Organizational Chart FY2014

Fire Department

Purpose Statement:

The Fire Department supports the quality of life of the City by ensuring the protection and preservation of life and property.

Departmental Goals (including, but not limited to):

1. Provide prompt emergency response to control fires and mitigate hazardous conditions throughout the City.
2. To provide property fire protection to reduce fire loss and to minimize the dollar amount of property value loss to fire damage in structures.
3. Provide timely review of fire related building plans.
4. Maintain or approve upon current Insurance Service Office (ISO) rating.
5. Increase fire prevention education and activities in the community.
6. Continue to provide existing level of service within the approved budget.
7. Continue to oversee the development of Supervisory Employee Development Program.

Performance Measures	2012	2013	2014
Outcome Measures	Actual	Goal/Actual	Goal
1. Percent of respondents designating fire service as "good" or above within reporting period.	N/A	90%/90%	90%
2. Percentage of residential fires confined to room of origin.	N/A	90%/90%	90%
3. Property loss from fire as a percentage of the value of the property exposed.	21.86%	18%/29%	20%
4. Percentage of return on investment (Fire Department Budget to property saved value).	52.43%	110%/106%	50%

Special Revenue,
Capital
Improvement,
Enterprise Funds

Multi-Grant Fund

The Multi-Grant Fund is used to account for all City grants. The City has a Georgia Emergency Management Agency – Safety/Hazmat material grant budgeted in FY 2014. These funds are reserved for specific purposes that aid in providing “Quality of Life” for St. Marys citizens.

Special Revenue Hotel/Motel

The St. Marys Convention and Visitors Bureau (Special Revenue - Tourism Fund) was created for the purpose of promoting tourism in the City of St. Marys. The City of St. Marys collects the hotel/motel tax at a rate of 6%. At this time, all funds are turned over to the St. Marys Convention and Visitors Bureau.

Special Purpose Local Option Sales Tax Fund

The Special Purpose Local Option Sales Tax (SPLOST) is a 1% sales tax voted in by citizens for the purpose of capital projects. Currently available in St. Marys is SPLOST VI and SPLOST VII.

Water and Sewer Enterprise Fund

The Water and Sewer Fund accounts for the operations of water distribution and sewer collection system and other activities that support these functions.

Solid Waste Fund

The Solid Waste Fund accounts for the operations of trash and recycling collection system and other activities that support the function.

Aquatic Center Fund

The Aquatic Center Fund accounts for the operations of a small scale water park.

SPLOST

Capital Outlay Overview

SPLOST is a capital improvements fund that is used to purchase capital equipment. Items included in the FY 2014 include:

Police Cars \$80,000
IT Server \$15,000
IT Storage and Accessories \$31,800
Generator Mission Trace Plant \$150,000
Generator Repair \$50,000
Demolition of Weed Street Plant \$30,000
Alarm System PPWWTP and Water System \$10,489
Colerain Road Relocation Plan \$25,000
Gaines Davis Sewer Project \$3,750,000
City Buildings \$30,000
LMIG/Misc. Road Projects \$142,000

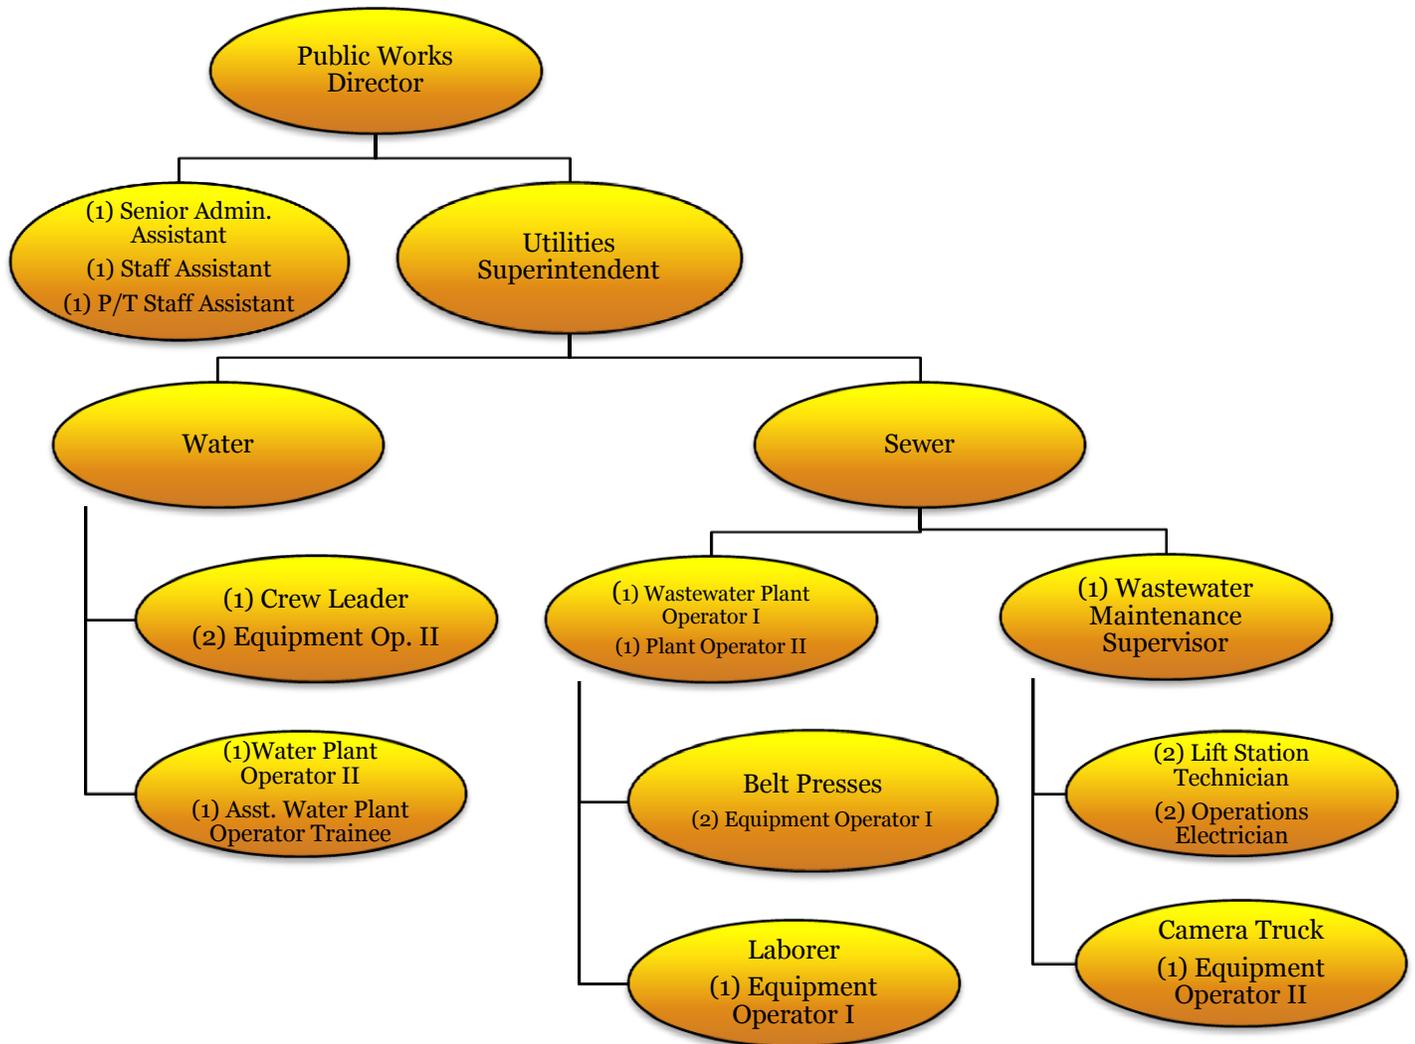

Budget Summary

SPLOST VI decreased due to construction of projects. This is the first year for SPLOST VII which was voted on in March 2013.

Personnel

Personnel are not budgeted in this department.

Water & Sewer Departments Organizational Chart FY 2014

Sewer Department

Purpose Statement:

The Sewer Department supports the quality of life of the City by providing safe disposal of sanitary sewer.

Departmental Goals (including, but not limited to):

1. Continue to meet Environmental Protection Department (EPD) permit regulations.
2. Continue to reduce the amount of infiltration into the Sewer System.
3. Shut down and demolish the Weed Street Wastewater Treatment Plant.

Performance Measures	2012	2013	2014
Outcome Measures	Actual	Goal/Actual	Goal
1. Compliance rate with EPD mandated testing.	100%	100%/100%	100%
2. Percent of survey respondents who rate the quality of the sanitary Sewer System as "good" or above.	76%	90%/79%	80%
Efficiency/Effectiveness Indicators	Actual	Actual	Projected
1. Percent of sewer back-ups responded to within one hour of notification.	100%	100%/100%	100%
2. Percent of sewer line breaks repaired within two hours after locates are completed.	97%	95%/99%	95%
3. Percent of water samples tested which meet established EPD requirements.	100%	100%/100%	100%
4. Number of properties damaged as a result of Sewer System failures.	0	0/1	0
5. Percent of Sewer Systems cleaned every year.	3%	5%/1%	3%
6. Departmental expenditures per capita.	\$210.59	\$125.94/127.15	\$121.19
Workload/Service Level Indicators	Actual	Actual	Projected
1. Citizen inquiries/service requests completed.	130	115/132	130

Sewer Department

Workload/Service Level Indicators	Actual	Actual	Projected
2. Total number of employees.	12.5	12.5/12.5	11.5

4. Locate requests completed.	1,447	1,440/2,068	1,500
5. Number of blockage/odor/break complaints received.	91	70/120	90
6. Total gallons treated.	503,198,000	532,000,000/ 870,876,406	550,000,000
7. Total tons of sludge disposed.	967.22	1,500/2449	1,500
8. Total inches of rainfall.	62.3	33/102.1	33
9. Number of lift stations.	70	75/70	75
10. Number of lift station alarm calls received.	128	500/858	500

Water Department

Purpose Statement:

The Water Department supports the quality of life of the City by ensuring the availability of safe, quality drinking water.

Departmental Goals (including, but not limited to):

1. Continue to meet Environmental Protection Department (EPD) permit regulations.
2. Continue to lessen the amount of unaccounted for water.
3. Improve efficiency of Water Plants by installing Chlorine Residual Analyzers.

Performance Measures	2012	2013	2014
Outcome Measures	Actual	Goal/Actual	Goal
1. Compliance rate with EPD mandated testing.	100%	100%/100%	100%
2. Water Audit Validity Score (out of 100).	60%	80%/61%	65%
3. Percent of survey respondents that rate the water quality as "good" or above.	29%	90%/71%	90%
Efficiency/Effectiveness Indicators	Actual	Goal/Actual	Projected
1. Percent of fire hydrants repaired within five days.	80%	85%/33%	80%
2. Peak day water demand as a percentage of capacity.	24%	25%/33%	30%
3. Departmental expenditures per capita.	\$79.12	\$84.83/\$85.64	\$82.05

Capital Outlay Overview

For FY 2014, this department budgeted \$108,500 in capital outlay expenditures for the purchase of pumps for the wastewater system, mower and security fencing.

Budget Summary

Overall decrease of \$67,019 or 2.9% from last year's budget. The net decrease is due to the closure of a waste water treatment plant.

Personnel

Personnel were reduced by one FTE due to the closure of a waste water treatment plant from FY 2013 to FY 2014. The Finance Department, City Manager and Public Works employee's salary are split between General Fund and Water-Sewer Fund.

Water Department

Capital Outlay Overview

For FY 2014, this department budgeted \$8,500 in capital outlay expenditures for the purchase of a mower.

Budget Summary

Overall decrease of \$61,478 or 4.2% from last year's budget. The net decrease is due to reduction in capital cost, an increase in salaries, and a decrease in other purchased services, and supplies.

Personnel

Personnel remained constant from FY 2013 to FY 2014. The Finance Department, City Manager and Public Works employee's salary are split between General Fund and Water-Sewer Fund.

St. Marys Aquatic Center Expenditures

Capital Outlay Overview

For FY 2014, this Fund does not have any capital outlay expenditures planned.

Budget Summary

Overall the budget increased \$7,798 or 2% from last year's budget. The net increase is due to increase in utilities.

Personnel

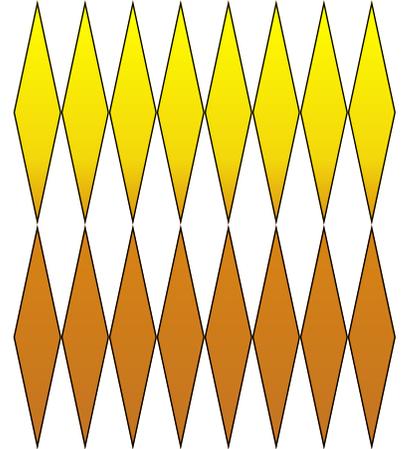

The City outsourced the management of the facility to the Camden County Public Service Authority in FY 2014.

Aquatic Center

FTE Summary

Position	Actual FY 2012	Actual FY 2013	Actual FY 2014
Life Guard	3.75	3.75	0
Aquatics Supervisor	1.1	1.1	0
Guest Services	3.75	3.75	0
Aquatic Center Director *	0	0	0
FTE Positions	8.6	8.6	0

* Outsourced in FY 2013

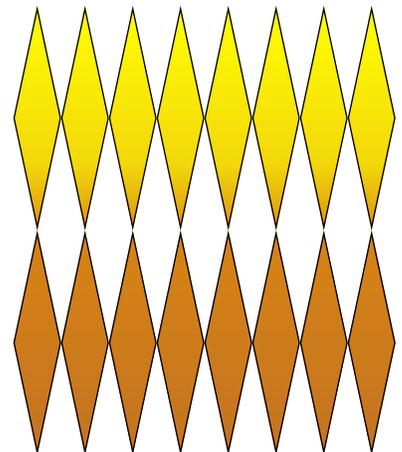

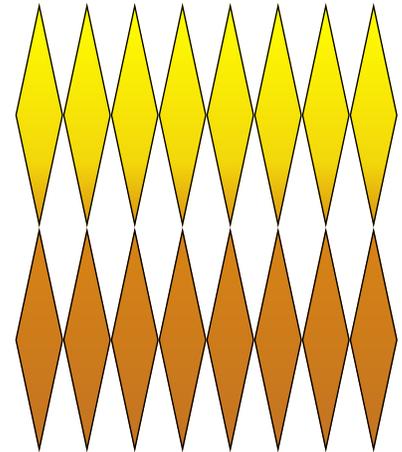

FY 2014 – FY 2018

Capital

Improvement

Program

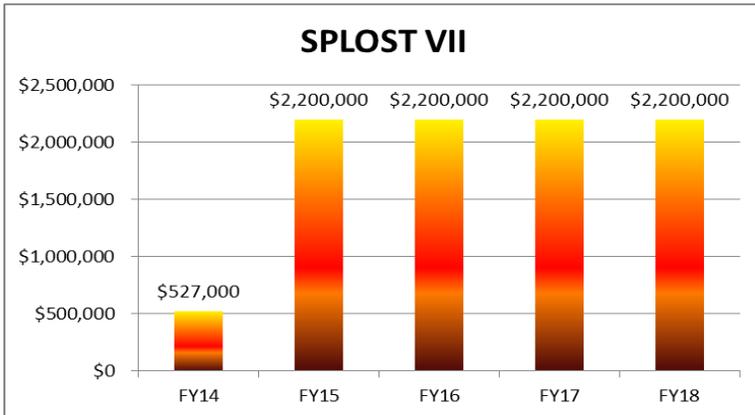

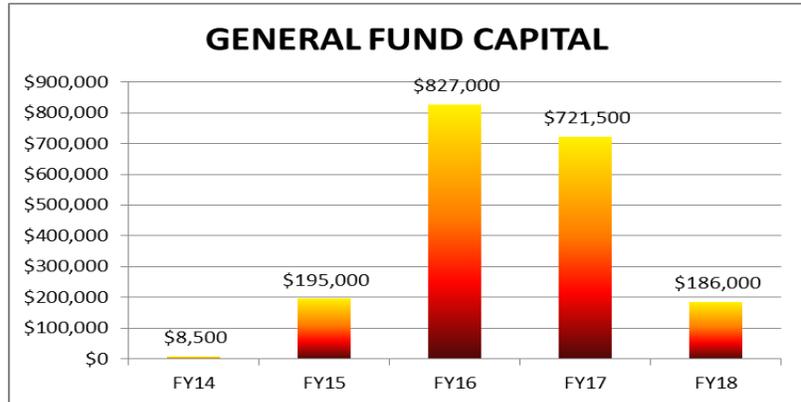

CAPITAL SUMMARY

The City of St. Marys developed a Five-Year Capital Improvement Program (CIP) as part of the budget. The capital threshold for St. Marys is \$5,000 or more. This program identifies project/equipment cost and the timing of necessary financing arrangements over a five-year planning period.

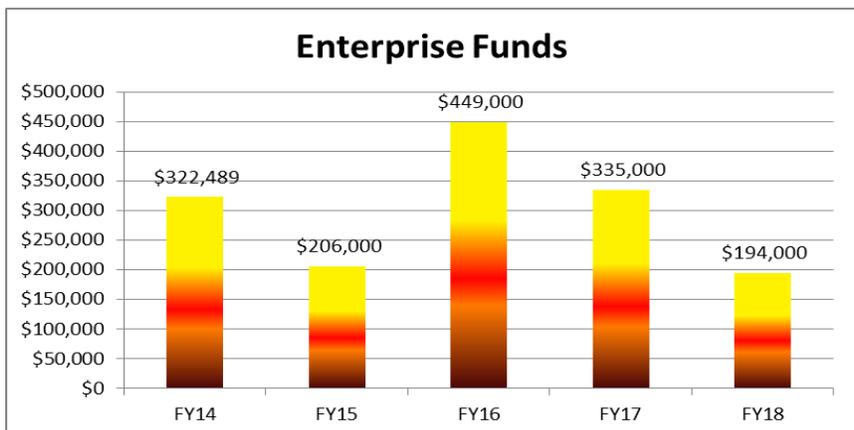

The purpose of the CIP is to establish direction over five fiscal years and to help plan replacement of aging assets. The CIP allows for scheduling improvements based on the availability of funding.

This chart provides for project/equipment cost that will be funded from the General Fund by year.

This chart provides for project/equipment and debt service retirement for infrastructure cost that will be funded from the SPLOST VII by year.

This chart provides for project/equipment cost that will be funded from the Water/Sewer fund by year.

CAPITAL SUMMARY

The chart below displays the CIP by fund type.

TOTAL CAPITAL OUTLAY FUNDING					
Governmental Funds	\$ 135,300	\$ 195,000	\$ 827,000	\$ 1,071,500	\$ 254,750

Glossary of Terms

<i>Accrual Basis</i>	The basis of accounting under which revenues are recorded when earned and expenditures (or expenses) are recorded as soon as they result in liabilities for benefits received.
<i>Ad Valorem Taxes</i>	According to value; an assessment such as taxes or insurance based on the value of the commodity (real or personal property) involved.
<i>Appropriation</i>	An authorization made by the City council that permits the city to set aside money or materials for a specific purpose.
<i>Assessed Value</i>	A determination of the estimated value of property as prescribed by the Camden County Tax Assessors office.
<i>Balanced Budget</i>	Estimated expenditures may not exceed estimated revenues.
<i>Bond Debt</i>	Payments on bonds sold by the city to spread debt over a long term.
<i>Budget</i>	A financial plan for a specific period of time (fiscal year) that matches all planned revenues and expenditures with various city services.
<i>Budget Calendar</i>	The schedule of key dates or milestones that the city follows in the preparation, adoption, and administration of the budget.
<i>Budget Resolution</i>	The official enactment by the City Council legally authorizing them to obligate and spend resources.
<i>Budgetary Control</i>	The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitation of available appropriations and available revenue.
<i>Capital Improvement</i>	Any major project requiring the expenditures of public funds (over and above operating expenditures) for the construction, reconstruction, or replacements of physical assets in the community.
<i>Cash Basis</i>	A system of accounting in which revenues and expenses are recorded as they are received and paid.
<i>CPA</i>	Certified Public Accountant
<i>Debt Service</i>	Interest and principal payments associated with Bond Issues.
<i>Debt Service Requirements</i>	The amount of money necessary for scheduled payment of outstanding debt, both principal and interest becoming due during the fiscal year, and contributions required to accumulate money for the future retirement of term bonds.

<i>Depreciation</i>	The measure of the value of a fixed asset that has been consumed during a period whether arising from use, passage of time, or obsolescence.
<i>EMS</i>	Emergency Medical Service
<i>Enterprise Funds</i>	A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services were established to ensure that revenues are adequate to meet all necessary expenditures.
<i>Expenditures</i>	This term refers to the outflow of funds paid, or to be paid for assets, goods, or services obtained regardless of when the expenses are actually paid.
<i>Fiscal Year (FY)</i>	A twelve (12) month period between settlements of financial accounts. The fiscal year for the City of St. Marys begins July 1, and ends June 30 of each year.
<i>Fixed Assets</i>	An item that is fairly expensive, does not occur annually, and last a long time. It is usually held for business use and is not expected to be converted to cash in the current or upcoming fiscal year. Examples are equipment and furnishings. This can also be land and buildings.
<i>FTE</i>	Full-Time Equivalent
<i>Fund</i>	A fiscal and accounting entity that is composed of a self-balancing set of accounts that reflects all assets, liabilities, equity, revenue, and expenditures (or expenses) necessary to disclose position and the results of operations. Funds are established as individual records for purposes of legal compliance, different natures of the activities performed, measurement of different objectives, and to facilitate management control.
<i>Fund Accounting</i>	A method of municipal accounting where resources are allocated to, and accounted for in separate funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.
<i>Fund Balance</i>	Refer to the net of unrestricted money remaining in a fund after the year's expenditures and revenues are tallied, and is therefore also known as surplus funds.
<i>GAAP</i>	Generally Accepted Accounting Principals
<i>GASB</i>	Governmental Accounting Standards Board
<i>General Fund</i>	This fund is used to account for all revenues and expenditures of the City of St. Marys not accounted for in any other fund; and is an operating fund from which most of the current operations of the city are financed.
<i>GIS</i>	Geographic Information System
<i>Governmental Funds</i>	Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, capital projects funds, debt service funds, and permanent funds.

<i>Infrastructure</i>	The basic installations and facilities on which the continuance and growth of a community depends upon. Examples include water and sewer improvements, roads and street paving, and public buildings.
<i>Levy</i>	The assessment and collection of tax or other fees.
<i>Local Option Sales Tax (LOST)</i>	Sales tax collected from local businesses for the purpose of reducing property taxes and maintain governmental operations. On-going after referendum.
<i>Millage Rate</i>	The ad valorem tax rate expressed in terms of the levy per thousand dollars of taxable assessed value.
<i>Modified Accrual Basis</i>	Under the modified accrual basis of accounting, revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred.
<i>Operating Budget</i>	The portion of the budget pertaining to daily operations and/or maintenance of city services, programs, facilities or fixed assets incurred in a fiscal year.
<i>Personal Services</i>	Expenditures directly attributable to city employees, including salaries, overtime, and the city's contribution to social security, health insurance, worker's compensation insurance, and retirement.
<i>Purchased Services</i>	Services that by their nature can be performed only by persons or firms with specialized skills and knowledge. These include professional, technical, property, and other services such as communications, liability insurance, and training.
<i>Real Estate Tax</i>	Taxes collected by Camden County on real estate transfers (deed fees) within the city.
<i>Reserve</i>	An account used to indicate a portion of a fund balance legally restricted for a specific purpose and therefore not available for general appropriations.
<i>Retained Earnings</i>	A fund equity account that reflects accumulated net earnings or losses of a proprietary fund. As in the case of fund balance, retained earnings may include certain reservations of fund equity.
<i>Special Local Option Sales Tax (SPLOST)</i>	A tax voted on by the public authorizing the collection of an additional 1% sales tax to be used only for specific purposes as authorized by law. In Georgia these are for various capital projects and for roads, street, and bridges.
<i>Supplies</i>	Expenditures for items that are consumed or deteriorate through use or that lose their identity through incorporation into different or more complex units.
<i>Taxes</i>	Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. Taxes levied by the City of St. Marys are approved by the Council and are within their limits determined by the State of Georgia.

Training

Expenditures incurred as a result of city approved instructional courses.

Travel

Expenditures incurred in the conduct of city business. This includes subsistence, transportation, mileage (private vehicle), and hotel cost.
