City of St. Marys

Georgia

For the Fiscal Year Beginning

July 1, 2015

Executive Director

The State of Georgia

City of St. Marys

History of St. Marys.....

Established around 1792 and incorporated in 1802 by the State of Georgia.

History details St. Marys as the site of a large Timucuan Indian Village. Some say that the Spanish settled in the area around 1565 and held the area for 100 years, but abandoned the settlement due to trouble with the Indians.

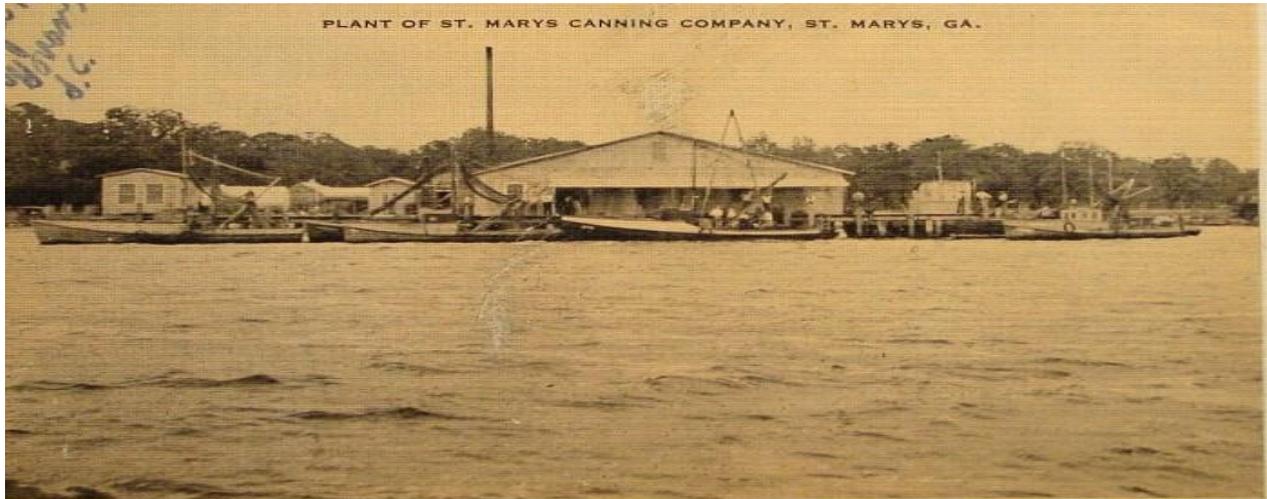

It is said that St. Marys sits on land confiscated from two brothers of Royal Governor James Wright. Their banishment after the American Revolution resulted in the loss of their huge estate. The land then belonged to Jacob Weed. Weed sold land along the St. Marys River to nineteen other men. Together the twenty men laid out the land together in 1788.

In 1799, the U.S. Congress made St. Marys a U.S. Port of Entry. After the act prohibiting the importation of Slaves in 1808, St. Marys became a center for smuggling, particularly during the period of 1812-1819.

St. Marys was also involved in the War of 1812. In 1815, the Battle of Fort Point Peter (Petre) occurred in St. Marys. The British captured the Fort and occupied it for a short time. The British burned the Fort, along with everything included in it, and then withdrew to Cumberland Island.

Industrial development started during the post-Civil War. It began with lumber mills, followed by more sawmills and canning plants specializing in preserving local beans, sweet potatoes, and shrimp.

For decades, lumber and fishing provided the main source of income for the people of St. Marys.

Today, St. Marys is tied to history and ecotourism. Many original structures are still standing in St. Marys. The oldest private home in St. Marys is the home of Archibald Clark (1801). Other historic structures include The Presbyterian Church (1808), Pratt-Gilican House (1825) and Orange Hall (1830) (owned by St. Marys) which is open to the public for tours. St. Marys is also known as the “Gateway to Cumberland Island.” The departure point for the Cumberland Princess Ferry is in downtown St. Marys at the waterfront.

Introduction

**To the Honorable Mayor and Council Members
Citizens of the City of St. Marys
Fellow Employees**

RE: FISCAL YEAR 2016-2017 BUDGET

We are pleased to submit this official document for the Annual Operating Budget for Fiscal Year 2017, which begins July 1, 2016 and ends June 30, 2017. This document is a representation of the compilation of discussions and efforts from all City departments. This balanced budget for Fiscal Year 2017 conforms to all applicable guidelines, laws, and regulations. The result of this effort reflects the purpose of St. Marys to provide quality of life for its residents.

Quality of life in St. Marys includes, but is not limited to:

- 1. A safe and secure community.**
- 2. An environmentally sensitive community.**
- 3. An aesthetically pleasing community.**
- 4. A community which supports and recognizes the importance of diverse recreational, social, and cultural activities and events.**
- 5. A community which is hospitable, supportive, friendly, caring and, encourages a sense of community.**
- 6. A community which fosters prosperity.**

And the winner is...

"One" St. Marys Master Plan Youth Art contest
Winners Announced!

Although growth has been very slow in the City, it is our desire to pursue excellence with quality of service, maximizing all resources yet keeping the expenditures to a minimum. Within the budget, the City addresses the challenges of providing excellent services with limited resources. The budget provides for the groundwork that guides the operational and financial planning for the City. During the budget process, hard decisions had to be made including adopting the millage rate, determining capital needs, and addressing pay increases for employees. This year the City will maintain its millage rate; purchase necessary equipment needed for operations, and has included a small pay increase for employees.

Per the estimated 2013 census, St. Marys' population has increased slightly to 17,755. In 2010, the population was 17,121. The City's overall population has grown significantly over the past several decades. From the year 1990 (8,187) to 2010 (17,121) exemplifies a 110% growth in population; 2000 (13,761) to 2010 (17,121) growth increased 25%. The continued growth in St. Marys has been connected to low taxes, low crime, mild weather, accessibility to I-95, proximity to Jacksonville airport, excellent school system, and neighboring Kings Bay Naval Submarine Base.

The City has seen a downward trend in the digest over the past several years however in FY 2017 the City budgeted for a flat digest. The property taxes, along with some other areas of taxes including franchise and alcoholic beverage excises, realized a slight increase in the budgeted numbers over the past year. Local option sales taxes have seen a decrease over the past year due to a drop in oil prices. Other tax revenues which include hotel/motel tax had slight adjustments or stayed neutral.

In recent years, the City felt the effects of the downturn in housing starts and sales. In FY 2016, the City did see a slight move in a positive direction and plans to see this revenue inching upward for FY 2017.

The true test of a government is the ability to ensure long-term operations without a disruptive impact upon the people we serve. The City has to maintain an expenditure rate that does not exceed its revenue growth, allowing itself the flexibility to respond to changing conditions. I am pleased to report that Council and Staff's continued efforts over the last year resulted in savings which has increased the fund balance.

Budget Purpose

The City of St. Marys provides full services for its citizens which include police and fire protection, community planning and development, building-code enforcement services, construction/road repair, water and sewer utilities, along with other support duties for the City government.

The subsequent information is provided to assist the citizens, elected officials, management, and all other readers in understanding the purpose of this approved budget document, in addition to finding needed information.

The budget is intended to serve the following four major purposes:

- A policy document for elected officials and administration to understand how the current year goals and priorities link with the overall long-term policies of the City; and, what processes will be used in adopting and amending the budget. Also, included in each department's budget are purpose statements, goals and, performance measures, along with prior year accomplishments.
- A financial plan that summarizes and details the cost to the citizens' for current and approved service levels. It is also used by administration and department heads to know exactly how to pay for the services we provide. Included in the document is the adopted FY 2017 budget ordinance, summarizing revenues and

expenditures at the fund level. Detailed information is included in each Fund's budget information.

- An operation guide for departments that receive funding, to be able to identify the resources and staffing requirements needed to meet the department's objectives, and to provide the best quality service to the citizens.
- A communication device for the varied users who require budget information. This document is designed to be user friendly by providing summary information in the text, charts, tables and graphs. This document is available on our website at www.stmarysga.gov.

Goals for FY 2017

The FY 2017 budget is based on the following goals:

- ✓ Provide cohesive economic development programs and initiatives in order to promote economic opportunity within the City.
- ✓ Assure our fiscal sustainability by ensuring that quality municipal services and operations are provided efficiently and are financially sustainable.
- ✓ Enhance citizen engagement on City related issues.
- ✓ Strengthen Military/City relationships and partnerships.
- ✓ Support and develop infrastructure within the City to meet current standards and to plan for the future in a financially sustainable manner.
- ✓ Provide environmental stewardship and sustainable management of our natural resources and history (structures and culture).

Mossy Oaks
of St. Marys

FY 2016 in Review

The City of St. Marys worked diligently last year to improve the quality of life for its residents. The City undertook the following initiatives to develop our City into the best community to live in.

1. In 2013, voters approved a 1% Special Purpose Local Option Sales Tax (SPLOST VII) for infrastructure and bond debt. The City paid \$1.64 million on the 2010 bond debt to hold water/sewer rates at bay.
2. Temporary staff was utilized during the mowing season for city beautification.
3. City received \$256,064 from Georgia Department of Transportation for the Local Maintenance Improvement Grant (LMIG) for road enhancements.
4. Wi-Fi installation was approved for the City's Howard Gilman Memorial Park.
5. Completion of the City's Downtown Master Visioning Plan and the City Master Plan was started.
6. The Gaines Davis sewer infrastructure was completed which was funded by the 1% Special Purpose Local Option Sales Tax VI.
7. Sewer Infrastructure was completed for the Marsh View Lane and Wright Street properties.
8. Temporary help was used to assist with the maintenance of the historic Oak Grove Cemetery.
9. The City purchased new Aerial and Pumper trucks for the Fire Department.
10. New World software was implemented for Public Safety.
11. Continued implementation of radio read water meter system.

FY 2017 Major Initiatives

The City of St. Marys will continue its efforts by focusing on providing the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life.

1. In March 2013, Voters approved a 1% Special Purpose Local Option Sales Tax (SPLOST VII). Projects slated in FY 2017 included:
 - Various Roads
 - Bond debt retirement
2. Council approved \$37,000 for marketing the City.
3. Council approved \$60,000 for the completion of the city master plan.
4. Council approved \$40,000 for enhancement of the “Gateway” of the City.
5. Road enhancements of \$450,000 with the Local Maintenance Improvement Grant.
6. Purchase of various vehicles and equipment for public works and public safety.
7. LED lighting for various facilities in the amount of \$55,000.
8. Approval of \$60,000 for Streetscape design.
9. Continue installation of \$100,000 in radio water read meters.
10. Various drainage projects.
11. The City continues to work toward bringing in new business and retaining current business in St. Marys. The following tools will be considered to assist the City in this effort:
 - Identify vendors conducting business with various entities (i.e. base, school district, etc.) to ascertain potential opportunities for local vendors
 - Continue business recruiting
 - Develop a marketing plan for the community
 - Promote appearance and safety at Exit 1
 - Create an incentive package to attract business

Foundation for the Budget

Revenue

The City of St. Marys started the initial planning of budget preparation by evaluating what “Quality of Life” in St. Marys is and how to support the community. The City also looked at the state and local economic conditions and mandates that affect the City, and reviewed citizen concerns.

The City has certain assumptions incorporated into our revenue forecast. The FY 2017 revenue projections continue to be conservative, yet realistic. The following section is a brief explanation of the assumptions and the effect on projected revenue.

Property Taxes

The property digest for St. Marys has decreased 27.75% from 2009 to 2015. The decrease has made it difficult for St. Marys to maintain revenues at a stable level. However, in 2014 the City saw a significant slowdown in the overall decrease of the digest. This year the City maintained the digest at a flat rate for its 2015 tax valuations. For the 2015 tax year, residential valuations made up 71.9% of the digest, agricultural made up .7%, while commercial valuations made up 18%. Industrial made up 2.8%, utilities made up 2.1% and motor vehicle, mobile homes, timber, and heavy equipment made up the balance of 4.5%. For FY 2017, property taxes (current and back taxes) provide 29.52% of the General Fund revenue, which has been budgeted to collect \$2.84 million. This is an increase over last year of .71%.

Miscellaneous Taxes

In FY 2017, personal property taxes are expected to increase due to the change in the collection of motor vehicle tax. A slight increase has been noted in Real Estate Transfer Tax and Franchise Fees. LOST revenue has been decreased due to the drop in the price of oil and changes in local legislation; however, other Sales and Use Tax revenue shows a slight increase.

Licenses and Permits

Licenses, fees and building permits for FY 2017 are projected to increase 13% over prior year. With the infrastructure completed in Cumberland Harbour, building should begin again in this area. Also, interest has been shown in other areas of the City for possible new home starts.

Charges for Services, Fines and Forfeitures and Miscellaneous

Overall, charges for services are budgeted to remain steady for FY 2017. These charges encompass minor revenues compared to the overall General Fund Revenue Budget. Fines and forfeitures were increased slightly for FY 2017 to be in line with collections in FY 2016. Miscellaneous revenues are set to remain flat for the FY 2017 year.

Again, the FY 2017 revenue projections continue to be conservative, yet realistic due to the decrease in the Local Option Sales Tax and the Special Purpose Local Option Sales Tax. Overall, revenue is down from \$10.5 million (FY 2016) to \$9.6 (FY 2017). This is due to the fact that the City did not budget \$1.17 million in loan proceeds in the previous year to cover capital expenditures in the budget.

Expenditures

Although we were unable to fund all requests, this budget allows us to maintain current service levels to ensure the quality of life for St. Marys' citizens.

Below is a table of the approved FY 2017 Budget for the City of St. Marys. Each fund is represented, as well as, each expenditure category.

FY 2017 Budget				
Fund	Personnel Services	Operating	Capital/Other Cost/Debt	FY 2017 Budget
General Fund	\$ 6,012,732	\$ 2,310,362	\$ 1,296,444	\$ 9,619,538
Multi-Grant Fund	\$ -	\$ -	\$ 101,250	\$ 101,250
Tourism Fund	\$ 38,920	\$ 105,730	\$ 28,300	\$ 172,950
Splost	\$ -	\$ -	\$ 1,929,300	\$ 1,929,300
Capital Improvements Fund - LMIG	\$ -	\$ -	\$ 450,150	\$ 450,150
Water/Sewer Fund	\$ 1,895,341	\$ 1,866,926	\$ 5,396,154	\$ 9,158,421
Solid Waste Fund	\$ 85,462	\$ 1,028,265	\$ 15,000	\$ 1,128,727
Aquatic Center Fund	\$ -	\$ 452,900	\$ -	\$ 452,900
TOTAL	\$ 8,032,455	\$ 5,764,183	\$ 9,216,598	\$ 23,013,236

* Hotel/Motel Fund not included. Revenue accounted for in Tourism Fund.

Personnel Services

The City of St. Marys carefully addressed personnel positions to ensure service delivery needs of the community. The City is committed to its employees and therefore all employee programs and benefits were evaluated for funding ability. In FY 2017, there were no changes in the number of approved positions. A pay increase was included for employees in the FY 2017 budget. The police certified personnel are under a separate pay plan and continue to receive increases according to the plan every January. The overtime levels remain constant with prior years.

After several years of large increases in health insurance premiums, this year a decrease was realized and this was shared with the employees. Also, the City realized a decrease in the health clinic partnership with Camden County. The health clinic offers services to City of St. Marys insured members.

Operating

After the above personnel services considerations, needs assessments were performed internally, city-wide, to ascertain priorities for available resources in FY 2017 budget. Overall, the city realized a 4% increase in operating costs city-wide. The majority was due to an increase in Solid Waste operating cost. In January 2016, the County

implemented charges for yard waste and increased fees. The Aquatic Center operating cost increased slightly due to increased attendance.

Capital

Again, the priorities of St. Marys have not changed significantly over the past several years. It has been our goal to provide the best possible services for the residents of the City of St. Marys, while continuing to operate with limited funds. The City assessed its capital budget very carefully this year. Due to aging equipment, the City made the decision to replace capital equipment from the General Fund. This equipment included a vehicle for the City Manager, a police car, and public works equipment. The City addressed many of its infrastructure capital needs in SPLOST VII. The majority of the capital purchases are for replacement of assets coming to the end of their life cycle, which will not have a significant effect on the future operating budgets. No additional personnel costs are anticipated; however, the operating cost will be offset by customer user fees.

Conclusion

The City of St. Marys has made great strides to improve service levels, maintain the tax millage rate and improve the financial integrity of the City. The FY 2017 Budget was a challenge again; however, with the great efforts of Council, the City Manager, and Staff making impactful decisions, the budget planning was a success.

This budget shows a balance between continuing to provide an outstanding quality of life for our citizens while minimizing the cost associated with operations. It is our desire to maintain a stable financial position as we wait to see how the economy plays out in the future.

The preparation of this budget could not have been accomplished without the hard work from City Staff. They have made great efforts to cut expenditures and work with fewer staff members, while continuing to provide outstanding levels of service. The Council, City Manager, and I, express our sincere appreciation to all of you for your dedication to this great City.

Sincerely,

Jennifer Brown
Finance Director

St. Marys' waterfront!

Budget FY 2017

TO: CITY MANAGER AND ALL DEPARTMENTS
FROM: FINANCE DEPARTMENT
DATE: FEBRUARY 17, 2016

If you need salary information, debt service, etc. please do not hesitate to contact me.

February 9th: Finance Dept. - Forward electronic files to Department Heads to use in preparation of proposed 2017 budget.

February 29th: Departments – Submit budget projections FY2017 for inclusion in preliminary package.

March 3rd – 11th: Meet with City Manager and Finance Director.

March 18th: Finance Dept. - Complete revenue projections for FY 2017.

March 21st – 23rd: Finance- Prepare working papers for budget work shop meeting.

April 6th from 9:00 am to 3:00 pm & 7th 9:00 am until - Budget Workshop with Mayor/Council.

April 18th: Finance - Advertise budget for Public Hearing

May 2nd: Departments– **Attend Public Hearing and be prepared to respond to Mayor/Council on budget submissions.**

May 16th: Departments– **Attend Council Meeting to present budget for approval.**

June 30th: Finance – Prepare budget book

Beautiful Salt Marshes

Budgetary Procedures

No later than March 15 of each year, the City Manager and Finance Director approve the subsequent fiscal years' budget calendar. This calendar includes specific dates for completion of each of the tasks necessary to prepare the annual operating budget.

Finance provides each department with budget worksheets for their appropriate department and the instructions on how to request personnel service, capital outlay and operating expenditures. Once the requests are completed, each Department Head meets with the City Manager and Finance Director in order to answer any questions.

During these meetings, adjustments are made and this becomes the recommended budget that is presented to the Mayor and Council at a budget workshop. After Councils' review, necessary adjustments are made to the proposed budget. A public hearing is advertised and held where the proposed budget is presented to the public. Council then adopts the budget before the new fiscal year begins. The budget must be balanced for all budgeted funds.

Basis of Budgeting

Budgets for St. Marys are adopted on the cash basis for all funds. However, for actual amounts, the City uses the modified accrual basis of accounting for the governmental funds and full accrual basis for the enterprise funds, which is in compliance with Generally Accepted Accounting Principles.

Differences between the budget and GAAP are as follows:

- Capital Outlay and Debt Service principal payments are recorded as expenditures for budgetary purposes as opposed to adjustments of balance sheet accounts.
- Depreciation is not recognized for budgetary purposes

The main difference between cash basis accounting and modified and full accrual basis accounting is when income and expenses are recognized. On a cash basis revenues and expenses are only reported when they are received and paid out. On the modified and full accrual basis, revenues are reported when they are earned and expenses are reported when they occur.

Budget Control

The City maintains a budgetary control system to ensure adherence to the budget and prepares timely, monthly financial reports comparing actual revenues, expenditures, and encumbrances with budgeted amounts. These reports are distributed to the City Council and Staff.

Budget Adjustments/Amendments

From time to time it becomes necessary for St. Marys to adjust or amend the adopted budget. This process is regulated by the official Code of Georgia (O.C.G.A) along with local policies.

Per O.C.G.A. 36-81-3

1. An increase in appropriations at the legal level of control of the local government, whether accomplished through a change in anticipated revenues in any fund or through a transfer of appropriations among departments, shall require the approval of the governing authority. Such amendment shall be adopted by ordinance or resolution.
2. Transfers of appropriations with any fund below the local government's legal level of control shall require only the approval of the budget officer.

In St. Marys, the amount for salaries and benefits for each department may not be increased without the approval of the City Council. However, Department Heads shall have the authority to transfer appropriations within a department (within the same fund) from one line item to another (other than increasing salaries and benefits) subject to the approval of the City Manager and/or the Finance Director.

An Ordinance to Adopt a City Budget
For the City of St. Marys, Georgia

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF ST. MARYS, GEORGIA, that the City enact an Ordinance to be entitled "Budget Ordinance for the City of St. Marys, Georgia, for the fiscal year commencing July 1, 2016 and ending June 30, 2017" to read as follows:

BE IT ORDAINED, that the City hereby adopts the General Fund Budget as prepared and submitted on May 16, 2016, a summary of which is attached hereto and labeled "Exhibit A".

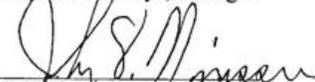

BE IT FURTHER ORDAINED, that the City hereby adopts the Water & Sewer Enterprise Fund Budget as prepared and submitted on May 16, 2016, a summary of which is attached hereto and labeled "Exhibit B".

BE IT FURTHER ORDAINED, that the City hereby adopts the Solid Waste Enterprise Fund, SPLOST Funds, Special Revenue Tourism Fund, Hotel/Motel Fund, Aquatic Park, Multi Grant Fund and Capital Improvements Fund - LIMG, as prepared and submitted on May 16, 2016, a summary of each being attached hereto and labeled "Exhibit C".

THEREFORE, BE IT RESOLVED, that the City of St. Marys does hereby ordain, resolves and enacts the foregoing Budget Ordinances for the City of St. Marys, Georgia.

Adopted this 16th day of May, 2016.

City of St. Marys, Georgia

John F. Morrissey, Mayor

Attest:

Deborah Walker-Reed, City Clerk

About St. Marys Government

The St. Marys Charter states the City of St. Marys, a municipal corporation, shall exercise and enjoy all powers of self-government not specifically prohibited by the Constitution, the general laws of the State of Georgia, or by this Charter, including all powers, functions, rights, privileges, and immunities necessary or desirable to promote or protect the safety, health, peace, security, good order, comfort, convenience, and general welfare of the city and of its inhabitants and all implied powers necessary to carry into execution all powers granted as fully and completely as if these powers were enumerated in this Charter.

As set forth in the charter, the City has a Mayor and six Council members elected for four-year terms of office. Each Councilmember shall hold a designated Council post. All terms of office shall begin on the first Thursday after January 1 of the year following election to such office.

To be eligible for election as Mayor or as Councilmember, a person at the time of qualification must:

- Have attained the age of 21 years;
- Have resided in the City for not less than one year immediately preceding the date of qualification for office and must continue in such residence during the term of office;
- Be a qualified elector of the City; and
- Meet any other requirements as may be established by general state law.

Per the City's Charter, the Mayor shall be the Chief Executive Officer of the City and shall have general supervision over its affairs. The Mayor shall:

- See that the laws and ordinances of the City are faithfully carried out and executed within the City;
- Examine, audit, and approve all accounts against the City before payment;
- Exercise the power of veto;
- Keep the Council members advised from time to time of the general condition of the City;
- Recommend such measures as the Mayor may deem necessary or expedient for the welfare of the City;
- Preside over the meetings of the Council and call the Council together at any time when deemed necessary by him;
- Vote on all matters when there is an equal division of the Councilmembers; and
- Perform such other duties as required by the Council.

Geography of St. Marys

According to the United States Census Bureau, the City has a total area of 20.3 square miles (53 km²), of which 18.8 square miles (49 km²) of it is land and 1.5 square miles (3.9 km²) of it (7.54%) is water. St. Marys is situated at the southeast corner of Georgia in Camden County. St Marys is the gateway to Cumberland Island National Seashore.

Demographics of St. Marys

St. Marys' population has increased slightly to 17,968 per the estimated 2015 census. In 2010, the population was 17,121. The City's overall population has grown significantly over the past several decades. The continued growth in St. Marys has been connected to low taxes, low crime, mild weather, accessibility to I-95, proximity to Jacksonville airport, excellent school system and is adjacent to Kings Bay Naval Submarine Base.

There are 7,443 housing units and 6,488 households in St. Marys according to the US Census Bureau. The average household size is 2.68. The homeownership rate is 50.6% and the median value of owner-occupied housing units is \$166,000.

The per capita money income in the past 12 months (2014 dollars) was \$24,156, while the median household income was \$51,442. Persons below the poverty level were 15.4% according to the US Census.

Of the people in St. Marys, 50.8% are female and 49.2% are male. There are 36.2% under the age of 18, 53.8% between the ages of 19-64 and 10% are over 64. Of St. Marys' population, 2,417 are Veterans. The percentage that has a college education is 24.7% while 92.9% have a high school diploma or a GED.

Population by race:

- White 74.2%
- Black or African American 18.7%
- Hispanic 6%
- Two or more races 3.5%
- Others 2%

Economic Data

The information below is provided to give each reader an overview of the general economic condition in St. Marys, or in some cases, the County.

Below is information concerning sales tax collected in the County (wide) and St. Marys:

Over ten (10) years ago in 2005, the sales taxes started to climb and it peaked out in 2008 when the economy started to fall. Since that time, the City has seen a downward spiral in the sales taxes collected due to the economy. Another reason the City realized a

decrease within the collection was LOST negotiations. This year the changes within the sales tax laws and the decrease in gas prices have made a significant change once again.

Accommodations

St. Marys is situated at the southeast corner of Georgia. There are currently three hotels, three bed and breakfast inns, one campground, and several homes that offer weekly and monthly rentals. Travel by boat from St. Marys and arrive at pristine Cumberland Island National Seashore which offers Greyfield Inn and a campsite for your stay.

City Amenities

City of St. Marys citizens and guests enjoy the relaxing feeling of a small town with numerous activities. Howard Gilman Memorial Waterfront Park is the jewel on the water. This park greets the walking guests with brick pathways that lead to swings facing the river. As you make your way to the middle of the park, a fountain awaits your coins so that you can make your every wish come true. There is a play area for children, as well as, picnic tables for you to sit and enjoy as you gaze out at the rippling tide of the river. There have been many couples who have been united in holy matrimony at the gazebo in the park. The park has also been the center of attention for fishing tournaments, 4th of July Celebrations, the annual Rock Shrimp Festival, as well as, many other events.

At the waterfront there are several restaurants, a hotel, as well as, museums and various shops that cater to tourists and the local folk. Come enjoy the St. Marys Aquatic Park which supplies fun for all ages. St. Marys has two boat ramps with 2 launch ramps each and five public docks for your boating adventure. St Marys hosts the only local community theater within the County. Depart from Downtown St. Marys and visit Cumberland Island National Seashore, the largest barrier island in Georgia.

Cumberland Island offers beautiful undeveloped beaches, unspoiled marshes, and wild horses.

Residents and guests have access to the 38,000 square foot Camden County Community Recreation Center which includes, but is not limited to, weight training and fitness room, racquet ball, baseball and softball areas. The local area offers 21 parks, 2 swimming pools, 12 tennis courts and golfing in the county. Crooked River State Park offers camping, swimming, fishing, picnicking, public boat landing and cabins. Rivers in the area include St. Marys River, Crooked River, Satilla River and Little Satilla River. In addition to fishing and boating, the area also offers opportunity for scuba diving, sailing, water skiing and kayaking.

Climate

The citizens and visitors of St. Marys enjoy a pretty mild climate. The warmest month is July and on average the coolest month is January. The average high is 91 degrees

Fahrenheit with an average low of 44 degrees Fahrenheit. The highest recorded temperature was 104 degrees Fahrenheit in 1950 and the lowest recorded temperature was 4 degrees Fahrenheit in 1985. The maximum average precipitation occurs in September.

Communications

Three radio stations, WECC-FM, WOKF-FM and WKBX-FM and three newspapers, the Georgia Times Union, the Tribune and Georgian, and the Periscope (Kings Bay Naval Base) provide the local news, music, and local broadcasts to St. Marys.

Education

The Camden County School System is home of nine elementary schools, two middle schools and one comprehensive high school (with a separate center for ninth graders). The school system serves approximately 9,600 students. Camden County High School offers a comprehensive curriculum (9-12) with a variety of classes for both College Preparatory and Career Technology Preparatory. The high school campus is one of the largest in the state and offers advanced placement classes and joint-enrollment with College of Coastal Georgia and the Valdosta State University Kings Bay Campus.

College of Coastal Georgia, the Camden Center, located in Kingsland, Georgia, provides a regular schedule of day and evening classes for the convenience of Camden, Charlton and Nassau County students attending the College of Coastal Georgia. Classes include the core courses for business, education, the humanities and social sciences, math and the natural sciences. The college also houses the Hotel Operations and award-winning Culinary Arts programs of the College of Coastal Georgia.

The College began offering classes in Camden County in 1983, originally on the Kings Bay military base. The Camden Center which is 89,000 square-feet, opened in May 2004, featuring a beautiful rotunda, a 260-seat auditorium, classrooms, chemistry and biology laboratories, full-service library/learning center, the teaching kitchen and demonstration dining room. The College has been designated as a state college, which means the College may offer certain targeted baccalaureate degree programs.

Altamaha Technical Institute offers some courses through College of Coastal Georgia, but has been approved for a new campus in Kingsland as soon as funding is available from the State.

Located adjacent to St. Marys, Naval Submarine Base Kings Bay, offers several degree programs from associates level to masters through on site campuses from Brenau University, Valdosta State University and Troy State University.

Health Care

Southeast Georgia Health System Camden Campus is a 40- bed acute care hospital located in St. Marys, and is accredited by The Joint Commission. The hospital offers 24-hour emergency service and medical care to Camden and Charlton counties in Georgia, as well as Nassau County in Florida.

Camden Campus has a three-story, 54,000 square feet office facility. This facility can house up to 20 doctors. The hospital was named “2013 Small Hospital of the Year”. This honor was given by the Georgia Alliance of Community Hospitals. The facility includes an emergency department with 17 private treatment rooms, a surgery department, outpatient services, an imaging department with a woman’s imaging area, and a cardiopulmonary department. The medical surgical unit has 23 private rooms and a five bed intensive care unit. Also, it offers a Cancer Care Center. Patients no longer need to travel far from home to receive cancer diagnosis, treatment and follow-up care. The Center features a linear accelerator that can provide intensity-modulated radiation therapy, the most advanced and precise method of external beam radiation therapy.

The Southeast Georgia Health System Camden Campus has a Senior Care Center. The Senior Care Center is a 78 bed non-profit nursing facility that offers long-term care for seniors unable to manage on their own and short-term care for patients of all ages who need skilled nursing and rehab services.

Source: Southeast Georgia Health System webpage and 2014-2015 Guide to Camden County.

The County has two facilities that provide elderly residential care. Also, there are fourteen dentists and over 150 physicians.

Public Safety

Police

One major goal of the City of St. Marys is to provide quality of life by ensuring the safety and security of the community and ensuring the protection and preservation of life and property. Public Safety is allocated the largest percentage of the City’s operating budget – 43.7% of the total 2017 operating budget.

The City of St. Marys provides 24 hour Police and Fire protection through Public Safety employees for St. Marys citizens.

The St. Marys Police Department is a full-service organization with 33.6 employees. The members of the Department are tasked with handling a wide variety of calls and situations. For this reason, our officers have to be able to function in capacities such as counselors, referees, protectors, parents, judges, and disciplinarians. The City’s commitment to the citizens of St. Marys is to locate, hire, train and field the absolute best officers possible in the various positions within the department. The City is also determined to provide continued excellence through on-going training programs, professional operational standards, a commitment to ethics, and discipline that will serve to

Working with our Youth

protect our citizens, as well as, our employees, and to guarantee a high standard for the services we perform.

The St. Marys Police Department is divided into three major Divisions which include Uniform Patrol, Criminal Investigations, and Administrative Services. The operations of these Divisions are assisted by the department's administrative staff and the overall operation of the department is managed by the Chief of Police. Each Division of the Police Department is commanded by a command staff level officer. Each Division Commander holds the rank of Lieutenant; and by virtue of their rank and position, holds a position on the departmental Command Staff.

The Uniform Patrol Division (UPD) makes up the largest element of the Police Department. All new officers are hired into this Division. Other elements of UPD include the K-9 unit, the School resource Officer (SRO), the Special Response Team (SRT), and the Reserve and Auxiliary units.

Cops & Bobbers Event

The Criminal Investigations Division is responsible for conducting follow-up investigations on criminal incidents that are initially reported to the Police Department primarily through the Uniform Patrol Division. CID is currently staffed with one Lieutenant, One Sergeant, three detectives and a Property and Evidence Technician. Currently, the detectives maintain a caseload of approximately 45 to 60 open cases at any given time.

Drug Safety

The Administrative Services Division is responsible for several critical facets of the operation of the Police Department. This division maintains the files from year to year with the proper documentation to satisfy departmental policy.

In order to have an understanding of the services provided by the St. Marys Police Department, an annual comparison is made below.

Fire

The Fire Department currently has 24 full time Firefighters, 12 part time Firefighters, 10 Volunteer Firefighters, and two Chief Officers to protect the City of St. Marys.

“Dusty” visits local schools on fire safety

Workload Indicators

- Responded to 1,726 calls for service
- 68 Structure Fires
- 1,193 EMS/Rescue calls
- 137 Hazardous Conditions
- 49 Service Calls
- 110 False Alarms
- 62 Good Intent
- 4 Bad Weather

Average Response Time for reported structure fires = 4.38 minutes

Volunteer Hours = 4,173 If paid, equals \$74,922 dollars.

The Fire Department responded to properties valued at an estimated \$2,682,000 with a loss of \$428,200 dollars which equates to an average of a 16% loss to fires in structures responded to.

Fire Prevention Activities:

- 300 Fire Inspections
- 485 Plan & Reviews
- 1,150 Fire Hydrant Inspections
- 475 Pre Fire Plans
- 408 Burn Permits issued
- 7,500 Children seen as a part of a Fire Safety Lesson

St. Marys Fire Department conducted approximately 7,884 hours of training in 2016.

Transportation

The main route of travel to get to St. Marys is Georgia Highway 40. You can also travel Interstate 95 (north and south) as an entry way (Exit 1) into St. Marys. If you choose to come by air, St. Marys has its own airport which can accommodate smaller planes. St. Marys is only twenty-one miles from Jacksonville (Florida) International Airport and only 35 miles from Brunswick Golden Isles Airport. There is an Amtrak train station within 30 miles of St. Marys. The St. Marys River offers a 32 foot deep channel and a public barge dock. Travel 30 minutes north to Georgia Port Authority in Brunswick or 30 minutes south to Jacksonville Port Authority. The Georgia Port Authority specializes in handling break-bulk, agri-bulk and RoRo cargos. The Jacksonville Port Authority is an international trade seaport which has multiple cargo terminals capable of handling container, automobile, bulk, break-bulk and refrigerated cargoes, as well as, cruise passenger service and local ferry service. CSX rail service is offered in our sister City Kingsland.

Component Units

Component units are legally created public organizations created by the City, but function “separate” from the City.

St. Marys Convention & Visitors Bureau (the “Bureau”) is reported as a blended component unit in the City’s financial statements because the City maintains financial accountability over the Bureau and the Bureau almost exclusively benefits the City. The St. Marys Convention & Visitors Bureau is reported as a special revenue fund.

The Industrial Development Authority of St. Marys (the “Authority”) is governed by a seven-member board, the majority of which are appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the Authority. The Authority is presented as a governmental fund-type component unit.

The Downtown Development Authority of St. Marys (the “DDA”) is governed by a seven-member board, the majority of which are appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the DDA. The DDA is presented as a governmental fund-type component unit.

The Cemetery Authority of St. Marys is governed by a five-member board which is appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the Cemetery Authority. The Cemetery Authority is presented as a governmental fund-type component unit.

Utilities

Citizens of St. Marys are provided access to water, sewer and solid waste services through the City of St. Marys. The City does outsource its solid waste through Advance Disposal. St. Marys hours of operation are Monday through Friday, 8:00am to 5:00pm.

Electricity is provided through Georgia Power Company and Okefenokee Rural Electric Membership Corporation. Natural Gas and Telecommunications are also available.

Military

Protecting Our Country...

Kings Bay Naval Base is located adjacent to St. Marys. The men and women of Kings Bay play a major role in our community. Military children make up approximately 30% of the kids in school. Not only are the Military Members serving our Country, they are serving our community by distributing food, washing cars to raise money for a good cause, cleaning up in the community, and participating with Habitat for Humanity.

The Submarine Base is the home port for United States Navy Fleet ballistic missile nuclear submarines armed with Trident missile nuclear weapons. The base covers approximately 16,000 acres of land. Approximately 4,000 acres are protected wetlands.

Submarine Sail on display at main gate, dedicated 7 April 2000, as part of Kings Bay's celebration of the submarine forces' 100th anniversary.

City's Vision Statement

The City of St. Marys vision is to create a community of excellence governed by the principles of responsibility, fiscal soundness, accessibility, and service to the public, in an atmosphere rich in historic and cultural significance, while retaining its natural beauty, charm, resources, and unique appearance; a community that attracts and maintains active and supportive citizens, with an enhanced quality of life and economic opportunity for all.

City's Mission Statement

The mission of the City of St. Marys is to provide the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life.

City Goals

1. Provide cohesive economic development programs and initiatives in order to promote economic opportunity within the City.
 - Identify vendors of various entities (i.e. Base, school district, businesses, etc.) to ascertain potential opportunities to local vendors (either existing vendors or to be developed).
 - Continue recruiting trips.
 - Develop a marketing plan/strategy for the community.
 - Develop strategies to improve appearance of Exit 1.
 - Provide summary of economic development incentives available to the city for economic development.

- Continue to work with and support the Joint Development Authority (JDA), including assisting the JDA with development of a “spec building” as warranted.
2. Assure our fiscal sustainability by ensuring quality municipal services and operations are provided efficiently and are financially sustainable.
 - Continue positive financial reporting.
 - Obtain Governmental Finance Officers Association recognition for budget and Certified Annual Financial Report.
 - Continue compliance with City Council adopted financial policies.
 3. Enhance citizen engagement, involvement, and communications on City related issues.
 - Continue to implement technology improvements and upgrades.
 4. Strengthen Military/City relationships and partnerships.
 - Continue to work with JDA and Base on Joint Land Use Study (JLUS) process.
 - Provide periodic updates to appropriate military personnel on City related issues.
 - Support the Camden Partnership efforts to foster missions at Kings Bay Naval Base.
 5. Support and develop infrastructure within the City to meet current standards and plans for the future in a financially sustainable manner.
 - Improve water pressure downtown (identify projects and strategies to do so).
 - Develop a plan to improve infrastructure downtown.
 - Improve economic development opportunities by improving infrastructure.
 - Develop strategies to improve housing stock within the City.
 - Remove dilapidated structures along the main roads within the City.
 6. Provide environmental stewardship and sustainable management of our natural resources and history (structures and culture).
 - Seek grant for sea level rise strategic planning.
 - Support environmental cleanups and fairs within the City.
 - Conduct evaluation of disaster vulnerabilities.
 - Increase recycling by residents.
 - Consolidate/develop master plan(s) addressing development, green space, coastal greening, bicycle/pedestrian oriented mobility, etc.

Intentionally Blank

City of St. Marys **Comprehensive Plan 2007-2027**

The Comprehensive Plan is a living document, and a critical part of its evolution is the implementation program. As such, the implementation program serves as the overall strategy for the City of St. Marys to achieve its vision for the future.

St. Marys city officials and residents participated in a series of public workshops designed to facilitate discussion about the community's vision for the future and their preferences to ensure development occurs at a pace and scale that accommodates their objectives. As one of the nation's oldest cities, St. Marys prides itself in its historic waterfront heritage. A small, coastal community, the City seeks to promote itself as a destination location with a reawakening awareness of the many opportunities available for tourism and economic growth. St. Marys' vision for the future reflects these priorities.

The City of St. Marys' Implementation Program offers a detailed description of action items and strategies to execute the community's vision for future development. As stated above, St. Marys aspires to become a destination city that celebrates its heritage while promoting economic opportunity and growth.

Specific implementation measures towards this end are: updating ordinances to permit mixed uses that are connected to neighborhoods and downtown; drafting a master plan focused on the "re-emerging spirit of St. Marys;" developing as a destination location based on community assets, such as the waterfront, access to the National Seashore on Cumberland Island, restaurants, shops, etc.; implementing bicycle trails, marsh walk trails and kayaking opportunities; and creating a museum to present the history of the City, including its on-going relationship with the U.S. Navy and Naval Submarine Base Kings Bay.

Vision for the Future

The City of St. Marys established a vision for its future through comprehensive public involvement. The public was given the chance to share their views on future development and quality of life issues through participation in a community visioning process. Feedback gathered through this process was interpreted by Coastal Georgia Regional Development Center staff and submitted to the public during a series of public workshops for review.

The Vision Statement for future development and growth in the City of St. Marys is as follows:

- *The City of St. Marys is a friendly, reawakening community with great historical heritage, coastal amenities and promising economic opportunities.*
- *Our goals are to maintain our welcoming, small-town community atmosphere as a Georgia gateway and destination; and, to remain committed to investing*

in our natural and cultural resources while proactively planning for continued myriad growth opportunities.

- *Our priorities include: creating an open and engaging community that is committed to improving quality of life through expanding opportunities for economic development and implementing policies that will foster sustainable growth.*

Commercial Areas Vision: To support the local economy and small business development, promoting sense of place and quality of life for residents, tourists and business owners.

Issues & Opportunities Policy Implementation Measure:

- The downtown is an increasingly attractive place for businesses that should be promoted and enhanced to further economic potential.
- As the population continues to grow, there will be increasing opportunities to expand local businesses.
- Partnership opportunities exist to enhance collaborative efforts to promote St. Marys as a tourist destination.
- Parking availability within the traditional commercial district will need to be evaluated as the City grows and becomes an active tourist destination.
- Encourage mixed uses within the historic downtown area, emphasizing first-floor commercial and second floor office or residential space.
- Promote design guidelines and standards throughout the traditional business district.
- Encourage pedestrian centered activities.
- Implement recommendations outlined by various entities and studies, such as the 2005 *Economic Diversification of Camden County*.
- Support the shop local campaign—“Keep It in Camden.”
- Encourage opportunities for tourism.
- Consider options to improve transportation opportunities, such as a trolley system.
- Investigate ways to offer additional parking.
- Update ordinances to allow for a mix of uses.
- Evaluate and rewrite sign ordinances with special restrictions for the downtown district.
- Locate new and existing overhead utility wiring underground.
- Implement pedestrian friendly streetscape design, such as wide sidewalks, crosswalks, landscaping, benches, lighting, etc.
- Continue to provide financial support to the CVB, DDA and St. Marys Development Authority.
- Create an Economic Development Implementation Plan.
- Support the commercial district as an activity node, developing as a destination location.
- Provide interpretive kiosks outlining the area’s history.
- Conduct a parking study.

Conservation Areas Vision: To preserve and protect the City's scenic vistas and view sheds provided by its unique relationship to the water, limiting residential use to existing structures, and allowing for low impact recreational use.

Issues & Opportunities Policy Implementation Measure:

- New or innovative developments typically evoke neighborhood opposition.
- Partnership opportunities exist to enhance collaborative efforts to promote recreational opportunities.
- Although citizens are aware of the natural resources within the community, awareness and protection can be enhanced as public understanding of the value of these resources is increased.
- Encourage open space and greenspace preservation within new subdivisions.
- Preserve scenic vistas and natural ecological features.
- Explore and support opportunities for heritage and eco-tourism.
- Increase awareness of outdoor activities and recreational opportunities.
- Protect marshlands and projections of the City's existing right of ways into the marsh.
- Promote, enhance and improve natural resources, particularly along the waterfront.
- Protect the waterfront from obtrusive high-rise development.
- Maintain and preserve open space with significant cultural or historical heritage, such as old shipping and seafood docks.
- Investigate the feasibility of a rails-by-trails path.
- Adopt a Conservation Subdivision Ordinance.
- Modify subdivision regulations to require preservation of sensitive natural areas.
- Require developers to link open spaces together into a publicly accessible open space network.
- Partner with PSA to increase awareness of outdoor and recreational opportunities, etc.
- Enforce litter control guidelines, etc.
- Consider implementing GreenPrint recommendations, as appropriate or desired.
- Expand multi-use paths, as recommended in the Master Plan and the *Camden County Bike and Pedestrian Plan*.

Corridor/Gateway Areas Vision: To improve mobility and accessibility to the City of St. Marys, promoting quality commercial development and alternative modes of transportation.

Issues & Opportunities Policy Implementation Measure:

- St. Marys has some unattractive commercial areas, such as strip-mall shopping centers.
- Trees are being lost to new development.
- Although high intensity uses are concentrated along major corridors, the City lacks public transportation options.
- Corridors are designed in ways that discourage pedestrian and bicycle activity.
- Corridors are congested at peak hours.

- Opportunities exist to utilize the corridor for directing tourists to desirable locations throughout the City.
- Corridor management during emergency situations needs to be improved.
- Create appropriate ordinances to control corridor development.
- Discourage billboards and other types of undesirable signs.
- Promote use of signage to direct visitors downtown and to scenic areas.
- Encourage modification of existing strip-mall centers to become more visual and pedestrian friendly.
- Encourage landscaped medians where appropriate.
- Address requirements for commercial and industrial landscaping.
- Explore the feasibility of a regional transit system.
- Consider recommendations from *Camden County Bike and Pedestrian Plan*.
- Coordinate with GDOT to mitigate traffic congestion, improve transportation concerns, encouraging signalization where needed.
- Draft a master plan for the commercial corridors and entranceways.
- Annex Exit 1, ensuring development will occur as desired.
- Update sign ordinances, implementing recommendations of the way-finding initiative.
- Draft and enforce commercial and industrial landscape ordinance, adopting minimum standards for design, setbacks, buffers, etc.
- Adopt corridor overlay districts for prominent roads in the City, requiring the preservation of existing trees in landscaped buffers.
- Implement GreenPrint recommendations, as appropriate or desired.
- Investigate the potential of multi-use trails, such as rails-with-trails path.
- Coordinate with GDOT/GEMA to improve evacuation routes.

Historic Areas Vision: To promote and protect the historic waterfront district as a significant community resource, enhancing both the sense of place and the quality of life for residents and tourists alike.

Issues & Opportunities Policy Implementation Measure:

- Downtown St. Marys needs to be promoted as an attractive place for business development.
- Although citizens are aware of the natural resources and historic properties within the community, awareness and protection can be enhanced as public understanding of these structures is increased.
- There is a lack of public transportation and parking availability, for residents and tourists.
- Support the shop local campaign—“Keep It in Camden.”
- Encourage opportunities for tourism.
- Plan for mixed-use economic development, through planning and zoning.
- Encourage mixed uses within the historic downtown area.
- Maintain current quality of life and sense of place.
- Protect the waterfront from obtrusive development, discouraging high-rise development.
- Maintain and expand waterfront opportunities and accessibility for the public.

- Promote, enhance and improve natural and historic resources and the waterfront in particular.
- Consider options to improve transportation opportunities, such as a trolley, cart paths, etc.
- Investigate parking options.
- Continue to provide financial support to the CVB, DDA and St. Marys Development Authority.
- Draft a master plan based on SCAD study, highlighting the “re-emerging Spirit of St. Marys.”
- Provide interpretive kiosks outlining the area’s history.
- Support a water taxi service to other cities/locations from a base at the waterfront.
- Restore the Pavilion.
- Review and update ordinances to incorporate design standards and landscaping guidelines.
- Expand Gilman Waterfront Park.
- Create a “trolley” transit system for the waterfront.
- Conduct a downtown parking study.
- Establish a memorial for all wars and services on the waterfront.

Neighborhood Infill Areas Vision: To encourage redevelopment opportunities to preserve and enhance the area’s traditional character and architectural styles, creating additional housing opportunities.

Issues & Opportunities Policy Implementation Measure:

- There is an inadequate mix of uses within the City.
- Some areas of St. Marys are dilapidated and in need of revitalization and/or upgrade.
- There is a need for workforce and military housing.
- There is not enough affordable housing.
- Although citizens are aware of the natural resources and historic properties within the community, awareness and protection can be enhanced as public understanding of these structures is increased.
- Use of alternative modes of transportation can be increased.
- Neighborhoods need to be prepared for emergency management concerns.
- Encourage mixed-use opportunities by reviewing and evaluating zoning and development ordinances.
- Consider redevelopment opportunities to maintain and preserve neighborhood character.
- Encourage rapid redevelopment of newly vacant or abandoned properties.
- Support affordable housing and alternative housing opportunities.
- Encourage compatible architectural styles that maintain regional character.
- Protect historic structures, where appropriate.
- Promote alternative modes of transportation, including pedestrian-friendly design, cart paths, etc.
- Encourage hurricane resistant retrofits on existing structures.

- Review and update ordinances to incorporate design standards and landscaping guidelines.
- Condemn or rehabilitate structures, based on need assessed during housing inventory.
- Develop volunteer-based grassroots rehabilitation program for home repair.
- Formulate a redevelopment plan, preserving original housing stock; allowing for compatible infill development and maintaining pedestrian orientation.
- Adopt ordinances that allow alternative types of affordable housing.
- Expand the historic district, seeking NRHP designation once completed.
- Continue to update ordinances, permitting mixed uses.
- Continually update Emergency Preparedness Plan.

Suburban Developing Areas Vision: To promote livable communities where residential and commercial uses coexist; creating connectivity and walkability while promoting an appropriate mix of function, use and design.

Issues & Opportunities Policy Implementation Measure:

- New or innovative development and high-density development typically evokes neighborhood opposition.
- There is an inadequate mix of uses, such as corner grocery stores, within the City.
- Innovative development is taking place; however, infrastructure needs and impact on natural resources must be considered.
- There is not enough affordable housing.
- Trees are being lost to new development.
- There are contaminated properties surrounding the Durango site.
- Evaluate zoning and development ordinances, planning for mixed uses.
- Encourage and support development of active adult and continuing care communities.
- Encourage development to take place in areas with adequate public facilities.
- Explore opportunities for development to pay for itself.
- Consider impacts of new developments on existing infrastructure as well as natural and culture resources.
- Encourage alternative housing opportunities that will facilitate affordable housing options.
- Investigate former industrial properties that might cause environmental pollution.
- Encourage new projects that will not cause environmental pollution.
- Update ordinances to allow mixed uses and higher densities.
- Promote mixed age communities.
- Develop infrastructure master plan.
- Promote a public transit system.
- Develop a "Safe Routes to School" plan for all elementary schools except for Crooked River.
- Adopt ordinances that promote affordable workforce housing.
- Support the development of an Affordable Housing Team.
- Require developers to link open spaces, creating an opens space network.
- Consider GreenPrint recommendations, as appropriate or desired.

- Adopt a conservation subdivision ordinance.

Development Patterns Vision: To promote quality growth, affordability and a sense of place, while continuing to provide effective and efficient service delivery to all residents.

Issues & Opportunities Policy Implementation Measure:

- As rapid population growth occurs, community facilities will need to be expanded and improved.
- Rapid population growth, both now and in the future, pose a challenge for city officials to discern how quickly and where services and infrastructure will be needed.
- Some parts of the City are not adequately being served by water and wastewater facilities.
- The cost of providing services and facilities for new development is nearly exceeding the revenue incurred.
- The placement of overhead wires is unattractive and prevalent throughout the City.
- Population growth will impact water, stormwater and waste water capacities.
- Explore and prioritize areas in need of infrastructure and facility improvements.
- Provide services and facilities to meet the demands of the growing population.
- Encourage location of new and existing overhead utility wiring underground as feasible.
- Maintain functional and efficient water and waste water capacities to support new development.
- Encourage master planning for infill development to promote compatible architecture, etc.
- Consider using impact fees to pay for new development.
- Implement the City's Master Plan.
- Continue to develop an annual Capital Improvements Plan.
- Implement and update, as needed, the water and sewer master plan.
- Require new utility extensions and overhead lines to be run underground, where possible.
- Inventory downtown sewer lines to eliminate stormwater infiltration issues, including downspouts into the sanitary system.
- Implement Stormwater Master Plan.
- Develop an annexation plan.
- Adopt landscape and design guidelines.
- Evaluate ordinances and zoning regulations; update as necessary or create new restrictions, as needed.
- Implement impact fees.

Resource Conservation Vision: To preserve, protect and promote the City's natural, historic and cultural resources with special consideration to the unique coastal resources inherent to the City of St. Marys.

Issues & Opportunities Policy Implementation Measure:

- Natural, cultural and historic resources are protected throughout the City; however, as public awareness is increased, these resources will be improved, enhanced and promoted.
- Public access to the waterfront and associated recreational activities is limited.
- Encourage heritage tourism opportunities to promote public education and preservation of resources.
- Explore opportunities to provide increased access to natural, cultural and historical resources throughout the City.
- Explore opportunities to maintain and expand waterfront accessibility for the public
- Implement a local museum that presents the history of St. Marys from 1900 to the present, focusing on railroads, industry and growth.
- Establish a National Historic Landmark site at the Point Peter, War of 1812 encampment.
- Support efforts to inventory and recover War of 1812 nautical artifacts from the area—both land and sea.
- Support efforts to inventory Fort Tammany and recover any available artifacts.
- Establish a memorial for all wars and services on the waterfront.
- Consider implementing GreenPrint recommendations, as appropriate or desired.
- Review opportunities to acquire properties that are suitable for providing public access to rivers, streams and marshes.
- Maintain existing public access at street ends into the marsh, rivers and streams.

Social and Economic Development Vision: To enhance the quality of life for all residents and visitors—improving economic opportunity, housing diversity and sense of community.

Issues & Opportunities Policy Implementation Measure:

- The economy is dependent upon the Naval Submarine Base Kings Bay to some extent.
- Activity centers throughout the City need to be enhanced and promoted.
- Population projections indicate that over 14% of the City’s population will be aged 50 and older by 2030.
- Provide support to economic development agencies, supporting the KIC campaign.
- Encourage businesses that will keep workers local via good pay and benefits.
- Encourage development of the Harbor to accommodate both tall and transient ships.
- Investigate, encourage and support diversification of the marina.
- Encourage the development of an “incubator,” building in the Boch Plant.
- Research the possibility of transitioning the St. Marys Airport into a “boutique” facility.
- Explore strategies and locations to create activity nodes, such as the Aquatic Center, Downtown and Midtown.
- Encourage and support development of active adult and continuing care communities.

- Draft Economic Development Implementation Plan.
- Market opportunities to host conventions, sports activities, etc.
- Support efforts of CVB, DDA and St. Marys Development Authority to recruit and retain local businesses.
- Develop the Harbor as place for tall ships and transient ships to dock/visit.
- Update the Airport into “boutique” facility with additional hangers, air taxi services, dirigible masts, flight school, sky-diving, etc.
- Utilize the Airport to promote St. Marys as destination for dining, shopping, etc.
- Complete master plan for the airport.
- Expand the existing library facility to meet future needs.
- Create development and activity centers at desired locations.
- Expand Aquatic Center to include lands around the park for trails, parking, etc.
- Reconstitute the Housing Authority.
- Draft a master plan based on SCAD study, highlighting the “re-emerging Spirit of St. Marys.”
- Promote the development of mixed-age communities.
-

Governmental Relations Vision: To maintain cooperative initiatives while actively pursuing additional partnership opportunities with local municipalities, as well as surrounding jurisdictions, in order to provide the highest quality of services for residents and business-owners.

Issues & Opportunities Policy Implementation Measure:

- The City of St. Marys is land-locked by the City of Kingsland.
- The City maintains working relationships with the County, the Cities of Kingsland and Woodbine, as well as the National Park Service (NPS) at Cumberland Island and Naval Submarine Base Kings Bay.
- New population projections will require increased coordination with related agencies.
- Encourage opportunities for additional cooperation and partnership with neighboring Kingsland and other jurisdictions.
- Encourage NPS to enhance and promote tourism opportunities at the museum in St. Marys.
- Encourage the NPS to request the annexation of Cumberland Island by the City of St. Marys.
- Encourage the discussion of annexing Naval Submarine Base Kings Bay.
- Actively support LUCA and Census 2010, coordinating with the data available in 2011.
- Work in conjunction with neighboring jurisdictions to implement the Joint Comprehensive Plan.
- Eliminate unincorporated “islands,” created by spot annexation.
- Coordinate with Naval Submarine Base Kings Bay to attain land for sewer plan and road improvements.
- Continue efforts to change the address of the Welcome Center and other properties within the City of St. Marys that have Kingsland addresses.
- Prepare for population growth by partnering with RDC and U.S. Census on LUCA for Census 2010.

Financial Policies

It is the responsibility of the City of St. Marys to provide quality services with adequate funding, to manage growth and account for public funds. This section presents the policies that the City follows in managing its financial and budgetary activities. These policies passed by Council have guided the City in maintaining financial stability over the years.

Fiscal Policies

Below are long term financial policies and goals employed by the City of St. Marys:

- The City will attempt to maintain a diversified and stable revenue system to shelter it from short-fund fluctuations in any single revenue source.
- The City will enact consistent collection policies so that assurances can be provided that the revenue base will materialize according to budgets and plans.
- The City will operate with a balanced budget for all budgeted funds. Total anticipated revenues, plus that portion of beginning of the year unreserved fund balance in excess of the required fund balance reserve, must equal total estimated expenditures for each of the governmental fund types. For proprietary fund types, total anticipated revenues and unreserved retained earnings must equal estimated expenses.
- The City will attempt to establish and maintain a fund balance reserve for the General Fund to pay expenditures caused by unforeseen emergencies, for shortfalls caused by revenue declines and to eliminate any short-term borrowing for cash flow purposes.
- The City will fully fund its defined benefit pension plan and will also fully fund its 457 and deferred compensation plan.
- The City will maintain its physical assets at a level adequate to protect the City's capital investment and minimize future maintenance and replacement costs.

Purchasing

Per City Charter - The Mayor and Council prescribes by ordinance the procedures for all purchases of real and personal property by the City. Competitive bidding shall be required for purchases and contracts, and awards shall be made to the lowest or best bidder, except as where otherwise provided for by ordinance. Prior to the making of purchases and contracts, the availability of adequate funds shall be certified as provided by ordinance.

A purchasing policy has been approved for the City. The policy provides instructions for the purchase of goods and services other than what is set forth in the City Charter and the officials Code of Georgia.

It is the policy of the City to make all purchases of supplies, materials, equipment and contractual services on the basis of best value for the lowest price and whenever practical via competitive pricing or bids. The decision as to whether a specific purchase shall be made via sealed bids, phone quotes or market basis will be determined by the City Manager in accordance with the City's purchasing practices and provisions of all applicable Federal, State and local laws. The Finance Director is responsible for submitting changes to these procedures to ensure that up to date business practices and efficient use of public funds are incorporated in the day to day practices. Changes will be sent to the City Manager for approval. All applicable discounts will be sought. The City's purchasing policies shall also incorporate the following principles:

- a. Designation of Purchasing Authority.
- b. Standardization and specification to reduce redundancy and ensure the quality of goods and services.
- c. Bulk commodity purchase discounts. Planned maintenance schedules to reduce costs associated with time sensitive purchases.
- d. Controlled emergency purchase procedures.
- e. Stimulation of competitive bidding to reduce prices.
- f. Inspection and testing of goods delivered to enforce compliance with specifications and terms of contracts.
- g. Redistribution of excess obsoletes and salvaged goods.
- h. Market analysis, assuring purchases when market conditions are favorable.
- i. Prompt payment of all bills, thereby earning cash discounts.
- j. Transfer of usable supplies from one using agency to another.
- k. Reduction of unnecessary sales effort and expense.
- l. Elimination of unnecessary paperwork.
- m. Elimination of unnecessary purchases.
- n. Elimination of conflict of interest.
- o. Elimination of favorites and convenience in public purchasing.
- p. Optimum use of local vendor sources.
- q. Optimum use of state contract.
- r. Due consideration of value, estimated life, and service factors.
- s. Sound business practices and professional purchasing processes.

Investing

For cash and investments, the City will maintain as few accounts as possible in order to maximize any interest earnings. The City uses a pooled cash account that accounts for General Fund, Water and Sewer Fund, Solid Waste Fund and Aquatic Center Fund cash assets. Separate accounts are set up for Multi-Grant Fund, Tourism Fund and SPLOST Fund. Before the City invests any surplus resources, a competitive bid process shall be conducted. The City will utilize the Georgia Local Government Investment Pool anytime their rate of return is higher than the rate determined through requests from banks.

Investment Instruments:

The assets of the funds of the City may be invested only in the following:

- U.S. Treasury Obligations
- Selected U.S. Agency Obligations
- State of Georgia Obligations
- Prime Bankers Acceptances
- Repurchase Agreements
- Commercial Bank Certificates of Deposits
- Savings and Loan Deposits
- The Georgia Local Government Investment Pool

Capital Improvements Policy

A Capital Improvement Program (CIP) is a long-range plan of purchasing, constructing and maintaining the City's capital assets. A capital budget is the portion of the operating budget that funds capital costs.

A Capital Improvement Program (CIP) will be developed for a period of five years. As resources are available, the most current year of the CIP will be incorporated into the current years' operating budget. The CIP will be reviewed and updated annually.

For the Capital Improvement Program, all land and land improvements, building projects and equipment costing \$5,000 or more are classified as capital assets. Capital projects and/or capital asset purchases will receive a higher priority if they meet some or most of the following criteria:

- 1) Mandatory project
- 2) Project improves efficiency
- 3) Effect of project on operation and maintenance costs
- 4) Elimination of hazards
- 5) Project's expected useful life
- 6) Availability of state/federal grants

Audit

Georgia Statutes 36-81-7 requires the City have an annual independent audit of its financial statements. The audit is performed in accordance with Generally Accepted

Auditing Standard. The annual audit is public record and can be found on our website at www.stmarysga.gov. The following provides guidance regarding the general audit.

- a. An annual audit will be conducted by a properly licensed independent public accounting firm.
- b. Every three to four years, the City shall issue a request for proposal to choose an auditor for a period of three years with two one year options.
- c. When issuing a request for proposal, the City will request two proposals from qualified CPA firms. One proposal shall contain the firm's costs and a second will contain the firm's qualifications. The cost proposals shall only be opened after three qualified firms have been determined. When awarding the contract for the independent audit, not less than 70% of the decision will be based upon technical qualifications rather than cost.
- d. The agreement between the independent auditor and the City shall be in the form of a written contract. The contract shall include the request for proposal as an appendix to the written contract and all issues addressed in the request for proposal shall be required as part of the contract.

Financial Reporting

The Finance Department prepares monthly financial reports for citizens, internal management purposes and the City Council. The reports (by fund and department) provide budget vs. actual revenue and expense activities on a year to date basis with comparison of prior year to date.

Debt Policies

On occasion, the City will issue short-term debt to cover cash flow problems. In addition, the City may issue long-term debt for high cost longer lived capital assets.

The issuance of long-term debt is limited to capital improvements or projects that the City cannot finance from current revenues or resources. Current resources are defined as that portion of fund balance in excess of the required reserves.

The City will limit the total of its general obligation long-term borrowing to 10% of the assessed value of all property as per the most recent tax digest. The City will attempt to keep the average maturity of general obligation bonds at or below ten years. All efforts shall be made to limit the long-term debt maturity schedule to the estimated useful life of the capital asset constructed or purchased. Annual budget appropriations shall include debt service payments (including interest) and reserve requirements for all general long-term debt currently outstanding.

Revenue Policies

The City levies property taxes and assesses the 1% Local Option Sales Tax and the Special Local Option Sales Tax. In addition, the City assesses user charges for garbage, water and sewer activities, public works, public safety and human resources. The

following policies provide guidance regarding the assessing and collection of these revenues.

- The City will attempt to maintain a diversified and stable revenue system to shelter the City from short-fund fluctuations in any single revenue source. The revenue mix should combine elastic and inelastic revenue sources to minimize the effect of economic downturns.
- The City will work towards diversifying its revenue base in order to reduce its dependence upon property taxes.
- The City will strive to keep the revenue system simple which will result in a decrease of compliance costs for the taxpayer or service recipient and a corresponding decrease in avoidance to pay.
- The revenue system of the City will strive to maintain equity in its structure. That is, the City will seek to minimize or eliminate all forms of subsidization between entities, funds, services, utilities, and customers. However, it is recognized that public policy decisions may lead to subsidies in certain circumstances.
- The City will establish fees and user charges at a level related to the total cost (i.e. operating, direct, indirect and capital or debt service) of providing that service.

Reserve Policy

The City implemented GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. Per the fund balance policy, “The City will maintain at a minimum, unassigned fund balance in its General Fund of no less than four months of regular General Fund operating revenues or regular General Fund operating expenditures.”

The City will attempt to establish and maintain a fund balance reserve for the general fund to pay expenditures caused by unforeseen emergencies, for shortfalls caused by revenue declines and to eliminate any short-term borrowing for cash flow purposes. All other funds must never incur negative fund equity.

Intentionally Blank

Basis of Presentation

The City of St. Marys accounts are organized and operate on a fund basis as set forth by Generally Accepted Accounting Principles (GAAP). A fund is an autonomous accounting entity with a self-balancing set of accounts. Fund Accounting segregates funds for specific purposes in accordance with laws and regulations or special restrictions and limitations.

Types of Funds

The current funds used by the City are General Fund, Special Revenue Funds, Capital Improvements Fund, and Enterprise Funds. Below is a brief description of each fund type and the fund used by the City of St. Marys.

General Fund is used to finance all general government operations necessary to serve its citizens. St. Marys General Fund consists of: Administration, Finance, Municipal Court, Police, Fire, Public Works, Planning & Zoning, Building, and Economic Development.

Special Revenue Funds are established to account for proceeds that must be used for a specific project. These monies are legally restricted and the Special Revenue Fund provides an extra level of accountability to the taxpayer that the funds were expended on the intended purpose. St. Marys has (4) four Special Revenue Funds: Confiscated Assets Fund, Multi-Grant Fund, Convention & Visitors Bureau Fund, and Hotel/Motel Tax Fund.

Capital Improvements Funds are established to account for financial resources used for the acquisition or construction of major capital projects. St. Marys has (2) Capital Improvements Fund (SPLOST VI and SPLOST VII) and the local maintenance improvement grant (LMIG).

Enterprise Funds are established to account for services provided to the public on a user charge basis. There are three (3) Enterprise Funds: Water/Sewer Fund, Solid Waste Fund, and Aquatic Center Fund.

Basis of Accounting

The basis of accounting establishes the time financial transactions are recorded as income or expense in the various funds used by the City, when it becomes due or when it is actually paid or received.

Governmental Funds – Used to account for the City’s general government activities. These funds, which are not concerned about profitability, use a modified accrual basis. Revenue is recognized when it becomes both available and measurable, rather than when it is earned. Expenditures for modified accrual accounting are recognized when the related liability is incurred.

St. Marys considers revenues available if they are collected within 60 days after year end. Property taxes, sales and use tax, franchise taxes, licenses, interest, and

miscellaneous revenues are recorded as revenues when received because they are not generally measurable until actually received. St. Marys considers expenditures due when the related liability is incurred. Grant expenditures are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements are met.

Proprietary Funds (Enterprise) - Used for services provided to the public on a user charge basis. This is similar to the operation of a commercial enterprise used for business-like activities. This type of fund usually operates on an accrual basis. Governmental accountants often refer to the accrual basis as "full accrual" to differentiate it from modified accrual basis accounting.

History at Rest

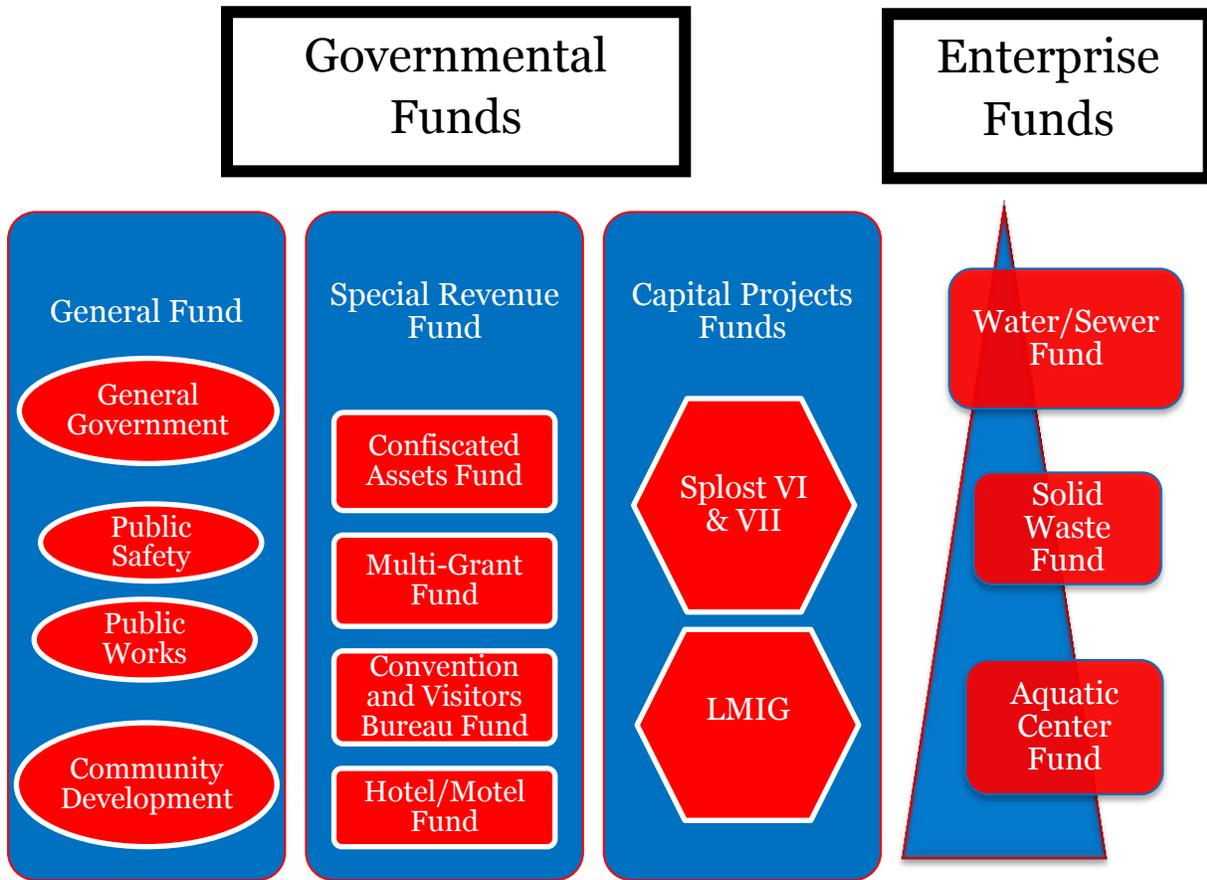

City of St. Marys Organizational Chart FY 2017

City of St. Marys Fund and Function Chart

The City of St. Marys accounts are organized and operate on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that encompass the City’s assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriated. Government resources are segregated and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

FY 2017 City of St Marys Fund Structure

As noted in the chart “FY 2017 City of St. Marys Fund Structure” shown above, St. Marys utilizes three (3) major governmental fund types: General, Special Revenue, and Capital Projects. St. Marys also utilizes Enterprise Funds.

CITY OF ST. MARYS - FUND AND FUNCTION CHART

Funds:	General Fund	Enterprise Fund	Special Revenue	Capital Improvements
Functions:	Legislative Executive Finance Information Technology Human Resources Municipal Court Police Department Fire Department Public Works General Governmental Buildings Parks Highways and Streets Library Planning & Zoning Building Cemetery Code Enforcement Senior Center Airport Economic Development Special Facilities Contingencies	Water/Sewer Solid Waste Aquatic Center	Confiscated Assets Multi-Grant Tourism Hotel/Motel LMIG	SPLOST VI SPLOST VII

The **General Fund** accounts for all general operations of the City necessary to serve our citizens. By definition, St. Marys has only one General Fund. All financial resources, except those required to be in another fund, are reported in the General Fund. The General Fund accounts for the collection of property taxes, Local Option Sales Tax (LOST), excise taxes, permits & licenses, fines and forfeitures, service charges, and other miscellaneous and intergovernmental revenues. St. Marys General Fund consists of: Administration, Finance, Municipal Court, Police, Fire, Public Works, Planning & Zoning, Building, and Economic Development.

The **Special Revenue Fund** is established to account for proceeds that must be used for a specific project. These funds provide an extra level of accountability to the taxpayer indicating that the funds were expended on the intended purpose. St. Marys has four Special Revenue Funds: Confiscated Assets Fund, Multi-Grant Fund, Convention & Visitors Bureau Fund, and Hotel/Motel Tax Fund.

- Confiscated Assets Fund is used to account for funds received from confiscated assets. The monies are to be used to purchase necessary equipment and supplies for the Police Department.
- Multi-Grant Fund is used to account for grant revenues received. These funds are used for equipment and other operating needs of the departments receiving the funds. The majority of the funds have a designated use.
- Hotel/Motel Tax Fund is used to account for the taxes received from hotel/motels collected as required by law. These funds are used to promote tourism.
- Convention & Visitors Bureau Fund is used to account for related revenues and expenditures in tourism. These funds are used to promote tourism and tourism related activities.

The **Capital Project Fund** is established to account for financial resources used for the acquisition and/or construction of major capital projects. The City has two Capital Improvements Funds (SPLOST VI and SPLOST VII) and the LMIG in FY2017.

- Special Purpose Local Option Sales Tax Fund is used to account for the 1% sales tax collected for special projects.
- Local maintenance improvement grant (LMIG) is used to account for the Georgia Department of Transportation funds for road infrastructure.

The **Enterprise (Proprietary) Fund** establishes a separate accounting/financial reporting mechanism for services for which a fee is charged in exchange for goods and services. The revenues and expenses for the service is separated in its own financial statements, rather than commingled with the revenue and expenses of all other government activities. The City's utility Enterprise Funds are: Water/Sewer Fund, Solid Waste Fund, and Aquatic Center Fund.

- Water and Sewer Fund is used to account for water and sewer services financed by user charges and other revenues.
- Solid Waste Fund is used to account for solid waste management that is financed by user charges. The collection of solid waste is outsourced to a private contractor.
- Aquatic Center Fund is used to account for the St. Marys Aquatic Park that is financed by user charges.

The City of St. Marys is committed to providing the highest level of “Quality of Life” to its citizens. In the FY 2017 approved budget, 139.810 full-time equivalents are included to meet the daily needs of our citizens and visitors. These employees greet our customers, answer questions for our visitors, landscape our parks, fight fires, protect our community, and provide a countless number of other services to ensure that the City of St. Marys is the most wonderful destination for those that live here and for those that visit.

2017 Approved Budget Staffing Summary

With the changing world, the City is obligated to balance the need for providing quality service to its citizens while also maintaining expenditures. To accomplish this task in the FY 2017 budget, and to maintain its current number of fulltime equivalents, there were some allocation changes that consisted of: a decrease of .1 full-time equivalents in Finance, an increase of .05 in Cemetery and a .05 increase in Planning.

The chart shown below “The combined statement of budgeted revenues, expenditures and changes in fund balance” depicts which fund will utilize reserves in FY 2017.

The Funds that are utilizing an appropriation of fund balance or retained earnings for FY 2017 operations are:

- General Fund: \$492,655 - FY 2016 surplus to pay for marketing, master plan, one time purchases, capital cost and debt retirement.
- LMIG Fund: \$300,000 – FY 2015/2016 grant funds to pay for road improvements.
- Water/Sewer Fund: \$440,229 – reserves to pay for capital cost.
- Solid Waste: \$80,027 – reserves to pay for the increase in landfill fees.

Intentionally Blank

Combined Statement of Revenue, Expenditures and Change in Fund Balance

General Fund

The General Fund is the primary operating fund for the City. This is a major governmental fund and accounts for all financial resources of the general government, with the exception of those accounted for in specific funds. The “Transfers In” represents transfers from the Multi-Grant Fund for a grant that pays for fire equipment. The “Transfers Out” includes transfer to Special Revenue Tourism Fund to assist with operations.

Multi-Grant Fund

The Multi-Grant Fund is used to account for all City grants. The City has a Georgia Emergency Management Agency – Safety/Hazmat material grant budgeted in FY 2017 along with the bullet proof vest grant for the Police Department. These funds are reserved for specific purposes that aid in providing “Quality of Life” for St. Marys citizens.

Special Revenue Hotel/Motel

The St. Marys Convention and Visitors Bureau (Special Revenue - Tourism Fund) was created for the purpose of promoting tourism in the City of St. Marys. The City of St. Marys collects the hotel/motel tax at a rate of 6%. At this time, all funds are turned over to the St. Marys Convention and Visitors Bureau.

Special Purpose Local Option Sales Tax Fund

The Special Purpose Local Option Sales Tax (SPLOST) is a 1% sales tax voted in by citizens for the purpose of capital projects. Currently available in St. Marys is SPLOST VI and SPLOST VII. These funds are slated for the capital improvements of qualifying projects such as roadways, walkways, storm drainage, traffic signals, sewer projects, water projects, debt retirement, equipment, and government facilities.

LMIG Fund

The (LMIG) Georgia Department of Transportation for Local Maintenance Improvement Grant is a grant for purpose of road projects.

Water and Sewer Enterprise Fund

The Water and Sewer Enterprise Fund is for the operations of water distribution, for sewer collection systems and other activities that support these functions.

Solid Waste Fund

The Solid Waste Fund accounts for the operations of trash and recycling collection system and other activities that support the function.

Aquatic Center Fund

The Aquatic Center Fund accounts for the operations of a small scale water park.

The Governmental Funds that are utilizing an appropriation of fund balance for FY 2017 operations are:

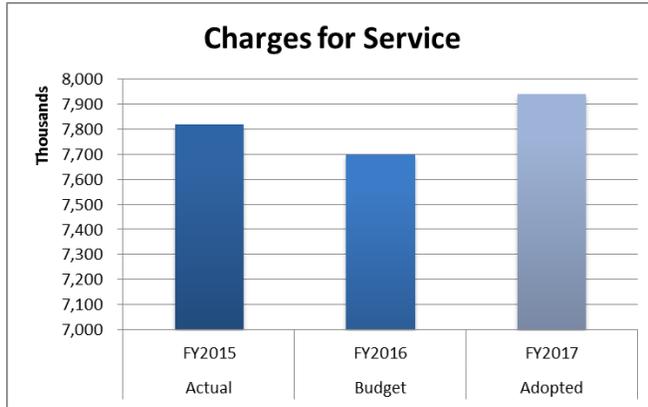

- General Fund: \$492,655 - FY 2016 surplus to pay for marketing, master plan, one time purchases, capital cost, and debt retirement.
- LMIG Fund: \$300,000 – FY 2015/FY2016 grant funds to pay for road improvements.

Intentionally Blank

Revenue Analysis

Charges for Services

This revenue source includes revenues generated for services such as water and sewer, solid waste, tourism, and recreation.

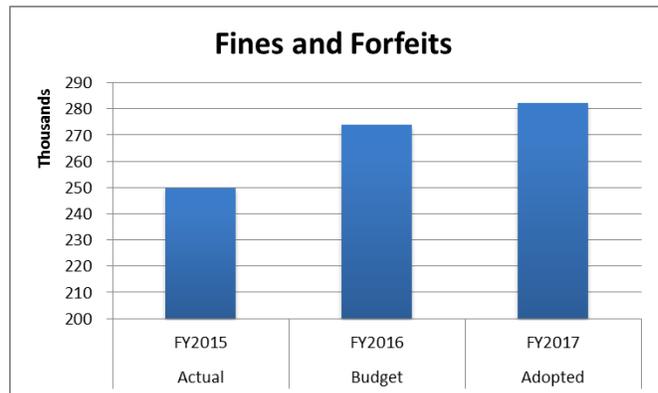

Assumptions: The charges for services have increased in FY 2017 over FY 2016 mainly in water and sewer fees due to new construction. The water and sewer charges are billed on a tiered rate structure to encourage conservation. This category of fees also includes construction fees, solid waste collections, tourism, and recreation.

Fines and Forfeitures

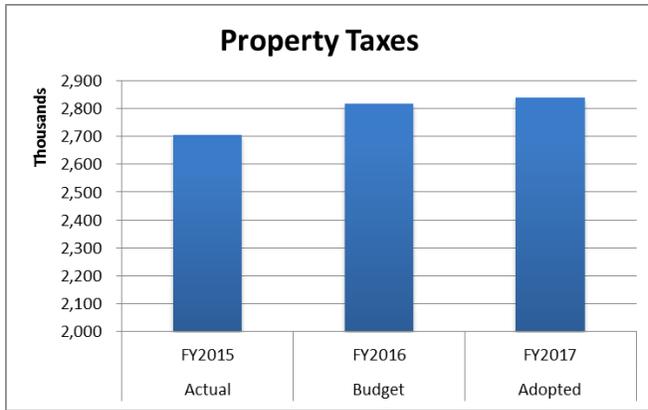

Traffic fines and citation fees collected by the Municipal Court constitute this category of revenue.

Assumptions: There are a number of vacant police positions at this time as with other governments in the area. However, the City did see an increase in the fines and forfeitures category. This is due to the excellent police service and court staff we have within the City.

Property Taxes

This category of revenue includes real estate and personal property taxes levied on residential and commercial property to support the General Fund.

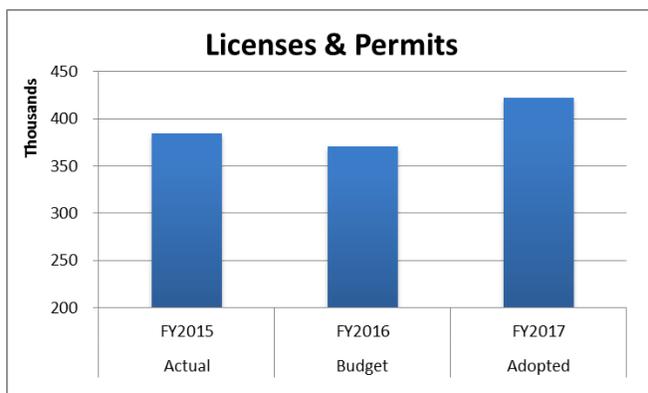

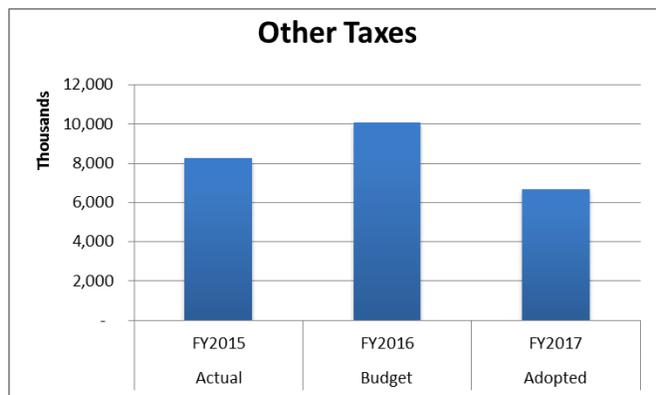

Assumptions: The City of St. Marys' millage rate for the General Fund remained the same over several years while the digest continued to decrease. In FY 2016, the City digest leveled out and the City Council voted to raise the millage rate to 6 mills. The property taxes have been budgeted in FY 2017 at the same level as FY 2016 to cover debt service for much needed equipment.

Other Taxes

This category of revenue includes franchise fees, state insurance premium tax, alcoholic beverage excise tax, 1% sales tax (LOST & SPLOST) and real estate transfer tax.

Assumptions: Franchise fees are expected to increase in FY 2017. The telephone company is offering cable service which accounts for some of the increase. Insurance premium tax has shown a slight increase in the last few years. LOST (Local Option Sales Tax) has shown a dip in the collection for FY 2017; therefore, the collection amount for FY 2017 has been decreased over last year. The City has spent all SPLOST VI (Special Purpose Local Option Sales Tax) funding available in FY 2016 which accounts for the biggest drop in revenue. SPLOST VII collections are being remitted to the City on a monthly basis. These funds will be used for drainage, roads, streets, sidewalks, other sewer infrastructure, buildings and most importantly bond debt retirement. Another dip that has been realized is SPLOST VII collection projections.

Licenses and Permits

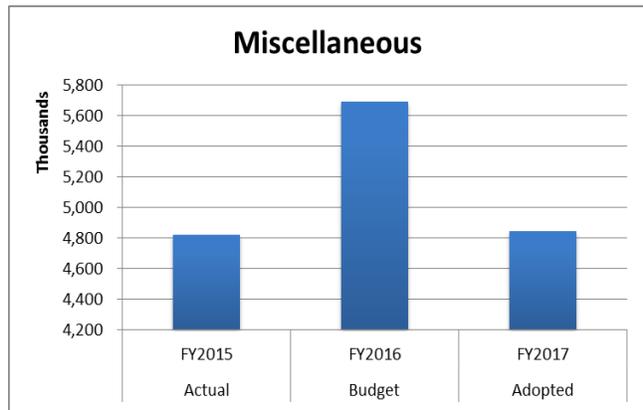

This category of revenue includes business and occupation licenses and construction permits.

Assumptions: The City has seen an increase in building revenue over the past year. An increase has been projected in building permits to reflect the growth. Other revenues in this category that were budgeted are consistent with FY 2016: beer/wine licenses, business licenses, zoning fees, and sign permits.

Miscellaneous Revenue

This category includes a wide variety of revenue sources throughout all funds such as donations, rental income, interest income, proceeds from inventory and fixed assets, sales, and miscellaneous receipts.

Assumptions: The largest portion of this category is made up from the transfer to water/sewer (\$1.67M) from SPLOST VII for debt retirement coupled with the use of fund equity from the LMIG grant, water/sewer and SPLOST VII funds to cover capital cost in FY 2017. Other miscellaneous revenues include rental income from the U.S. Coast Guard and various rentals of City facilities which

have remained stable over the past several years. This is due to the lease the City has with the United States Coast Guard which shares a facility with our Police Department. Overall, this category of revenue is inconsistent in nature. Many of the revenues occur randomly and they are not likely to be included in the adopted budget. Therefore, all miscellaneous sources are budgeted based on the trends of recent years.

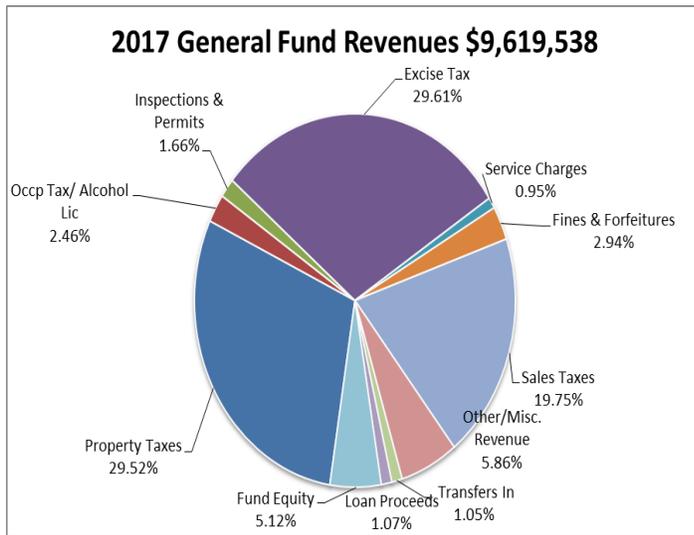

Intentionally Blank

Revenue Summary

The City of St. Marys revenue is derived from five basic categories which are charges for services, taxes, other taxes, licenses and permits, fines and forfeitures, and miscellaneous revenues.

General Fund

The General Fund differs from the other funds because it has a variety of revenue sources where increases and decreases can be seen across all the categories.

Property tax collections provide revenue for the General Fund for maintenance and operations. The millage rate is slated to be adopted at the same rate in FY 2017 as FY 2016. Property taxes account for 29.52% of the General Fund revenue. Other taxes, which consist of insurance premium tax, franchise taxes, mobile home tax, real estate tax, local options sales tax, and other miscellaneous taxes, make up 29.61% of the General Fund revenue.

At the end of FY 2016, licenses and fees were slightly above budget; therefore, the FY 2017 amount budgeted was slightly higher.

Traffic fines and citation fees have increased due to higher collections in FY 2016.

It is expected that the gas, cable, telephone fees, and insurance premium tax will increase slightly in FY 2017. The LOST (Local Option Sales Tax) will decrease in FY 2017 to be more in line with collections in FY 2016.

Charges for services have increased slightly due to cemetery plot sales and copies sold. Miscellaneous revenue (other revenue) has remained stable due to rental income from the lease agreement with the U. S. Coast Guard. The City has budgeted for loan proceeds this fiscal year to buy much needed equipment.

Intentionally Blank

Revenue Summary

Multi-Grant Fund

The Multi-Grant revenue has increased for FY 2017. The City has a Georgia Emergency Management Agency – Safety/Hazmat Material Grant, an OEA Grant and a Bullet Proof Vest Grant, which is reserved for specific purposes, budgeted in FY 2017.

Special Revenue Hotel/Motel

The Convention and Visitors Bureau has seen the effects of the downturn in the economy; however, in FY 2016 there was an increase in revenue. It is anticipated that the level of revenue generated from the Hotel/Motel tax will remain consistent and therefore an increase has been budgeted in FY 2017.

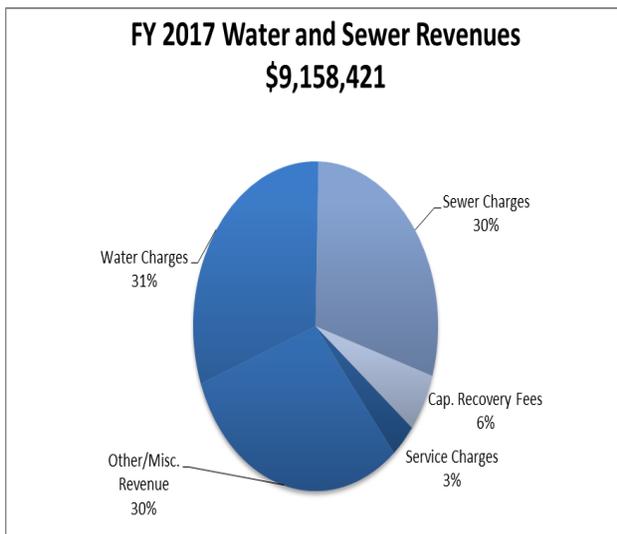

Special Purpose Local Option Sales Tax Fund

SPLOST VII was implemented in March 2013. The revenue for the City’s SPLOST VII funds has been budgeted at a decrease over prior year due to the drop in gas prices. SPLOST VI funding was completed in FY 2016.

LMIG Capital Projects Fund

The revenues for the LMIG are from the Georgia Department of Transportation for Local Maintenance Improvement Grant which is allocated strictly for road projects.

Water and Sewer Enterprise Fund

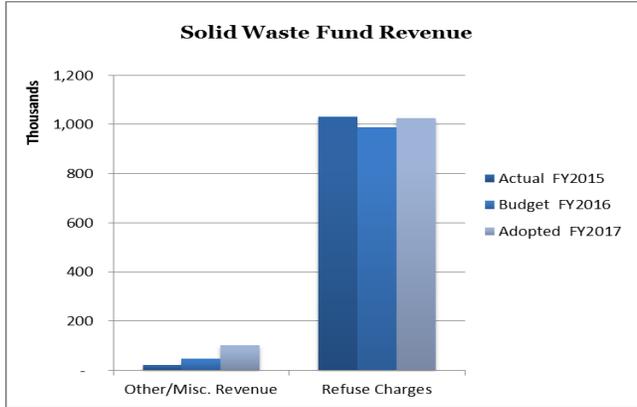

The City’s Water and Sewer revenues are projected to increase from the use of fund equity to cover capital cost. The Water and Sewer fees have remained consistent over the past several years and are expected to remain in this trend for FY 2017.

Charges for services comprise the majority of the revenue in the Water and Sewer Fund at 61% for FY 2017. Sewer charges account for 30% of revenue and water charges account for 31% of revenue.

Revenue Summary

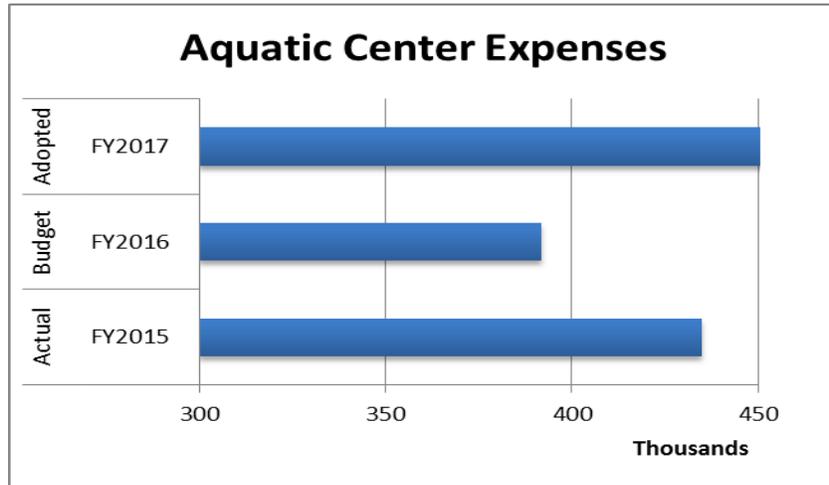

Solid Waste Fund

The Solid Waste Fund accounts for the operations of trash, recycling collection system, and other activities that support the function. The main sources of revenues are charges for services. There are no changes expected in the current prices for this service; therefore, revenues have remained consistent over the past several years.

Aquatic Center Fund

The Aquatic Center Fund accounts for the operation of a small scale water park that provides enjoyment for young and old from many surrounding counties. The revenue for the Aquatic Center increased in FY 2016 and is slated to increase again in FY 2017 due to higher usage of the water park. We believe this is a great destination for day trips.

Intentionally Blank

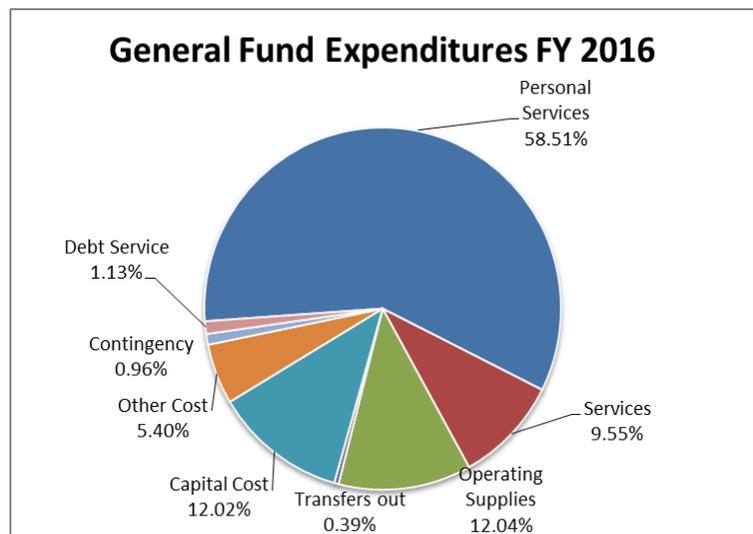

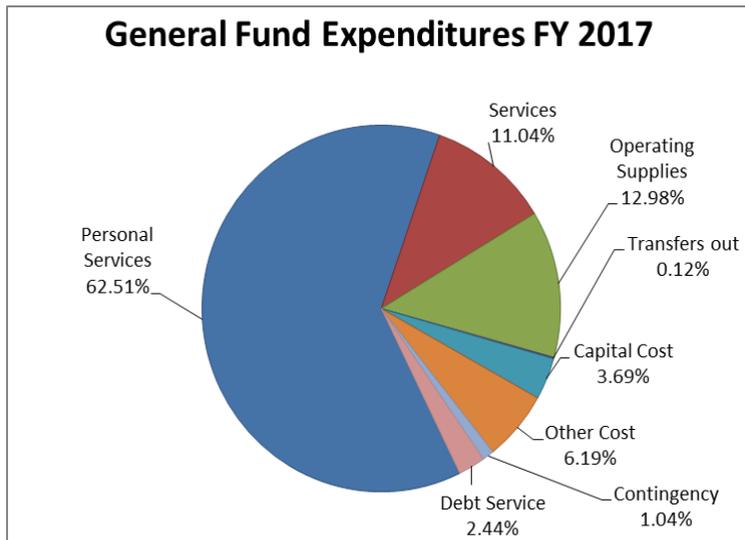

Expenditure Summary

The City of St. Marys' expenditure budget is conservative across the board for all funds. With the continued sluggish economy, the City has made appropriate adjustments in all areas to ensure that the level of service its' citizens deserve is still provided.

General Fund

The total FY 2017 Expenditure Budget for the General Fund decreased approximately 8% over the FY 2016 Budget. The major decrease was in loan proceed of approximately \$1 million. Most other expenditures remained consistent with last year. The graph below displays the distribution of funds by function for FY 2016 and FY 2017.

The Operating Budget is a balanced budget that conforms to state law.

Expenditure Summary

Multi-Grant Fund

The Multi-Grant Fund is used to account for all City grants. The City has a Georgia Emergency Management Agency – Safety/Hazmat Material Grant, OEA Grant and a Bullet Proof Vest Grant budgeted in FY 2017. These funds are reserved for specific purposes that aid in providing “Quality of Life” for St. Marys citizens.

Special Revenue Hotel/Motel

The St. Marys Convention and Visitors Bureau (Special Revenue - Tourism Fund) was created for the purpose of promoting tourism in the City of St. Marys. The City of St. Marys collects the hotel/motel tax at a rate of 6%. At this time, all funds are turned over to the St. Marys Convention and Visitors Bureau. The increase in the tourism budget over last year is due to a cooperative effort of marketing the City.

Tours available by the St Marys Convention and Visitor Bureau

Special Purpose Local Option Sales Tax Fund

The Special Purpose Local Option Sales Tax (SPLOST) is a 1% sales tax voted in by citizens for the purpose of capital projects. The SPLOST VII funds are slated for the capital improvements of qualifying projects such as roadways, walkways, storm drainage, traffic signals, sewer, equipment, and government facilities.

Intentionally Blank

Expenditure Summary

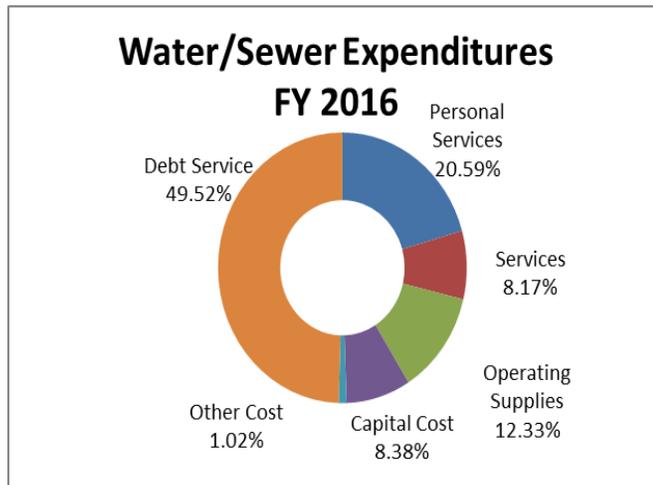

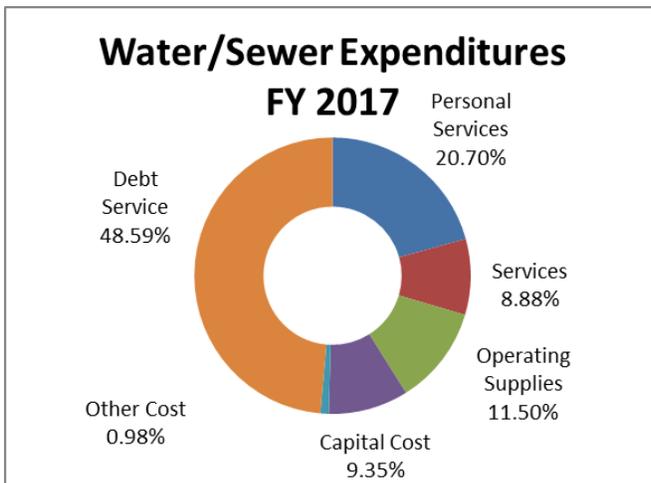

LMIG Capital Projects Fund

The expense for the LMIG (Local Maintenance Improvement Grant) is from the Georgia Department of Transportation which is allocated strictly for road projects.

Water and Sewer Fund

The total FY 2017 expenditures increased approximately 2.6% over last year. This is due to planned upgrade of infrastructure for a sewer line. There are some slight increases across the board to handle the needs of the water/sewer fund.

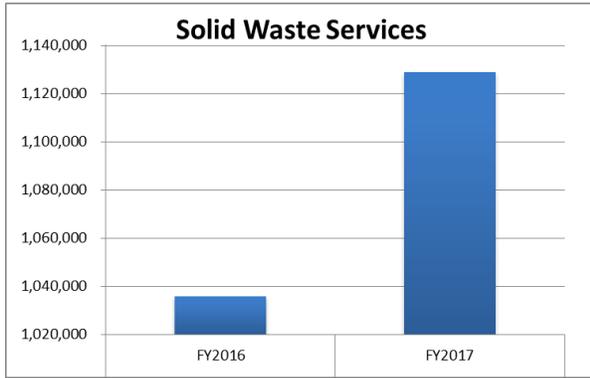

Also, SPLOST VII was voted in by citizens that will help provide for debt expense and other capital infrastructure needs this year. By using SPLOST funds, the City will be able to alleviate passing the cost on to its citizens.

Expenditure Summary

Solid Waste Fund

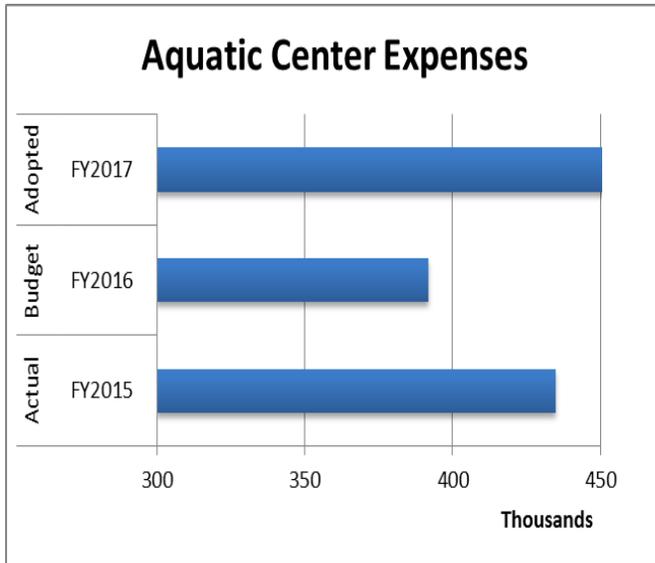

The Operating Budget for the Solid Waste Fund increased slightly at 9%.

This is due to an increase in landfill and contract fees. All other cost remained consistent with FY 2017.

The Operating Budget is not a requirement of state law; however, it is a balanced budget that serves as a management tool.

Aquatic Center Fund

The Operating Budget for the Aquatic Center Fund represents a slight increase in expenditures from the previous year of 16%. This is due to the increase in usage and the amount of retail items that are purchased that will be recouped in revenue.

The Operating Budget is not a requirement of state law; however, it is a balanced budget that serves as a management tool.

The City has contracted with the Camden County Public Service Authority to manage and run the facility. All personnel are contracted through them.

Intentionally Blank

Aggregate Debt Service

The City of St. Marys currently has debt outstanding which includes GEFA loans, Financial Institution loans, and revenue bonds.

General Government

Long Term Debt – The City of St. Marys authorizes the issuance of debt financing which is used to provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current revenues. As of June 30, 2016, the City’s governmental activities issued new debt for capital equipment. The City plans to issue additional debt in FY 2017.

Limitations on City Debt

The Constitution of the State of Georgia provides that the City may not incur long-term obligations, payable out of general property taxes without the approval of a majority of qualified voters of the City, voting at an election called to approve the obligations. In addition, under the Constitution of the State of Georgia, the City may not incur long-term obligations payable out of general property taxes in excess of ten percent of the assessed value of all taxable property within the City. Proceeds of long-term debt will not be used for current, ongoing obligations. According to the 2015 tax digest, the assessed value of taxable property in St. Marys was \$519,655,275. St. Marys’ long-term obligations payable could not exceed \$50,441,257 (or 10% of the assessed value).

Enterprise Funds

The City of St. Marys authorizes the issuance of debt financing which is used to provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current revenues.

During the year 1992, the City issued revenue bonds for the purpose of refunding and providing for payment and redemption of certain refundable, outstanding St. Marys Water and Sewer Capital Improvement and Refunding Revenue Bonds, Series 1988. The principal amount of the bonds was \$4,770,000. The bonds were dated November 1, 1992. The Revenue Bonds were issued for infrastructure and are backed by user fees. It will be paid in full in 2018 (FY 2019). The principal balance at June 30, 2016 was \$1,160,000.

The City issued 2007 Series Bonds through the Camden County Public Service Authority on December 20, 2007 in the amount of \$43,695,000. The Bonds were variable rate demand revenue bonds. The bonds were issued for the expansion of the Point Peter Waste Water Plant. On September 30, 2010, the City refunded the Series 2007 Bonds, through the Camden County Public Service Authority, with Series 2010 Bonds. The 2010 Series Bond encompassed the refinancing of two GEFA loans (97-L97-WS and 98-L46-WJ). The bonds were financed for 22 years with the first three years as interest only. The principal balance of the 2010 Series Bond is \$38,085,000.

The City currently has 2 outstanding GEFA loans which are being used to provide needed capital equipment and infrastructure improvements.

Below is an all-inclusive list of the City's debt.

Long-Range Financial Planning

St. Marys is the second oldest City in the United States. It is important to keep the historic community alive while integrating new “development” to sustain the community. In order to accomplish this task, it is important to have long-range financial planning.

Long-range financial planning to retain sustainability is a critical component of the City’s success. This year the City put together a three (3) year forecast for its major funds – General Fund, Water/Sewer and Solid Waste. This plan is a tool to assist management in the planning and allocation of resources. The plan ensures the City is fiscally responsible in decision making while providing quality of life for its citizens.

These quality of life aspects include:

- A safe and secure community.
- An environmentally sensitive community.
- An aesthetically pleasing community.
- A community which supports and recognizes the importance of diverse recreational, social and cultural activities and events.
- A community which is hospitable, supportive, friendly, caring and encourages a sense of community.
- A community which fosters prosperity.

It is important to ensure that recurring revenues and expenses are aligned. Council made the hard decision this year to maintain the millage rate to help provide needed tax revenues to pay for debt service in the General Fund. For FY 2017 and future years, the additional taxes will ensure the City will be able to purchase vehicles, equipment and provided infrastructure to ensure the quality of life aspects are met. The City has completed two tax lien sales. This will be an ongoing event once a year to ensure revenues are available to support the needs of the City.

In the Water/Sewer Fund, Special Purpose Local Option Sales Tax (SPLOST) is being used for debt retirement in order to hold the water/sewer rates at current levels. Reserves have been allocated for some major purchases and upgrades. In the future, the City will issue additional debt to ensure infrastructure is maintained.

Due to changes in the past year with landfill fees, the Solid Waste Fund has dipped into reserves in order to pay for the increased fees. The City contracts Solid Waste services out. The City has no plans for capital expenditures in this fund.

Intentionally Blank

Diversity in economic development is a major key to the City's future. Bringing in business will supply revenues to all three funds through taxes, fees, and user fees. Along with pushing economic development, the City has set aside funds in FY 2017 and future years to market the City.

Long-Range Financial Planning

The City is currently working on a master plan to help guide the future. Council and Management will hold its second strategic planning session in the fall of 2016 to further discuss allocation of resources for the next five years. Again this year, specific projects will be a top discussion to ensure we are meeting our long-range planning.

Three Year Budget

Below is a three year budget for the major funds for the City which includes the General Fund, SPLOST, Water/Sewer and Solid Waste Fund. Council and Staff have included the estimates to chart the path for the future to ensure the stability of each fund. This gives an overall view of how the City goals will fit in the budget in the future.

If the need in the future adjust, Council and Staff will need to look at the projected budgets and make the necessary changes weather it includes increased fees, increase allocated fund equity, or push a project that is currently budgeted back a year to fit the necessary change in.

Capital Outlay Overview

For FY 2017, this department does not have any capital outlay expenditures planned.

Budget Summary

The overall decrease in this budget is \$15,704 or -4.5% from last year's budget. The net decrease is a combination of a decrease in other purchased services for master planning and a decrease in election expense.

Personnel

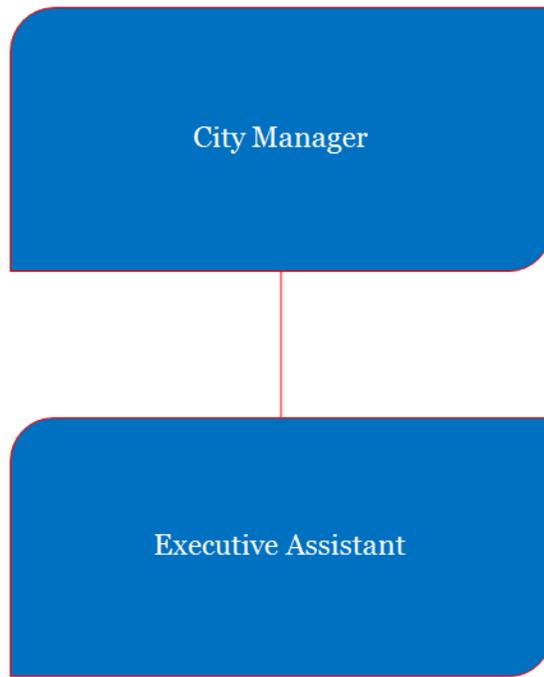

Personnel remained constant from FY 2016 to FY 2017. The Legislative Department accounts for the salary for the Mayor and the six Councilmembers and the City Clerk.

Capital Outlay Overview

For FY 2017, this department has budgeted capital expenditures for a vehicle.

Budget Summary

The overall increase in this budget is \$41,889 or 13.6% from last year's budget. The change in the budget is due to an increase in salaries and benefits, legal fees, education, travel, and capital expenditures.

Personnel

Personnel remained constant from FY 2016 to FY 2017. The City Managers' salary is split between General Fund and Water-Sewer Fund.

Finance Department Organization Chart FY 2017

Finance Department

Purpose Statement:

The Finance Department supports the quality of life of the City by ensuring the fiscal viability of the organization.

Departmental Goals (including, but not limited to):

1. Ensure financial information is processed accurately and in a timely manner.
2. Develop strategies to partner with the community by effectively informing citizens of financial information.
3. Work with departments to develop improved financial reporting and operations.
4. Maintain or improve current financial position and bond rating.
5. Obtain Governmental Finance Officers Association Budget Award and GFOA Certificate of Achievement in financial reporting.
6. Obtain audit report with "unqualified opinion."
7. Develop strategies for City Council consideration to address Water and Sewer Debt Service/rate challenges.

Performance Measures	2015	2016	2017

Information Technology Organizational Chart FY 2017

Information Technology

Purpose Statement:

Information Technology supports the quality of life of the City by facilitating the flow of information in support of organizational goals and outcomes.

Departmental Goals (including, but not limited to):

1. Prepare Information Technology Strategic Plan focusing on improving the networks, infrastructure, services and security (i.e. what to fix, when, how, and by whom).
2. Assess website capabilities and conduct a cost/benefit analysis on improvements to the site.
3. Develop a Customer Satisfaction Survey.
4. Develop at least one online application.

Performance Measures	2015	2016	2017
Outcome Measures	Actual	Goal/Actual	Goal
1. Overall satisfaction rating of "good" or above on work order customer feedback forms.	91%	100%/N/A	100%
2. Overall Department Head satisfaction rating of "good" or above on survey.	91%	100%/96	100%
3. Enterprise Network availability.	98%	98%/98%	99%
4. Enterprise Business System availability.	98%	98%/96%	99%
Efficiency/Effectiveness Indicators	Actual	Goal/Actual	Goal

Capital Outlay Overview

For FY 2017, this department has \$35,000 budgeted in capital outlay expenditures.

Budget Summary

Overall decrease of \$101,687 or -4.2% from last year's budget. The decrease is due to a combination of reduction in capital expenditures and a reduction in salaries and benefits

Personnel

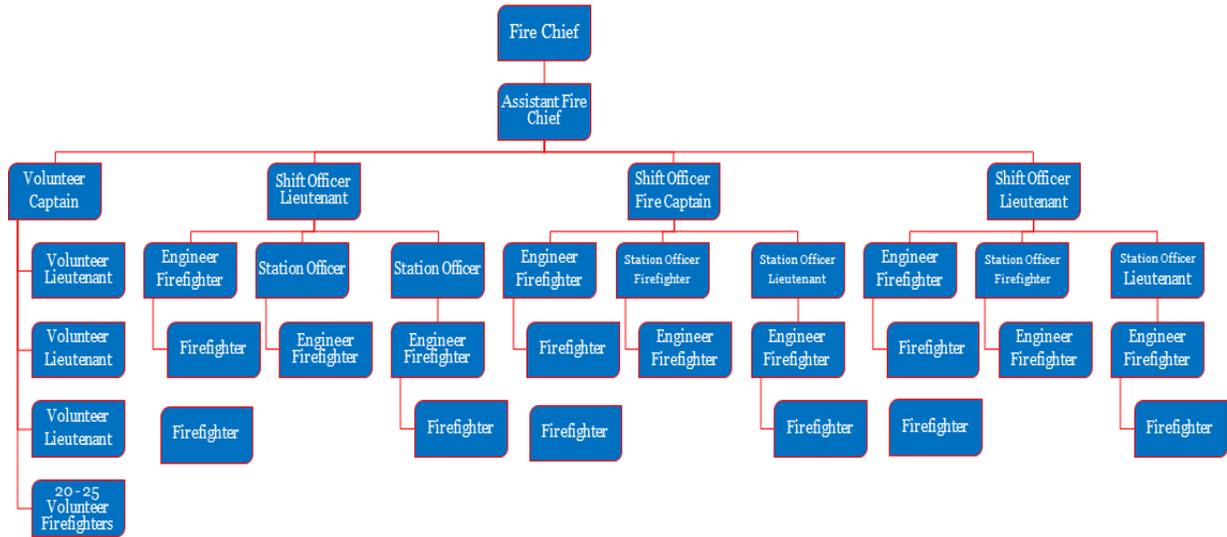

Personnel remained consistent from FY 2016 to FY 2017.

Fire Department Organizational Chart FY2017

Fire Department

Purpose Statement:

The Fire Department supports the quality of life of the City by ensuring the protection and preservation of life and property.

Departmental Goals (including, but not limited to):

1. Provide prompt emergency response to control fires and mitigate hazardous conditions throughout the City.
2. To provide property fire protection to reduce fire loss and to minimize the dollar amount of property value loss to fire damage in structures.
3. Provide timely review of fire related building plans.
4. Maintain or approve upon current Insurance Service Office (ISO) rating.
5. Increase fire prevention education and activities in the community.
6. Continue to provide existing level of service within the approved budget.
7. Continue to oversee the development of Supervisory Employee Development Program.

Performance Measures	2015	2016	2017
Outcome Measures	Actual	Goal/Actual	Goal
1. Percent of respondents designating fire service as "good" or above within reporting period.	90%	90%	90%
2. Percentage of residential fires confined to room of origin.	50%	29%	40%
3. Property loss from fire as a percentage of the value of the property exposed.	11%	16%	14%
4. Percentage of return on investment (Fire Department Budget to property saved value).	78%	84%	86%
Efficiency/Effectiveness Indicators	Actual	Goal/Actual	Projected
1. Average response time in minutes.	5.14	4.38	5
2. Insurance Service Office (ISO) Rating.	4	3	3

Code Compliance Organizational Chart FY 2017

Code Compliance

Purpose Statement:

To provide services to protect the lives, property and environment of our community through the enforcement of codes. In a proactive manner, the Code Compliance staff seeks to partner with residents, neighborhood organizations, businesses, public agencies and other City departments to enhance the understanding of local regulations. These efforts strive to not only protect property values, but more importantly the quality of life for the citizens of St. Marys

Departmental Goals (including, but not limited to):

1. Enforce Regulations - Code Compliance will seek to resolve violations through voluntary compliance. In the absence of compliance, Code Compliance will pursue other remedies to achieve compliance.
2. Education - Code Compliance will seek to explain the purpose of regulations to foster community support and involvement of the citizens of St. Marys to help identify solutions in an effort to assist individuals with voluntary compliance.
3. Effective Service - Code Compliance will maintain an accountable, transparent, responsive and fiscally responsible program by tracking and meeting performance measurements and improving business processes.

Multi-Grant Fund

The Multi-Grant Fund is used to account for all City grants. The City has a Georgia Emergency Management Agency – Safety/Hazmat Material Grant, Office of Economic Adjustment Grant and Bullet Proof Vest Grant budgeted in FY 2017. These funds are reserved for specific purposes that aid in maintaining the best quality of life for St. Marys citizens.

Special Revenue Hotel/Motel

The St. Marys Convention and Visitors Bureau (Special Revenue - Tourism Fund) was created for the purpose of promoting tourism in the City of St. Marys. The City of St. Marys collects the hotel/motel tax at a rate of 6%. At this time, all taxes collected are turned over to the St. Marys Convention and Visitors Bureau.

Special Purpose Local Option Sales Tax Fund

The Special Purpose Local Option Sales Tax (SPLOST) is a 1% sales tax voted in by citizens for the purpose of capital projects. Currently available in St. Marys is SPLOST VII.

LMIG Fund

The (LMIG) Georgia Department of Transportation for Local Maintenance Improvement Grant is a grant that helps with cost associated with maintaining and repairing City roads.

Water and Sewer Enterprise Fund

The Water and Sewer Fund accounts for the operation of the City's water distribution and sewer collection system. This fund also supports other activities that support the water and sewer function.

Solid Waste Fund

The Solid Waste Fund accounts for the operation of the trash and recycling collection system in the City and other activities that support the function.

Aquatic Center Fund

The Aquatic Center Fund accounts for the operations of a small scale family oriented Water Park.

Water Department

Purpose Statement:

The Water Department supports the quality of life of the City by ensuring the availability of safe, quality drinking water.

Departmental Goals (including, but not limited to):

1. Continue to meet Environmental Protection Department (EPD) permit regulations.
2. Continue to lessen the amount of unaccounted for water.
3. Improve efficiency of Water Plants by installing Chlorine Residual Analyzers.

Performance Measures	2015	2016	2017
Outcome Measures	Actual	Goal/Actual	Goal
1. Compliance rate with EPD mandated testing.	100%	100%/100%	100%
2. Water Audit Validity Score (out of 100).	59%	60%/68%	60%
3. Percent of survey respondents that rate the water quality as "good" or above.	58%	70%/56%	70%
Efficiency/Effectiveness Indicators	Actual	Goal/Actual	Goal
1. Percent of fire hydrants repaired within five days.	98%	90%/45%	90%
2. Peak day water demand as a percentage of capacity.	36%	25%/66.3%	30%
3. Departmental expenditures per capita.	\$79.92	\$95.66/80.11	\$102.70

Capital Outlay Overview

For FY 2017, this department budgeted \$660,000 in capital outlay expenditures for a sewer upgrade, vehicles and equipment.

Budget Summary

Overall increase of \$131,323 or 4.7% from last year's budget. The net increase is due to salaries and benefits, vehicle repair, electricity, and capital outlay.

Personnel

Personnel remained constant from FY 2016 to FY 2017.

Capital Outlay Overview

For FY 2017, this department budgeted \$196,500 in capital outlay expenditures for vehicles and equipment.

Budget Summary

Overall increase of \$59,799 or 3.5% from last year's budget. The net increase is a combination of an increase in capital outlays and contingencies.

Personnel

Personnel remained constant from FY 2016 to FY 2017. Employee salaries in the Finance Department, the City Manager and Public Works Department split between General Fund and Water-Sewer Fund.

Capital Outlay Overview

For FY 2017, this department does not have any capital outlay expenditures planned.

Budget Summary

Overall increase of \$93,052 or 9% from last year's budget. The net increase is due to increase in collection fees and landfill fees.

Personnel

Personnel remained constant from FY 2016 to FY 2017. The Finance Department employee's salaries are split between General Fund, Water-Sewer Fund and Solid Waste Fund.

Capital Outlay Overview

For FY 2017, this Fund does not have any capital outlay expenditures planned.

Budget Summary

Overall, the budget increased \$61,300 or 15.7% from last year's budget. The net increase is other purchased services and small equipment.

Personnel

The City outsourced the management and the employment function of the facility to the Camden County Public Service Authority. There are no City employees in this fund.

FY2016 - FY2021
CAPITAL IMPROVEMENTS PROGRAM

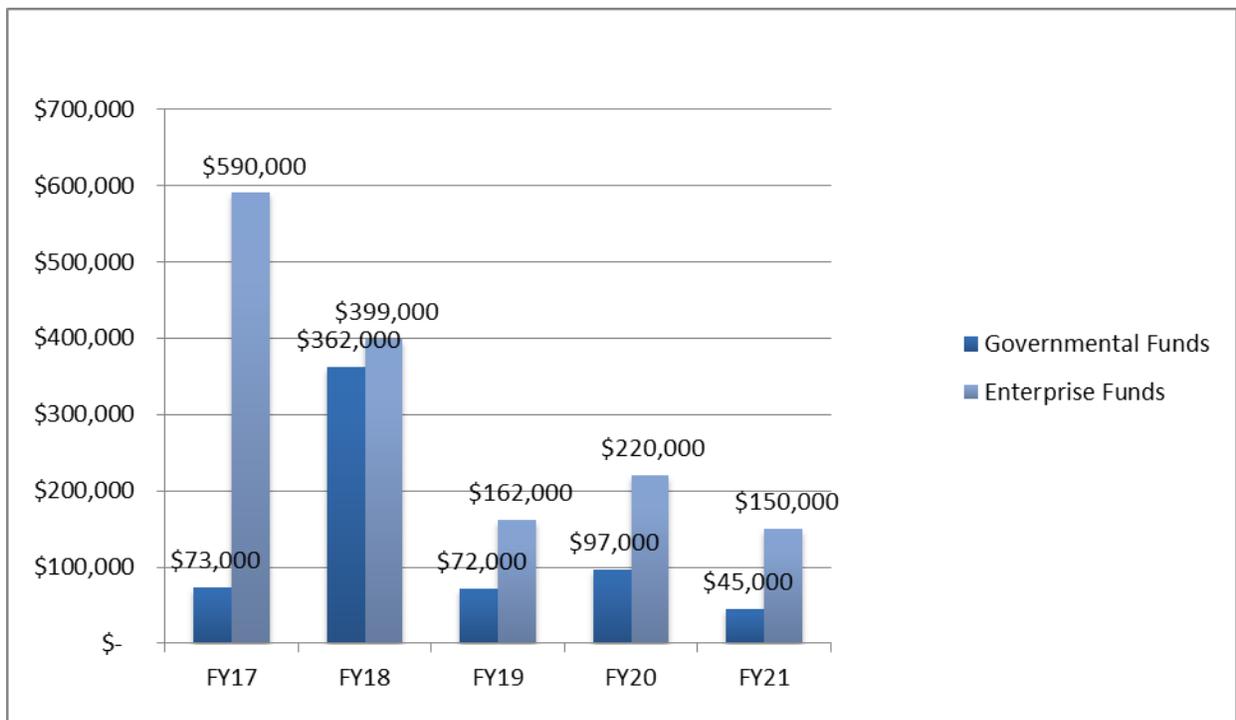

CAPITAL IMPROVEMENTS PROGRAM

The City of St. Marys developed a Five-Year Capital Improvement Program (CIP) as part of the budget. The capital threshold for St. Marys is \$5,000 or more. This program identifies project/equipment cost and the timing of necessary financing arrangements over a five-year planning period.

During the hard economic times, the City did not make any major equipment purchases or expand infrastructure. The purpose of the CIP is to establish direction over five fiscal years and to help plan replacement of aging assets. The CIP allows for scheduling improvements based on the availability of funding.

The City will be using loan sources in FY 2017 and future years to pay for the capital expenditures in the General Fund. The debt service will be retired by an increase in the tax revenue. The Water/Sewer capital for FY 2017 will be paid for with fund equity. In the future years, the City will use a combination of loan sources and user fees to pay for infrastructure, vehicles and equipment and retirement of debt.

This chart provides for project/equipment cost that will be funded from the General Fund and Enterprise Fund (Water/Sewer) by year.

SUMMARY

The chart below displays the CIP by fund type.

FUNDING FROM ALL FUNDS	Proposed FY17	Proposed FY18	Proposed FY19	Proposed FY20	Proposed FY21	TOTAL
TOTAL CAPITAL OUTLAY FUNDING						
Governmental Funds	\$ 395,000	\$ 362,000	\$ 72,000	\$ 97,000	\$ 45,000	\$ 971,000
Enterprise Funds	\$ 590,000	\$ 399,000	\$ 162,000	\$ 220,000	\$ 150,000	\$ 1,521,000
<i>Total ALL Capital Outlay</i>	\$ 985,000	\$ 761,000	\$ 234,000	\$ 317,000	\$ 195,000	\$ 2,492,000

General Fund

The City has budgeted \$395,000 in capital expenditures in FY 2017. Loans will be used to pay for the majority of the equipment and fund equity will be used to pay for the remaining equipment. Fund equity and grants will be used to pay for the Median and Streetscape projects.

In order to cover the debt payments, the City proposed to maintain the millage rate at the FY 2016 level. This also helps the City maintain a healthy fund equity in the General Fund.

Enterprise Funds

In FY 2017, the City has proposed to make some major upgrades to its sewer system fore-main on Point Peter Road, to repair/replace lift stations pumps and purchase some much needed vehicles and equipment. The City will be using fund equity to cover these expenses and loans. In the future years, the City will use a combination of user charges and loans to provide the needed funds to secure the vehicles, equipment and infrastructure.

Intentionally Blank

The charts below display the CIP by fund type/department.

CAPITAL IMPROVEMENTS PROGRAM PROJECTS

Executive Department

Project: Vehicle \$28,000

Project Description: To purchase a vehicle for Manager

Project Justification: Current vehicle is old, transmission is slipping, and maintenance cost on vehicle is to high.

Intentionally Blank

CAPITAL IMPROVEMENTS PROGRAM PROJECTS

General Government Buildings

Project: Lighting \$55,000

Project Description: To replace old lighting at City Hall and other Facilities

Project Justification: Current lighting is old and out dated.

Replacing lighting to more energy efficient for money saving.

Project: Customer Service Area \$10,000

Project Description: Upgrade Customer Service Area at City Hall

Project Justification: Current setting is too small, falling apart and space is not customer friendly.

Police Department

Project: Vehicle \$35,000

Project Description: To purchase patrol vehicle

Project Justification: Current vehicle repair cost are high.

To increase efficiency within the department.

CAPITAL IMPROVEMENTS PROGRAM PROJECTS

Public Works

Project: Vehicle \$90,000

Project Description: Purchase Tandem Axle Day Cab Tractor

Project Justification: Current vehicle is in very poor condition.
To increase efficiency within the department.

Project: Trailer \$40,000

Project Description: To purchase Lowboy Trailer

Project Justification: Current trailer is in very poor condition.
To increase efficiency within the department.

Project: Mower Deck \$40,000

Project Description: To purchase Mower Deck

Project Justification: Current Mower Deck is in very poor condition due to the sandy area we live in. To increase efficiency within department.

Intentionally Blank

CAPITAL IMPROVEMENTS PROGRAM PROJECTS

Highway and Streets

Project: St. Marys Enhancement Median Project \$40,000

Project Description: To enhance area

Project Justification: Current area is the entrance to Downtown.
To enhance for cohesiveness.

Project: St. Marys Streetscape \$60,000

Project Description: Engineering for Streetscape Design

Project Justification: The Downtown Strategic Vision & Plan has been completed. This is to start the much needed rehab of the downtown.

Visual of new median and brick side pavers

Intentionally Blank

CAPITAL IMPROVEMENTS PROGRAM PROJECTS

Project: Sewer Force Main Point Peter Road \$ 450,000

Project Description: Replace small line with a 16" line

Project Justification: The current line feeds the entire City and is too small. Due to issues, the line has been repaired three times over the past two years. The line will be replaced to improve current level of service.

Project: Lift Station Pumps \$140,000

Project Description: Replace pumps at Lift Stations

Project Justification: Various pumps need to be replaced at the lift stations due to wear and corrosion from the gases of the sewage. This improves the current level of service for our customers.

Project: Bypass Pumps \$70,000

Project Description: Replace bypass pump

Project Justification: Currently the equipment has to be rented. It is important to have this type of equipment on hand in case of an emergency in order to service our customer.

CAPITAL IMPROVEMENTS PROGRAM PROJECTS

Water

Project: Service Vehicle \$26,500

Project Description: F250 Service Body/Tommy Lift

Project Justification: Currently the vehicle equipment has high mileage and maintenance cost. It is necessary to replace to improve the current level of service and the for the safety of our employees.

Project: Generator \$170,000

Project Description: Purchase Emergency Generator for Water Plant

Project Justification: Currently the water plant does not have a generator to provide power in case of power loss.

This will improve the current level of service for citizens.

SPLOST VII

Project: Street Paving \$260,000

Project Description: Resurfacing and Repairing

Project Justification: To repair /replace street and infrastructure that is failing. Maintaining the City's roadways to ensure our citizen's safety is a priority.

LMIG

Project: Street Paving \$450,150

Project Description: Resurfacing and Repairing

Project Justification: To repair /replace street and infrastructure that is failing. Maintaining the City's roadways and infrastructure to ensure safety.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Account Number</i>	In accordance with the state chart of accounts, each class of expenditures and revenues is assigned a specific account number for use within the City's accounting system.
<i>Accrual Basis of Accounting</i>	Method of accounting that recognizes transactions & events when they occur, regardless of the timing of when the related cash flows are received or paid.
<i>Actuarial</i>	A person or methodology that makes determinations of required contributions to achieve future funding levels that addresses risk and time.
<i>Ad Valorem Taxes</i>	A tax levied on assessed value of real and personal property within the City and not expressly exempted. Property is assessed by the County Assessor's Office. This tax is also known as property tax.
<i>Amortization</i>	Debt - The paying off of debt in regular installments over a period of time. Intangible Assets – Annual allocation of the value of an intangible asset over a period of time.
<i>Appropriation</i>	The City Council's legal authorization for the City to make expenditures and incur obligations for specific purposes. The amount and time when the appropriation may be expended are usually limited.
<i>Assessed Valuation</i>	The County Property Appraiser's estimation of the Fair Market Value of real estate or other property. This valuation is used to determine taxes levied upon the property.
<i>Balanced Budget</i>	Estimated expenditures may not exceed estimated revenues.
<i>Bond Debt</i>	A written promise to pay a designated sum of money (called the principal), at a specific date in the future, together with periodic interest at a specified rate. These payments are identified as debt service. Bonds are generally used to obtain long-term financing for capital improvements.
<i>Bond Rating</i>	Evaluation by a rating company of a bond issuer's financial strength, or its ability to pay a bond's principal and interest in a timely fashion.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Budget</i>	A plan of financial operation embodying an estimate of proposed expenditures for a given period (usually a single fiscal year) and the proposed means of financing. The budget, once adopted, is the legal authorization to expend city funds during the fiscal year. The budget may be amended during the fiscal year by the governing body and/or management, in accordance with procedures specified by law, charter, and/or administrative rules & regulations.
<i>Budget Calendar</i>	The schedule of key dates or milestones that the city follows in the preparation, adoption, and administration of the budget.
<i>Budget Message</i>	A general discussion of the proposed budget as presented in writing by the Finance Director to the City Council.
<i>Budget Resolution</i>	The official enactment by the City Council legally authorizing them to obligate and spend resources.
<i>Budgetary Control</i>	The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitation of available appropriations and available revenue.
<i>Capital Improvement</i>	A financial plan for construction of physical assets such as buildings, streets, sewers, etc. The plan extends over several future years indicating the beginning and ending date of each project, the amount to be expended in each year and the method of financing those expenditures.
<i>Capital Lease</i>	An agreement conveying the right to use property, plant, or equipment usually for a stated period of time where the lessee assumes all the risks and rewards of ownership.
<i>Capital Projects</i>	Any program, project, or purchases with a useful life span of 10 years and a cost of at least \$5,000 or major maintenance and repair items with a useful life span of five years.
<i>Cash Basis</i>	A system of accounting in which revenues and expenses are recorded as they are received and paid.
<i>CPA</i>	Certified Public Accountant

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Charges for Services</i>	Revenues derived from charging fees for providing certain government services. These revenues can be received from individuals, entities, or other governmental units. Charges for services include water/sewer fees, solid waste fees, fees for planning and zoning services, etc.
<i>Comprehensive Annual Financial Report (CAFR)</i>	This report is prepared by the Finance Department. It is usually referred to by its abbreviation, and summarizes financial data for the previous fiscal year in a standardized format. The CAFR is organized by fund and contains two basic types of information: a balance sheet that compares assets with liabilities and fund balance; and an operating statement that compares revenues with expenditures.
<i>Debt Service</i>	The payment of principal and interest of all bonds and other debt instruments according to a predetermined schedule.
<i>Debt Service Requirements</i>	The amount of money necessary for scheduled payment of outstanding debt, both principal and interest becoming due during the fiscal year, and contributions required to accumulate money for the future retirement of term bonds.
<i>Depreciation</i>	The decrease in value of physical assets due to use and the passage of time.
<i>Distinguished Budget Presentation Program</i>	A voluntary program administered by the Government Finance Officers Association to encourage governments to publish efficiently organized and easily readable budget documents and to provide peer recognition and technical assistance to the fiscal officers preparing them.
<i>EMS</i>	Emergency Medical Service
<i>Encumbrances</i>	Commitments of funds for contracts and services to be performed. When encumbrances are recorded, available appropriations are correspondingly reduced.
<i>Enterprise Funds</i>	Funds established to account for operations, which are financed and operated in a manner similar to private enterprises. The intent is that the expense of providing goods or services to the general public on a continuing basis (including depreciation) to be financed or recovered primarily through user fees.
<i>Expenditures</i>	This term refers to the outflow of funds paid, or to be paid for assets, goods, or services obtained regardless of when the expenses are actually paid.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Fines and Forfeits</i>	Fines and forfeits are derived from penalties imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations. These revenues include Court Fees and Library Fines.
<i>Fiscal Year (FY)</i>	The 12-month period to which the annual budget applies. The City's fiscal year begins July 1 and ends June 30.
<i>Fixed Assets</i>	Assets of a long-term character which are intended to continue to be held or used, such as land, building, improvements other than buildings, machinery and equipment.
<i>Franchise Fees</i>	Fees levied by the City in return for granting a privilege, which permits the continual use of public property such as city rights of ways.
<i>Fund</i>	A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources along with all related liabilities and residual equities or balances and related changes. These accounts are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.
<i>Fund Accounting</i>	A method of municipal accounting where resources are allocated to, and accounted for in separate funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.
<i>Fund Balance</i>	The resources available for appropriation in accordance with the prescribed basis of budgeting. Accordingly, only undesignated and/or unencumbered resources are considered fund balance for budget purposes.
<i>General Fund</i>	The fund used to account for all governmental functions not required to be separately recorded by laws or governmental policy. Most of the essential governmental services such as police, fire, public works, and general administration are provided by the General Fund.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Generally Accepted Accounting Principles (GAAP)</i>	Uniform minimum standards and guidelines for financial accounting and reporting that govern the form and content of the basic financial statements of an entity. GAAP encompass the conventions, rules, and procedures necessary to define accounting practices. They include not only broad guidelines of general application, but also detailed practices and procedures. The primary authoritative statement on the application of GAAP to state and local governments are GASB (Governmental Accounting Standards Board) pronouncements. Every government should prepare and publish financial statements in conformity with GAAP.
<i>Government Finance Officers Association (GFOA)</i>	GFOA is the professional association of state/provincial and local finance officers in the United States and Canada, as has served the public finance profession since 1906. Approximately 16,000 GFOA members are dedicated to the sound management of government financial resources.
<i>Governmental Accounting Standards Board (GASB)</i>	An organization whose main purpose is to improve and create accounting reporting standards for generally accepted accounting principles (GAAP) for both state and local governments.
<i>Governmental Funds</i>	Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, capital projects funds, debt service funds, and permanent funds.
<i>Grant</i>	Financial assistance awards, not requiring repayment, from the county, state, or federal government to the City, usually for specific programs or activities and frequently with specific requirements.
<i>Infrastructure</i>	Public domain fixed assets including roads, bridges, curbs, sidewalks, drainage systems, lighting systems and other items that have value only to the City.
<i>Interest Income</i>	Revenue associated with the City cash management activities of investing fund balances.
<i>Levy</i>	The assessment and collection of tax or other fees.
<i>Licenses and Permits</i>	This category includes revenue derived from the issuance of local licenses and permits including professional and occupational licenses, building permits, zoning fees, and other miscellaneous permits.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Local Option Sales Tax</i>	Sales tax collected from local businesses for the purpose of reducing property taxes and maintain governmental operations. On-going after referendum.
<i>Millage Rate</i>	The tax rate on real property, based on 1 mill equals \$1 per \$1,000 of assessed property value.
<i>Modified accrual basis of accounting</i>	Basis of accounting used in conjunction with the current financial resources measurement focus that modifies the accrual basis accounting in two important ways 1) revenues are not recognized until they are measurable and available, and 2) expenditures are recognized in the period in which governments in general normally liquidate the related liability rather than when that liability is first incurred (if earlier).
<i>Objective</i>	Something to be accomplished in specific, well defined and measurable terms and that is achievable within a specified time frame. A good statement of objectives should state a specific standard of performance for a given program: (1) An operational objective focuses on service delivery. (2) A managerial objective focuses on those aspects of management that help staff achieve operational objectives; i.e. staff training, work plan development, etc.
<i>Operating Budget</i>	The portion of the budget pertaining to daily operations and/or maintenance of city services, programs, facilities or fixed assets incurred in a fiscal year.
<i>Operating Expenses</i>	Expenditures for goods and services, which primarily benefit the current period and not defined as either personnel services or capital outlays.
<i>Ordinance</i>	A formal legislative enactment by the City that carries the full faith and effect of the law within the boundaries of the City unless it is in conflict with any higher form of law, such as state or federal.
<i>Per Capita</i>	Average cost per each person living within the City of St. Marys.
<i>Performance Measures</i>	Data collected to determine how effective and/or efficient a program is in achieving its objectives.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Personal Services</i>	Expenditures directly attributable to city employees, including salaries, overtime, and the city's contribution to social security, health insurance, worker's compensation insurance, and retirement.
<i>Property Tax</i>	Another term for Ad Valorem Tax. See Ad Valorem Tax.
<i>Purchased Services</i>	Services that by their nature can be performed only by persons or firms with specialized skills and knowledge. These include professional, technical, property, and other services such as communications, liability insurance, and training.
<i>Real Estate Tax</i>	Taxes collected by Camden County on real estate transfers (deed fees) within the city.
<i>Reserves</i>	An account used to indicate a portion of a fund balance legally restricted for a specific purpose and therefore not available for general appropriations.
<i>Retained Earnings</i>	A fund equity account that reflects accumulated net earnings or losses of a proprietary fund. As in the case of fund balance, retained earnings may include certain reservations of fund equity.
<i>Revenue</i>	Additions to assets which do not increase any liability or represent the recovery of an expenditure; do not represent the cancellation of certain liabilities or decreases in assets; and do not represent contributions of fund capital in enterprise and internal service funds.
<i>Rollback Rate</i>	The millage necessary to raise the same amount of Ad Valorem tax revenue as the previous year, excluding taxes from new construction.
<i>Special Local Option Sales Tax (SPLOST)</i>	A tax voted on by the public authorizing the collection of an additional 1% sales tax to be used only for specific purposes as authorized by law. In Georgia these are for various capital projects and for roads, streets, and bridges.
<i>Supplies</i>	Expenditures for items that are consumed or deteriorate through use or that lose their identity through incorporation into different or more complex units.

CITY OF ST. MARYS, GEORGIA
GLOSSARY OF TERMS

<i>Taxable Valuation</i>	The value used for computing the ad valorem taxes levied against property. The taxable value is the assessed value less any exemptions allowed by law. The City offers a Senior Exemption for those 65 and older and meet the required qualifications.
<i>Taxes</i>	Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits, such as special assessments. Neither does the term include charges for services rendered only to those paying such charges as for example, sewer service charges.
<i>Training</i>	Expenditures incurred as a result of city approved instructional courses.
<i>Transfers In/Out</i>	Amounts transferred from one fund to another to assist in financing the services of the recipient fund. Transfers do not constitute revenues or expenditures of the governmental unit, but only of the individual funds. Thus, they are budgeted and accounted for separately from other revenues and expenditures.
<i>Travel</i>	Expenditures incurred in the conduct of city business. This includes subsistence, transportation, mileage (private vehicle), and hotel cost.
