CITY OF ST. MARYS  
418 Osborne Street  
St. Marys, Georgia 31558  
912-510-4000

December 21, 2016

Honorable Mayor and City Council  
City of St. Marys  
St. Marys, Georgia

Dear Mayor and City Council Members:

In accordance with state law, we hereby submit the Comprehensive Annual Financial Report of the City of St Marys for the year ended June 30, 2016. Management assumes full responsibility for the completeness and reliability of the information contained in the report, based upon a comprehensive framework of internal controls that it has established for this purpose. Because the cost of internal controls should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

Carr, Riggs and Ingram, Certified Public Accountants, have issued an unmodified (“clean”) opinion on the City of St. Marys’ financial statements for the year ended June 30, 2016. The Independent Auditors’ Report is located at the front of the financial section of this report. Generally Accepted Accounting Principles (GAAP) requires that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of a Management’s Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City’s MD&A can be found immediately following the Independent Auditor’s Report.

### **Government Overview**

The City of St. Marys was established around 1792 and incorporated in 1802 by the State of Georgia. St. Marys is situated at the southeast corner of Georgia in Camden County. St Marys is the gateway to Cumberland Island National Seashore. According to the United States Census Bureau, the City has a total area of 20.3 square miles, of which, 18.8 square miles of it is land and 1.5 square miles of it is water. The City government serves a population of 17,161. The St. Marys Charter states the City of St. Marys, a municipal corporation, shall exercise and enjoy all powers of self-government not specifically prohibited by the Constitution, the general laws of the

State of Georgia, or by this Charter, including all powers, functions, rights, privileges, and immunities necessary or desirable to promote or protect the safety, health, peace, security, good order, comfort, convenience, and general welfare of the City and of its inhabitants and all implied powers necessary to carry into execution all powers granted as fully and completely as if these powers were enumerated in this Charter.

The City of St. Marys provides full service for its citizens which includes police and fire protection, community planning and development, building-code enforcement services, construction/road repair, water and sewer utilities, along with other support duties for the City government. The City of St. Marys is authorized to levy a property tax on both real and personal property located within its boundaries. As set forth in the charter, the City has a Mayor and six Council Members elected for four-year terms of office. The Mayor shall be the Chief Executive Officer of the City and shall have general supervision over its affairs. Each Council Member shall hold a designated Council post. All terms of office shall begin on the first Thursday after January 1 of the year following election to such office.

The financial reporting entity of the City includes all the funds of the City, as well as, all of its component units. Component units are legally separate entities for which the City is financially accountable. Blended component units, although legally separate entities, are, in substance, part of the City's operations and are included as part of the City. Each June, the Council adopts the budget for the upcoming year in the form of an ordinance. The annual budget serves as the foundation for the City's financial planning and control. The budget is prepared by fund, function, and department, and is closely monitored throughout the year. Additionally, expenditures, revenues and performance data are monitored in order to ensure the successful implementation of the City's service plan. As conditions change or circumstances are altered, the budget process allows for amendments. The City, as a first time submittal, received the Distinguished Budget Award from the Governmental Finance Officers Association (GFOA), for the FY2012 budget and has been awarded the same honor for FY2013 - FY2015 budgets. The City received the Certificate in Achievement in Financial Reporting for 2014 and 2015.

### **Budget Adjustments/Amendments**

From time to time it becomes necessary for St. Marys to adjust or amend the adopted budget. This process is regulated by the official Code of Georgia (O.C.G.A) along with local policies.

Per O.C.G.A. 36-81-3

1. An increase in appropriations at the legal level of control of the local government, whether accomplished through a change in anticipated revenues in any fund or through a transfer of appropriations among departments, shall require the approval of the governing authority. Such amendment shall be adopted by ordinance or resolution.

2. Transfers of appropriations with any fund below the local government's legal level of control shall require only the approval of the budget officer.

In St. Marys, the amount for salaries and benefits for each department may not be increased without the approval of the City Council. However, Department Heads shall have the authority to transfer appropriations within a department (within the same fund) from one line item to another (other than increasing salaries and benefits) subject to the approval of the City Manager and/or the Finance Director.

### **Local Economy**

The City of St. Marys is located in Camden County and is considered to be a tourist destination, as well as, a bedroom community. The federal government is a significant economic presence thanks to Kings Bay Naval Base and the United States Coast Guard. Besides the Naval base, the City's top employer is Express Scripts, which is a pharmaceutical call center. As of September 2016, unemployment in the Camden County area was 5.7% compared to 5% nationally and 5.1% for the State of Georgia as a whole. The City's Economic Development Department continues to work with other development agencies within the county to promote economic growth.

### **Long-term Financial Planning**

As of June 30, 2016, unassigned fund balance in the General Fund was favorable to the policy guidelines set by the City for budgetary and planning purposes. It has been the goal to ensure the City maintains and continues to maintain at a minimum, unassigned fund balance in its General Fund of no less than four months of regular General Fund operating revenues or regular General Fund operating expenditures (GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*). The City does plan to draw on fund balance in the 2017 budget. The City of St. Marys has made great strides to improve service levels, maintain the tax millage rate and improve the financial integrity of the City.

The FY2017 budget was a challenge again this year due to the loss of revenue from the economic recession and LOST. This budget shows a balance between continuing to provide an outstanding quality of life for our citizens while minimizing the cost associated with operations. It is the City Council's desire to maintain a stable financial position as we wait to see how the economy plays out in the future.

In addition to the annual operating budget, the City prepares a five year capital plan that is updated on an annual basis. The most recent plan update for years 2017 through 2021 identifies projects and funding that total \$2.96 million and includes major categories of water and sewer, public buildings, parks and recreation, community development, drainage, streets and traffic improvements. The General Fund is projected to contribute \$.97 million of the funding for the five year plan.

## **Major Initiatives**

The City of St. Marys will continue its efforts by focusing on providing the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life.

1. In March 2013, Voters approved a 1% Special Purpose Local Option Sales Tax (SPLOST VII). Projects slated in FY 2017 included:
  - Various Roads
  - Bond debt retirement
2. Council approved \$37,000 for marketing the City.
3. Council approved \$60,000 for the completion of the city master plan.
4. Council approved \$40,000 for enhancement of the “Gateway” of the City.
5. Road enhancements of \$450,000 with the Local Maintenance Improvement Grant.
6. Purchase of various vehicles and equipment for public works and public safety.
7. LED lighting for various facilities in the amount of \$55,000.
8. Approval of \$60,000 for Streetscape design.
9. Continue installation of \$100,000 in radio water read meters.
10. Various drainage projects.
11. The City continues to work toward bringing in new business and retaining current business in St. Marys. The following tools will be considered to assist the City in this effort:
  - Identify vendors conducting business with various entities (i.e. base, school district, etc.) to ascertain potential opportunities for local vendors
  - Continue business recruiting
  - Develop a marketing plan for the community
  - Promote appearance and safety at Exit 1
  - Create an incentive package to attract business

## **Acknowledgements**

The preparation and completion of the CAFR represents the culmination of numerous efforts by many City employees. We would like to express our sincere appreciation to all the staff of the City of St. Marys and the certified public accounting firm of Carr, Riggs and Ingram.

The CAFR reflects our ongoing commitment to the citizens of the City of St. Marys and all interested readers of this report to provide information in conformance with the highest standards of financial reporting.

## **Financial Section**

## **INDEPENDENT AUDITORS' REPORT**

To the Honorable Mayor and City Council  
City of St. Marys  
St. Marys, Georgia

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of St. Marys, Georgia, as of and for the year ended June 30, 2016 and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the

entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of St. Marys, Georgia, as of June 30, 2016, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 through 18 and the Required Supplementary Information on pages 66 through 68 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of St. Marys, Georgia's basic financial statements. The introductory section, combining and individual fund financial statements and schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the financial statements. The schedules of special purpose local option sales tax expenditures are presented for purposes of additional analysis as required by Official Code of Georgia 48-8-121, and are not a required part of the basic financial statements.

The combining and individual fund financial statements and schedules and the schedules of special purpose local option sales tax expenditures are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules and the schedule of special purpose local option sales tax expenditures are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

#### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2016, on our consideration of the City of St. Marys, Georgia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of St. Marys, Georgia's internal control over financial reporting and compliance.

*Carr, Riggs & Ingram, L.L.C.*

CARR, RIGGS & INGRAM, LLC

Tifton, Georgia  
December 21, 2016

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

Within this section of the City of St. Marys, Georgia (the City) annual financial statements, management is pleased to offer readers this narrative overview and analysis of the financial activities of the City of St. Marys, Georgia for the fiscal year ended June 30, 2016 as part of the overall Comprehensive Annual Financial Report (CAFR). The information presented here should be used in conjunction with the additional information provided in this Annual Financial Report, which follows this section.

**Financial Highlights:**

- The assets and deferred outflows of the City exceeded its liabilities at June 30, 2016, by \$62.6 million (*net position*). Of this amount, \$11.8 million (*unrestricted net position*) may be used to meet the City's ongoing obligations to citizens and creditors. The City's total net position increased by \$2.5 million.
- As of the close of the current fiscal year, the City's governmental funds reported a combined ending fund balance of \$8.4 million, an increase of \$1.2 million in comparison with the prior year. Approximately 78.5% of this total amount, \$6.6 million, is *available for spending* at the City's discretion (*unassigned fund balance*).
- As of the close of the current fiscal year, the City's business-type funds reported combined ending net position of \$39.2 million, an increase of \$2.3 million in comparison with the prior year. Approximately 13.8% of this total amount, \$5.4 million is *available for spending* at the City's discretion (*unrestricted net position*).
- At the end of the current fiscal year, unassigned fund balance for the General Fund was a positive \$6.6 million or a positive 67.6% of total General Fund expenditures.

During the current fiscal year the City did issue new debt for the Governmental funds of \$1,160,987 and Business-type funds of \$68,590. The Governmental funds had an increase of \$1,145,963 in debt service. The Business-type funds had a reduction in debt service of \$2,300,388. The total reduction in debt service was \$1,154,425. \*Numbers do not include compensated absences

**Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the City of St. Marys basic financial statements. The City's basic financial statements are comprised of three components:

- 1) Government-wide financial statements
- 2) Fund financial statements
- 3) Notes to the financial statements

This report also contains other supplementary information in addition to the basic financial statements themselves.

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Government-wide financial statements.** The *government-wide financial statements* are designed to provide readers with a broad overview of the City of St. Marys finances, in a manner similar to a private-sector business. All governmental and business-type activities are consolidated to arrive at a total for the Primary Government. There are two government-wide statements, the statement of net position and the statement of activities, which are described below.

The *statement of net position* presents information on all the City's assets and deferred outflows of resources, and liabilities and deferred inflows of resources, with the difference between assets plus deferred outflows and liabilities plus deferred inflows reported as *net position*. This statement is a tool to measure the City's financial health or financial position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating. It is important to note that this statement consolidates the governmental fund's current financial resources (short-term) with capital assets and long-term liabilities. This statement also presents information on four component units of the City.

The *statement of activities* presents information showing how the City's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of the related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*), from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, public works, health and welfare, judicial, housing and development, culture and recreation, and interest on long-term debt. The business-type activities of the City include Water and Sewer, Sanitation and Aquatic Center.

The government-wide financial statements can be found on pages 19 through 22 of this report.

**Fund financial statements.** A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

*Governmental funds.* *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Fund financial statements – Governmental Funds, Continued**

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains several individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund and SPLOST Fund, because they are considered major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of *combining statements* elsewhere in this report.

The City adopts an annual appropriated budget for its General Fund and SPLOST Fund. A budgetary comparison statement has been provided for the General Fund.

The basic governmental fund financial statements can be found on pages 23 through 29 of this report.

The City has a formal fund balance policy applicable to governmental funds included in its financial policies. The policy defines fund balance categories consistent with Governmental Accounting Standards Board Statement 54, sets spending priority within the categories, establishes the authority to commit and assign balances and establishes a minimum fund balance for the General Fund. In addition, the policy addresses the time period required for the General Fund to replenish any deficiency in the minimum fund balance, as well as specifying how fund balance above the recommended range may be spent. For a full discussion of the City's fund balance policy, please refer to the Notes to the Financial Statements.

*Proprietary funds.* The City maintains one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its Water and Sewer Fund, Solid Waste Fund and Aquatic Center Fund.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water and Sewer Fund and Solid Waste Fund, which are considered major funds of the City, and the Aquatic Center Fund, which is considered a non-major fund of the City.

The basic proprietary fund financial statements follow the governmental funds statements.

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Notes to the financial statements.** The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found following the basic financial statements in this report.

**Required supplementary information.** In addition to the basic financial statements and accompanying notes, this report presents the schedule of changes in the City's net pension liability – defined benefit retirement plan and the schedule of City contributions – defined benefit retirement plan as required supplementary information beginning on page 66 of this report.

**Other information.** The combining statements referred to earlier in connection with non-major governmental funds and enterprise funds are presented immediately following the notes to the financial statements. Combining and individual fund statements and schedules can be found beginning on page 69 of this report.

**Statistical Section.** In addition to the basic financial statements and accompanying notes, this report also presents various supplementary and statistical information; such as, 10 year presentation of revenues, expenditures, and tax rates. This statistical section can be found on page 77 of this report.

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Government-wide Financial Analysis**

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets plus deferred outflows of resources exceeded liabilities by \$62.6 million at the close of the most recent fiscal year. The chart below summarizes the City's net position for governmental activities, business-type activities, and the government as a whole.

**City of St. Marys – Net Position**

<i>June 30,</i>	<b>Governmental Activities</b>		<b>Business-type Activities</b>		<b>Total</b>	
	2015	2016	2015	2016	2015	2016

At the end of the current fiscal year, the City is able to report positive balances in all categories of net position.

By far the largest portion of the City's net position, \$47.5 million (75.9%) reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment); less any related debt used to acquire those assets that are still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending.

Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the City's net position, \$3.3 million (5.4%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of \$11.8 million (18.7%) is *unrestricted net position* may be used to meet the government's ongoing obligations of the City.

**June 30, 2016**

**Government-wide Financial Analysis, Continued**

The Industrial Development Authority (Component Unit) total net position for 2016 is \$.34 million, which did not change from 2015. The Downtown Development Authority (Component Unit) total net position for 2016 is \$.67 million, which was a decrease over 2015 of (\$3,450). The Convention & Visitors Bureau (Component Unit) total net position for 2016 is \$31,998, which was an increase over 2015 of \$5,995. The Cemetery Authority (Component Unit) total net position for 2016 is \$69,274, which was an increase over 2015 of \$19,479. The Industrial Development, Downtown Development, Convention & Visitors Bureau and Cemetery Authorities assets are not included in the above totals.

Governmental activities during the fiscal year ending June 30, 2016 increased the City of St. Marys net position by \$.262 million. Business-type activities during the same period increased net position by \$2.28 million for a total increase in net position of \$2.54 million. The following chart shows the revenue and expenses by activity for the total primary government.

**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Revenue Impacts.**

Operating grants and contributions increased \$59,149 or 686%, which is primarily due to an OEA grant received by the City.

Property taxes increase \$.36 million or 11%, which is due to an increase in the millage rate and an increase in intangible taxes due to the City.

Unrestricted investment earnings decreased \$2,920 or -23%, which is due loss in interest earned.

Gain on disposal of capital assets decreased \$35,369 or -90%, which is due to the amount of fund received on sale of assets.

**Expense Impacts.**

General government increased \$212,421 or 10%, which is primarily due to the master/vision plan and fees related to tax sale.

Public Works decreased \$318,044 or -14%, which is primarily due to projects completed in FY2015.

Culture and recreation increased \$50,768 or 11%, which is due to capital project in this year.

Interest on long-term debt increased \$2,131 or 10655% due to the issuance of new debt in FY2016.

**Fund Balance.**

**City of St. Marys – Fund Balance Governmental Funds**

Fund	Fund Balance 6/30/2015	Revenues/ Sources	Expenses/ Uses	Revenue/ Sources Over (Under) Expenditures/Uses	Fund Balance 6/30/2016
General Fund	\$ 6,115,881	\$ 10,300,745	\$ 9,723,563	\$ 577,182	\$ 6,693,063
SPLOST Fund	554,080	4,363,193	4,031,535	\$ 331,658	\$ 885,738
Other Funds	556,381	496,754	240,576	\$ 256,178	\$ 812,559
<b>Total</b>	<b>\$ 7,226,342</b>	<b>\$ 15,160,692</b>	<b>\$ 13,995,674</b>	<b>\$ 1,165,018</b>	<b>\$ 8,391,360</b>

As of June 30, 2016, the City's governmental funds reported a combined fund balance of \$8.39 million, which is a net increase of \$1.17 million from the previous year.

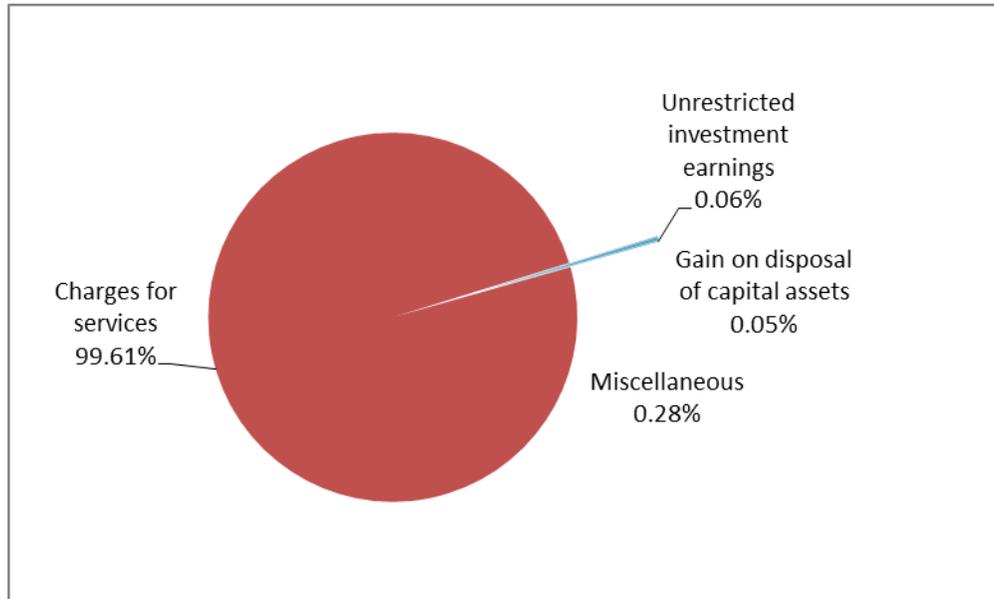

General Fund's fund balance increase by \$577,182 and was \$6.69 million at end of year. This was mainly due to collection of prior year property and other taxes and a savings in public safety due to vacancies.

The SPLOST Fund's fund balance increase by \$331,658 and was \$.89 million at end of year. The City SPLOST VII revenues are collected upfront instead of on a reimbursement basis. The revenues exceeded the expenditures. These funds are restricted for projects and debt service.

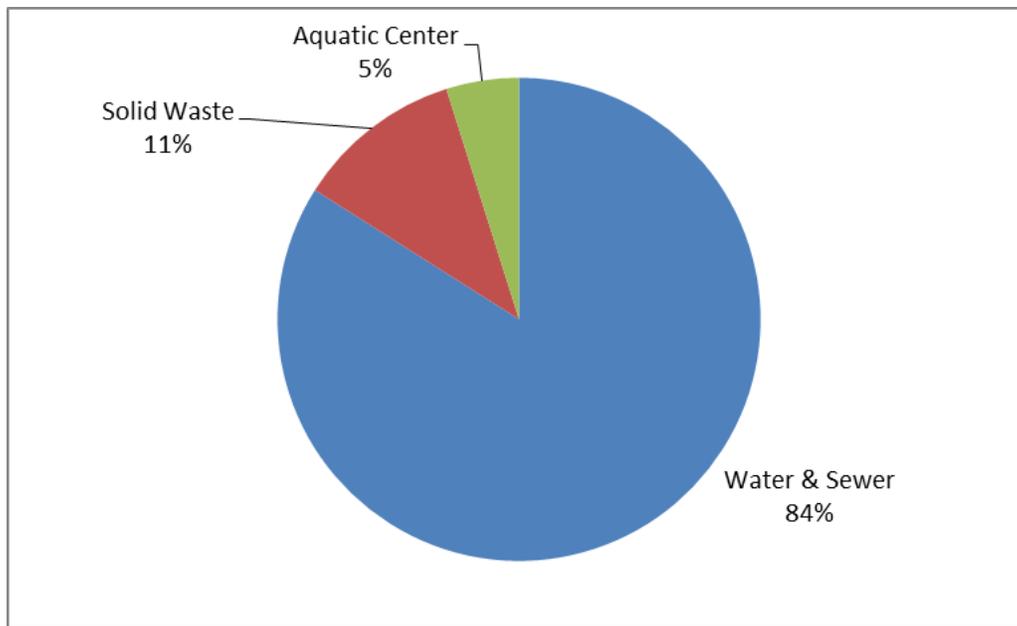

Other Fund's fund balance increased \$.26 million and was \$.81 million at end of year. This was due to increased revenue from local maintenance grant projects.

**Financial Analysis of the Government's Funds**

The City of St. Marys uses fund accounting which ensures and demonstrates compliance with finance-related legal requirements.

Governmental Funds:

The City of St. Marys has two major governmental funds, which are the General Fund and the SPLOST Fund.

The chief operating fund of the government is the General Fund. At the end of FY2016, the General Fund had a fund balance of \$6,693,063. This is an increase of \$577,182 from the beginning fund balance. Of the total amount, \$6,573,053 constitutes "unassigned fund balance" which is available for spending at the government's discretion. The General Fund budget FY2016-2017 increased which encompasses some one-time items, capital expenditures and funds to market the City.

The SPLOST Fund is presented as a major governmental fund. The SPLOST Funds are used to account for projects constructed with special purpose local option sales tax. SPLOST VII is a disbursement from the County per intergovernmental agreements in with the City resides. The SPLOST Fund is a major fund in most years. The fund balance of \$885,738 is restricted for SPLOST projects.

The fund balances for the other governmental funds increase by \$256,178. The total combined fund balances for the other governmental funds was a positive \$812,559 at the end of the year with all funds restricted for specific use.

Business-type Activities Funds:

The enterprise funds, which include the City's Water & Sewer Fund, Solid Waste Fund and Aquatic Center Fund, showed a combined cash and cash equivalents balance of \$5,560,046 at the end of fiscal year ending June 30, 2016. Of this amount, \$1,630,523 is restricted assets.

The Water and Sewer Fund had an ending net position of \$37,234,802 for FY2016. This was an increase of \$2,331,164 from the previous year. Of the balance, \$32,397,038 is restricted assets.

The Solid Waste Fund had an ending net position of \$503,588 for FY2016. This was an increase of \$3,649 from the previous year. Of the balance, \$0 is restricted assets.

The Aquatic Center Fund had an ending net asset balance of \$1,446,954 for FY2016. This was a decrease of \$56,334 from the previous year. Of the balance, \$1,432,556 is restricted assets.

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Financial Analysis of the Government's Funds, Continued**

General Fund Budget Highlights

The budget was prepared according to Georgia Law.

The 2016 original revenue budget was \$9,282,830. The original budget was amended to \$9,500,650. The major increase was due to usage of fund equity and an increase in other revenue income. The final budgeted revenues increased 2.3% or \$217,820. The total budgeted expenditures increased \$352,070 or 3.4% from the original budget due to master/visioning plan, capital projects, and other support services for the general government.

**Capital Asset and Debt Administration**

**Capital Assets.** At the end of fiscal year ending June 30, 2016, governmental activities and business-type activities had capital assets of \$90,144,445 (net of accumulated depreciation) invested in land, buildings, system improvements, machinery and equipment and recreation and park facilities. This represents .24% increase or \$217,228. The governmental activities increased 1.7% due to the purchase of new capital assets. Business-type activities decrease .08% due to depreciation of assets.

- For governmental activities, construction in progress increased \$44,267 for infrastructure and \$39,959 was transferred to improvement. Infrastructure increased \$51,310 which included the completion of projects. Machinery & equipment increased \$1,091,827 which encompassed equipment purchase of \$1,216,259 and the disposal of equipment in the amount of \$124,432.
- For business-type activities, construction in progress decreased \$1,806,760 for sewer infrastructure projects completed. Infrastructure increased \$2,363,439 plus a transfer from construction in progress of \$1,806,760 less disposal of assets of \$14,396 for a total increase of \$4,155,803. Machinery & equipment increased \$147,713 for new assets and decreased \$121,169 for the sale/disposal of assets.

Additional information on the City's capital assets can be found in Note 6 of this report.

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

**Debt Administration.** The City's total long-term debt consists of revenue bonds, general obligation bonds, long-term notes, capital leases and compensated absences.

At June 30, 2016, the City had \$1,145,963 of outstanding debt related to governmental activities and \$42,604,584 of outstanding debt related to business-type activities, for a total of \$43,750,547 compared to the previous year's total of \$44,901,972. This is a decrease of \$1,151,425. \*Numbers do not include compensated absences.

At the end of 2016, the business activities had bonded debt of \$39,245,000. Of this amount, \$1,160,000 is secured by revenues of the water/sewer system and \$38,085,000 is backed by the full faith and credit of the City. The City maintains an "AA" rating from Standards & Poor's.

Additional information on the City's debt can be found in Note 7 of this report.

**Factors affecting the FY2017 Budget:**

The FY2017 city-wide budget decreased approximately 14.5%. This was mainly due to capital equipment purchased in FY2016 and projects finished in FY2016. The city-wide budget was set at \$23,013,236.

The City of St. Marys started the initial planning of budget preparation by evaluating what "Quality of Life" in St. Marys is and how to support the community. The Mayor and Council of the City of St. Marys considered many factors when approving the City's FY2017 budget and were very aware of the present economic conditions and the effect on its citizens. The tax digest remained stable for the first time in the past eight years therefore the City maintained the millage rate at 6 mills. The City has shown an increase in population, however, the City is still feeling the effects of the recession.

The City is looking forward to growth in the near future. The City of St. Marys will continue its "Quality of Life" efforts by focusing on providing the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life. Items included in the FY2017 budget:

**FY 2017 Major Initiatives**

The City of St. Marys will continue its efforts by focusing on providing the most responsive and progressive public services, within the resources provided, so that our citizens can enjoy the best possible quality of life.

In March 2013, Voters approved a 1% Special Purpose Local Option Sales Tax (SPLOST VII). Projects slated in FY 2017 included:

Various Roads  
Bond debt retirement

**CITY OF ST. MARYS, GEORGIA**  
**Management's Discussion and Analysis (Unaudited)**  
**June 30, 2016**

Council approved \$37,000 for marketing the City.

Council approved \$60,000 for the completion of the city master plan.

Council approved \$40,000 for enhancement of the "Gateway" of the City.

Road enhancements of \$450,000 with the Local Maintenance Improvement Grant.

Purchase of various vehicles and equipment for public works and public safety.

LED lighting for various facilities in the amount of \$55,000.

Approval of \$60,000 for Streetscape design.

Continue installation of \$100,000 in radio water read meters.

Various drainage projects.

The City continues to work toward bringing in new business and retaining current business in St. Marys. The following tools will be considered to assist the City in this effort:

- Identify vendors conducting business with various entities (i.e. base, school district, etc.) to ascertain potential opportunities for local vendors
- Continue business recruiting
- Develop a marketing plan for the community
- Promote appearance and safety at Exit 1
- Create an incentive package to attract business

The FY2017 projections continue to be conservative, yet realistic.

**Requests for Information**

This financial report is designed to provide a general overview the City of St. Marys finances for citizens, taxpayers, customers, investors and creditors and all others with an interest in the City. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the City Finance Department at the City of St. Marys, 418 Osborne Street, St. Marys, Georgia, 31558, by telephone 912-510-4000 or email [jennifer.brown@stmarysga.gov](mailto:jennifer.brown@stmarysga.gov).

**Reconciliation of the Statement of Revenues, Expenditures, and Changes in**  
**Fund Balances of Governmental Funds to the Statement of Activities**  
**For the Year Ended June 30, 2016**

Net change in fund balances - total governmental funds \$ 1,165,018

Amounts reported for governmental activities in the statement of activities are different because:

Tax revenues in the Statement of Activities that do not provide current financial resources are not reported as revenue in the funds.

Deferred inflows of property taxes (24,747)

The repayment of the principal of long-term debt consumes the current financial resources of governmental funds, but has no effect on net position.

Principal payments - notes payable (1,145,963)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the

Change in accrued compensated absences 3,616

Change in net pension liability (56,056)

Change in pension related deferrals 43,388

Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those expenditures over the life of

Capital asset purchases capitalized 1,302,673

Depreciation expense (1,025,777)

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the City of St. Marys, Georgia (the “City”) have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the City’s accounting policies are described below.

***I. Reporting Entity***

The City was incorporated August 15, 1910, under the provisions of the laws of the State of Georgia. A new city charter was adopted February 8, 1981. The City operates under a Council/City Manager form of government and provides the following services to its citizens: public safety, public works, recreation, public improvements, and general and administrative services.

As required by accounting principles generally accepted in the United States of America, these financial statements present the City of St. Marys, Georgia (the primary government) and its component units. The component units discussed below are included in the City’s reporting entity because of the significance of their operational or financial relationship with the City. Each discretely presented component unit is reported in a separate column in the government-wide financial statements to emphasize that it is legally separate from the City.

Discretely Presented Component Units

*The Industrial Development Authority of St. Marys*

The Industrial Development Authority of St. Marys (the “IDA”) is governed by a seven-member board, the majority of which are appointed by St. Marys’ City Council. As the City is able to significantly influence the programs, projects and activities of the IDA, the IDA is presented as a governmental fund-type component unit. Separate IDA financial statements are not prepared.

*The Downtown Development Authority of St. Marys*

The Downtown Development Authority of St. Marys (the “DDA”) is governed by a seven-member board, the majority of which are appointed by St. Marys’ City Council. The City is able to significantly influence the programs, projects and activities of the DDA. The DDA is presented as a governmental fund-type component unit. Separate financial statements are not prepared for the DDA.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***I. Reporting Entity (Continued)***

Discretely Presented Component Units (Continued)

*The St. Marys Convention & Visitors Bureau*

The St. Marys Convention & Visitors Bureau (the "Bureau") is governed a nine-member board appointed by St. Marys' City Council. The City is able to significantly influence the programs, projects and activities of the Bureau, as the Bureau is funded entirely by the City, and its budget is approved and amended by City Council. The Bureau is presented as a governmental fund-type component unit. Separate financial statements are not prepared for the Bureau.

*The Oak Grove Cemetery Authority*

The Oak Grove Cemetery Authority (the "Authority") is governed by a five-member board, the majority of which are appointed by St. Marys' City Council. The City is able to significantly influence the programs, projects and activities of the Authority. The Authority is presented as a governmental fund-type component unit. Separate financial statements are not prepared for the Authority.

***II. Government-wide and Fund Financial Statements***

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the activities of the primary government and its component units.

For the most part, the effect of interfund activity has been removed from these statements. Government-wide financial statements do not provide information by fund or account group, but distinguish between the City's governmental activities and business-type activities.

Governmental activities, which are normally supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. The statement of net position includes noncurrent assets which were previously reported in the general capital assets account group and noncurrent liabilities previously reported in the general long-term debt account group. In addition, the government-wide statement of activities reflects depreciation expense on the City's capital assets.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***II. Government-wide and Fund Financial Statements***

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segments are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not considered program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation***

Government-wide Financial Statements

The City's government-wide financial statements include a Statement of Net Position and a Statement of Activities. These statements present summaries of the governmental and business-type activities for the City.

These statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Accordingly, all the City's assets and liabilities, including capital assets, as well as infrastructure assets, and long-term liabilities, are included in the accompanying Statement of Net Position. The Statement of Activities presents changes in assets. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The types of transactions reported as program revenues for the City are reported in three categories: 1) charges for services to customers who directly benefit from goods, services or privileges provided by a given function, 2) operating grants and contributions that are restricted to meeting the operational needs requirements of a particular function, and 3) capital grants and contributions that are restricted to meeting the capital needs requirements of a particular function.

**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Government-wide Financial Statements (Continued)

Certain eliminations have been made as prescribed by GASB Statement No. 34 in regards to interfund activities, payables, and receivables. All internal balances in the Statement of Net Position have been eliminated except those representing balances between the governmental activities and the business-type activities, which are presented as internal balances and eliminated in the total primary government column. In the Statement of Activities, internal service fund transactions have been eliminated, however, those transactions between governmental and business-type activities have not been eliminated. Governmental activities, which are normally supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

Fund Financial Statements

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, sales taxes, intergovernmental grants, and investment income associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the City.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Fund Financial Statements (Continued)

The City reports the following major governmental funds:

The General Fund is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Special Purpose Local Option Sales Tax Fund (SPLOST) is used to account for the revenues and expenditures relating to the 2008 and 2013 1% Special Purpose Local Option Sales Taxes.

The City reports the following major proprietary funds:

The Water & Sewer Fund accounts for the activities necessary to provide water and sewer services to the City's residents.

The Solid Waste Fund accounts for the fees and expenses associated with garbage collection and disposal services provided to the City's residents.

Additionally, the City reports the following fund types:

Special revenue funds account for revenue sources that are legally restricted to expenditure for specific purposes.

Capital projects funds are used to account for the acquisition or construction of capital facilities.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise funds are charges for goods and services provided. Operating expenses of the enterprise funds include the cost of these goods and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Budgets

Annual appropriated budgets are adopted for all funds. The budgets for the proprietary funds are for management control purposes and are not required to be reported. Budgets of governmental funds are adopted on a modified accrual basis, which is consistent with accounting principles generally accepted in the United States of America for governmental funds. All appropriations lapse at fiscal yearend. Encumbrance accounting - under which purchase orders, contracts and other commitments for the expenditure of resources are recorded to restrict, commit, or assign that portion of the applicable appropriation - is not employed by the City.

Cash and Investments

Cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

State statutes authorize the City and its discretely presented component units to invest in the following: (1) obligations of the State of Georgia or other state; (2) obligations of the United States; (3) obligations fully insured or guaranteed by the United States government or one of its agencies; (4) obligations of any corporation of the United States government; (5) prime bankers' acceptances; (6) the State of Georgia local government investment pool (Georgia Fund 1); (7) repurchase agreements; and (8) obligations of any other political subdivisions of the State of Georgia.

Any investment or deposit in excess of federal depository insured amounts must be collateralized by an equivalent amount of state or U.S. obligations. Cash deposits are reported at carrying amount, which reasonably estimates fair value. Investments are stated at fair value based on published quoted market prices. The fair values of investments in external investment pools are the same as the value of the pool shares.

Restricted Assets

Certain proceeds of revenue bonds, as well as certain resources set aside for their repayment, are classified as restricted assets on both the government-wide and proprietary fund financial statements because their use is limited by applicable bond covenants.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Prepaid Items

Certain payments to vendors reflect cost applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Interfund Activity

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either “due to/from other funds” (i.e., the current portion of interfund loans) or “advance to/from other funds” (i.e., the noncurrent portion of interfund loans). All other outstanding balances between funds are reported as “due to/from other funds.” Any residual balances outstanding between the governmental and business-type activities are reported in the government-wide statement of net position as “internal balances.” Advances between funds, as reported in the fund financial statements, are offset by a nonspendable fund balance in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. In the case of the initial capitalization of general infrastructure assets (i.e., those reported by the governmental activities), the City chose to include all such items regardless of their acquisition date or amount. Donated capital assets are recorded at estimated fair market value at the date of donation.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of assets constructed. No interest expense was capitalized during the fiscal year ended June 30, 2016.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Capital Assets (Continued)

Capital assets of the primary government and each discretely presented component unit are depreciated using the straight line method over the following useful lives:

<b>Asset Category</b>	<b>Years</b>
Buildings	20 - 50
Infrastructure	30
Improvements	5 - 50
Machinery & equipment	3 - 10

Long-term Obligations

In the government-wide financial statements and proprietary fund type fund financial statements, long-term debt and other long-term obligations are reported as liabilities on the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds. Bonds payable are reported net of applicable bond premiums or discounts. Bond issuance costs are recognized as expenses in the reporting period in which they are incurred.

Debt refunding gains and losses are reported as deferred inflows or outflows of resources on the statements of net position. These gains and losses are deferred and amortized over the shorter of the life of the refunding debt (new debt) and the refunded debt (the old debt).

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Compensated Absences

It is the City's policy to permit employees to accumulate a limited amount of earned but unused personal leave. All personal leave is accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Fund Equity

Fund equity at the governmental fund financial reporting level is classified as “fund balance.” Fund equity for all other reporting is classified as “net position.”

Fund Balance – Generally, fund balance represents the difference between the total of assets plus deferred outflows of resources and the total of liabilities plus deferred inflows of resources under the current financial resources measurement focus of accounting. In the fund financial statements, governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

- Nonspendable – Fund balances are reported as nonspendable when amounts cannot be spent because they are either (a) not in spendable form (i.e., items that are not expected to be converted to cash) or (b) legally or contractually required to be maintained intact.
- Restricted – Fund balances are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.
- Committed – Fund balances are reported as committed when they can be used only for specific purposes pursuant to constraints imposed by formal action of the City’s highest level of decision-making authority, the City Council, through the adoption of a resolution. Only the City Council may modify or rescind the commitment, through the adoption of a resolution.
- Assigned – Fund balances are reported as assigned when amounts are constrained by the City’s intent to be used for specific purposes, but are neither restricted nor committed. Through resolution, the City Council has authorized the City Administrator to assign fund balances.
- Unassigned – Fund balances that do not meet any of the above criterion are reported as unassigned. The City reports positive unassigned fund balance only in the general fund. Negative unassigned fund balances may be reported in all funds.

Flow Assumptions – When both restricted and unrestricted amounts of fund balance are available for use for expenditures incurred, it is the City’s policy to use restricted amounts first and then unrestricted amounts as they are needed. For unrestricted amounts of fund balance, it is the City’s policy to use fund balance in the following order: 1) committed, 2) assigned, and 3) unassigned.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***III. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)***

Fund Equity (Continued)

Minimum unassigned fund balance – It is the City’s policy to maintain, at a minimum, unassigned fund balance in its General Fund of no less than four months of regular General Fund operating revenues or regular General Fund operating expenditures. This minimum fund balance is to protect against cash flow shortfalls related to timing of projected revenue receipts and to maintain a budget stabilization commitment. Should shortages arise, the City shall act to replenish the fund balance over a period not to exceed one year through a reduction of recurring expenditures to eliminate any structural deficit, an increase revenues or pursue other fund sources, or a combination of the two options.

Net Position – Net position represents the difference between the total of assets plus deferred outflows of resources and the total of liabilities plus deferred inflows of resources in reporting which utilizes the economic resources measurement focus. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used (i.e., the amount that the City has spent) for the acquisition, construction or improvement of those assets. Net position is reported as restricted using the same definition as used for restricted fund balance as described in the section above. All other net position is reported as unrestricted.

The City applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from these estimates.

Subsequent Events

The City has performed an evaluation of subsequent events, as defined under FASB ASC 855-10, through December 21, 2016, which is the date the financial statements were available to be issued.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 2: BUDGETS AND BUDGETARY ACCOUNTING**

The annual budget document is the financial plan for the operation of the City. The budget process exists for the purpose of providing a professional management approach to the establishment of priorities and the implementation of work programs while providing an orderly means for control and evaluation of the City's financial position. An annual operating budget is prepared for the General Fund, and each of the special revenue and proprietary funds.

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

1. Prior to June 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing July 1. The operating budget includes proposed expenditures and the means of financing them.
2. Prior to any action by the Council, the Council holds a public hearing on the budget, giving notice in the official newspaper
3. The budget is then revised and adopted or amended by the Council at a regular meeting in June.
4. This budget may be revised during the year only by formal action of the Council in a regular or special called meeting. No increase to the budget may be made without a provision for financing such an increase.
5. Budgetary control is exercised at the department, function or activity, and major object of expenditures group for capital and grant projects within each fund. The legal level of budgetary control is the department level. Budgets for the City may be increased or decreased as the City Council deems appropriate. Budgets are adopted for all governmental and proprietary fund types. The supplementary budgetary appropriations made during the year were not material.

**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 3: DEPOSITS AND INVESTMENTS (CONTINUED)**

***Credit Risk***

At June 30, 2016, the City's investment in Georgia Fund 1 was rated AAf by Standard & Poor's. Georgia Fund 1, created by OCGA 36-83-8, is a stable net asset value investment pool which follows Standard and Poor's criteria for AAf rated money market funds. However, Georgia Fund 1 operates in a manner consistent with Rule 2a-7 of the Investment Company Act of 1940 and it is considered to be a 2a-7 like pool. The pool is not registered with the SEC as an investment company. The pool's primary objectives are safety of capital, investment income, liquidity and diversification while maintaining principal (\$1.00 per share value). Net asset value is calculated weekly to ensure stability. The pool distributes earnings (net of management fees) on a monthly basis and determines participant's shares sold and redeemed based on \$1.00 per share. Daily asset management of Georgia Fund 1 is conducted by the Office of the State Treasurer Georgia Fund 1, while the State Depository Board establishes investment and cash management policies and provides oversight for the pool.

As of June 30, 2016, the City had the following investments:

<b>Investment</b>	<b>Maturities</b>	<b>Fair Value</b>
Georgia Fund 1	48 day weighted average	\$ 1,194,312

***Interest Rate Risk***

As a means of limiting its exposure to fair value losses arising from rising interest rates, the City's investment policy generally limits all operating investments to instruments that mature within one year. Asset investment funds shall be diversified to eliminate risk of loss resulting from the concentration of assets in a specific maturity, a specific issuer or a specific class of maturities.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 3: DEPOSITS AND INVESTMENTS (CONTINUED)**

***Custodial Credit Risk – Deposits***

Custodial risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. State statutes require all deposits and investments (other than federal and state government instruments) to be collateralized by depository insurance, obligations of the U. S. government, or bonds of public authorities, counties, or municipalities. As of June 30, 2016, the City's deposits were fully collateralized in compliance with the state requirements.

**NOTE 4: RECEIVABLES**

***I. Property Tax***

State law requires that property taxes be based on assessed value, which is 40% of market value. All real and personal property, including motor vehicles, are valued as of January 1st each year. Property tax returns must be filed by April 1st. Property taxes are levied by the city based on the assessed value of property as of January 1, the date which property taxes attach to both real and personal property as an enforceable lien.

The tax billing cycle for fiscal year 2016 is as follows:

Levy date	October 17, 2015
Payment due date	December 18, 2015
Delinquency date	December 19, 2015
Lien filing date	January 31, 2016

In the governmental funds, the net receivables collected during the year ended June 30, 2016, and expected to be collected by August 31, 2016, are recognized as revenues for the year ended June 30, 2016, whereas net receivables estimated to be collectible subsequent to August 31, 2016, are recorded as revenue when received.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 4: RECEIVABLES (CONTINUED)**

***II. Receivables***

Receivables at June 30, 2016 for the City’s individual major funds and nonmajor funds in the aggregate are as follows:

	General Fund	SPLOST	Water & Sewer	Solid Waste	Nonmajor Governmental Funds	Nonmajor Enterprise Funds	Total
Receivables							
Taxes	\$155,609	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 155,609

**NOTE 5: INTERFUND ACTIVITY**

***I. Interfund Balances***

During the course of operations, numerous transactions occur between individual funds that may result in amounts owed between funds. Those related to goods and services type transactions are classified as “due to and from other funds.” Short-term interfund loans are reported as “interfund receivables and payables.” Long-term interfund loans (noncurrent portion) are reported as “advances from and to other funds.” Interfund balances between funds are eliminated in the Statement of Net Position.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 5: INTERFUND ACTIVITY (CONTINUED)**

***I. Interfund Balances (Continued)***

The composition of interfund balances as of June 30, 2016 was as follows:

Due to	Due From			Total
	General Fund	SPLOST Fund	Nonmajor Governmental Funds	
General fund	\$ -	\$ -	\$ 54,867	\$ 54,867
Water & Sewer fund	4,725	530,800	-	535,525
	\$ 4,725	\$ 530,800	\$ 54,867	\$ 590,392

Advance from	Advance To Aquatic Center Fund
General fund	\$ 60,000

***II. Interfund Transfers***

Permanent reallocations of resources between funds of the reporting entity are classified as interfund transfers. For the purpose of the statement of activities, all interfund transfers between individual governmental funds have been eliminated. Interfund transfers for the year ended June 30, 2016 consisted of the following:

SPLOST Fund	Water & Sewer	\$ 1,680,800	Debt service payment on City's water & sewer bonds, in
Nonmajor governmental funds	General Fund	\$ 100,116	Transfer of grant income

**CITY OF ST. MARYS, GEORGIA**

Solid Waste Fund	-
Aquatic Center Fund	91,093
<b>Total business-type activities depreciation expense</b>	<b>\$ 2,580,375</b>

**Component Units**

The Industrial Development Authority and the Downtown Development Authority maintain parcels of land with historical costs of \$332,234 and \$620,000, respectively.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 7: LONG-TERM DEBT – PRIMARY GOVERNMENT**

***I. Bonds Payable***

Business-type Activities:

The City has issued both general obligation bonds, which are backed by the full faith, credit, and taxing power of the City, and revenue bonds, where the City pledges income derived from the acquired or constructed assets to pay debt service. The City's Water & Sewer bonds outstanding at June 30, 2016, are as follows:

Series 1992 \$5,595,000 Water Revenue Bonds, due in annual installments of \$80,000 to \$410,000 through July 1, 2018, plus interest of 3.0% to 6.125%	\$ 1,160,000
Series 2010 \$43,695,000 General Obligation Bonds, due in annual installments of \$- to \$2,850,000 through December 1, 2032, plus interest of 3.0% to 5.0%	38,085,000
	\$ 39,245,000

Bonds payable debt service requirements to maturity are as follows as of June 30, 2016:

Fiscal Year Ending,	Principal	Interest	Total
2017	\$ 2,170,000	\$ 1,839,572	\$ 4,009,572
2018	2,265,000	1,726,355	3,991,355
2019	2,345,000	1,631,256	3,976,256
2020	2,010,000	1,521,950	3,531,950

**For the Year Ended June 30, 2016**

**NOTE 7: LONG-TERM DEBT – PRIMARY GOVERNMENT (CONTINUED)**

***II. Notes Payable***

Business-type Activities

The City has incurred debt to the Georgia Environmental Facilities Authority (“GEFA”) for construction of various water and sewer system projects and various improvements to the water and sewer system. Notes payable to the Georgia Environmental Facilities Authority at June 30, 2016 were as follows:

Interest Rate	Term	Fiscal Year Due Date	Amount
3.00%	20 years	2025	\$ 2,478,289
3.81%	20 years	2033	814,539
			\$ 3,292,828

The City’s business-type activities’ notes payable debt service requirements to maturity are as follows:

Fiscal Year Ending,	Principal	Interest	Total
2017	\$ 298,448	\$ 101,062	\$ 399,510
2018	307,705	91,805	399,510
2019	317,374	82,136	399,510
2020	327,277	72,233	399,510
2021	337,702	61,808	399,510
2022-2026	1,315,746	155,196	1,470,942
2027-2031	282,023	48,462	330,485
2032-2033	106,553	3,589	110,142
		\$ 616,291	\$ 3,909,119

\$109,613 of interest related to the City’s GEFA notes payable agreements was incurred and charged to interest expense during the year ended June 30, 2016.

**For the Year Ended June 30, 2016**

**NOTE 7: LONG-TERM DEBT – PRIMARY GOVERNMENT (CONTINUED)**

***III. Capital Leases***

The City has entered into lease agreements as lessee for financing the acquisition of vehicles and other equipment. The agreements qualify as capital leases for accounting purposes (titles transfer at the end of the lease terms) and, therefore, have been recorded at the present value of the future minimum lease payments as of the date the equipment is acquired.

The City executed an agreement with the Georgia Municipal Association (GMA) whereby funds were appropriated to the City from the proceeds of certificates of participation in the GMA Lease Pool. The agreement includes certificates of participation, swap providers and a rebate fund involving multiple financial institutions and is designed to generate interest income which effectively reduces the City's interest expense. The certificates of participation are a direct liability of the GMA and the City's liability extends only to the amount actually drawn down to finance buildings, vehicles and equipment additions. Amounts drawn under the lease agreement bear interest based on a variable rate determined weekly (not to exceed 5%).

Equipment acquired under capital leases has a net book value of \$1,229,573 at June 30, 2016. Amortization for assets acquired under capital leases is included in depreciation expense.

The following is a schedule of the future minimum lease payments under these capital leases, and the net present value of the net minimum lease payments at June 30, 2016.

<b>Fiscal Year Ending,</b>	<b>Governmental Activities</b>	<b>Business-type Activities</b>
2017	\$ 206,472	\$ 23,424
2018	206,472	23,424

***IV. Changes in Long-term Liabilities***

The following is a summary of long-term debt activity for the year ended June 30, 2016:

	<b>Beginning Balance</b>	<b>Additions</b>	<b>Reductions</b>	<b>Ending Balance</b>	<b>Due Within One Year</b>
<i>Governmental activities:</i>					
Capital leases payable	\$ -	\$ 1,160,987	\$ (15,024)	\$ 1,145,963	\$ 182,685
Net pension liability	115,951	87,939	(31,883)	172,007	-
Compensated absences	254,292	349,148	(352,764)	250,676	250,676
<hr/>					
Governmental activities long-term liabilities	\$ 370,243	\$ 1,598,074	\$ (399,671)	\$ 1,568,646	\$ 433,361
<hr/>					
<i>Business-type activities:</i>					
Capital leases payable	\$ -	\$ 68,590	\$ (1,834)	\$ 66,756	\$ 22,323
Bonds payable	41,320,000	-	(2,075,000)	39,245,000	2,170,000
Notes payable	3,581,972	-	(289,144)	3,292,828	298,448
Compensated absences	30,423	58,260	(58,778)	29,905	29,905
<hr/>					
Business-type activities long-term liabilities	\$ 44,932,395	\$ 126,850	\$ (2,424,756)	\$ 42,634,489	\$ 2,520,676
<hr/>					

For governmental activities, compensated absences are generally liquidated through the General Fund. Compensated absences for Business-type activities are generally liquidated through the Water & Sewer Fund.

**NOTE 8: RESTRICTED NET POSITION**

At June 30, 2016, the government-wide statement of net position reports the following restricted net position:

Restricted by enabling legislation for:	
Economic development	\$ 6,250
Net position otherwise restricted for:	
Capital projects	1,698,297
Debt service	1,187,043
Renewal and extension	421,503
<hr/>	
Total restricted net position	\$ 3,313,093
<hr/>

**For the Year Ended June 30, 2016**

**NOTE 9: PENSION PLAN**

***General Information about the Pension Plan***

Plan Description

The City of St. Marys Retirement Plan (the “Plan”) is an agent multiple-employer noncontributory defined benefit pension plan administered by Georgia Municipal Association through the Georgia Municipal Employees Benefit System (GMEBS). The plan covers all City employees who had attained a service period of one year or more by the date that the Plan was closed to new entrants in 1996. The City has authorized the GMEBS board to establish and amend all plan provisions.

GMEBS issues a publicly available financial report that includes financial statements and required supplementary information for the City of St. Marys Retirement Plan. That report may be obtained by writing to Georgia Municipal Association, Employee Benefit Section, P.O. Box 105377, Atlanta, Georgia 30348.

Benefits Provided

The Plan provides retirement, disability, and death benefits to plan members and beneficiaries. Employees, during the time the plan was open to new entrants, were eligible for participation after one year of continuous service. Participants became vested after 10 years of service.

Employees Covered by Benefit Terms

At June 30, 2016, the following employees were covered by the Plan:

Inactive employees or beneficiaries currently receiving benefits	30
Inactive employees entitled to but not yet receiving benefits	8
Active employees	1

The Plan was closed to new entrants in 1996.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 9: PENSION PLAN (CONTINUED)**

***General Information about the Pension Plan (Continued)***

Contributions

The funding policy for the City of St. Marys Retirement Plan is to contribute an actuarially determined amount equal to the recommended contribution each year. The City makes all contributions to the City of St. Marys Retirement Plan. The City is required to contribute at an actuarially determined rate. Due to only one remaining active participant, the contribution has remained at the 2011 dollar amount and is no longer being shown as a percentage of payroll.

***Net Pension Liability***

The City's net pension liability was measured as of September 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

Actuarial Assumptions

The total pension liability in the June 30, 2016 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.25%	
Salary increases	Years of	
	<u>Service</u>	<u>Rate* %</u>
	0-1	8.75%
	2	5.75%
	3	5.50%
	4	5.25%
	5	5.00%
	6	4.75%
	7	4.50%
	8	4.25%
	9	4.00%
	10 or more	3.75%
	<i>*Note the above rates include inflation of 3.25%</i>	
Investment rate of return	7.75%, net of pension plan investment expense and inflation	

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 9: PENSION PLAN (CONTINUED)**

***Net Pension Liability (Continued)***

Actuarial Assumptions (Continued)

Mortality rates were based on the RP-2000 Combined Healthy Mortality Table with sex-distinct rates, set forward two years for males and one year for females and the RP-2000 Disabled Retiree Mortality Table with sex-distinct rates.

The mortality and economic actuarial assumptions used in the June 30, 2016 valuation were based on the results of an actuarial experience study for the period January 1, 2010 through June 30, 2015.

Discount Rate

The discount rate used to measure the total pension liability was 7.75% on an on-going basis, based on long-term expected rate of return on pension plan investments. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of September 30, 2015 are summarized in the following table:

<b>Asset Class</b>	<b>Target Allocation</b>	<b>Long-Term Expected Real Rate of Return</b>	<b>Long-Term Nominal Real Rate of Return</b>
Domestic equity	50%	5.95%	9.20%
International equity	15%	6.45%	9.70%
Fixed income	25%	1.55%	4.80%
Real estate	10%	3.75%	7.00%
Cash	0%		
<b>Total</b>	<b>100%</b>

2018	3,372
2019	3,372
2020	9,424
2021	-
Thereafter	-
	<b>\$ 19,540</b>

**NOTE 10: DEFINED CONTRIBUTION PENSION PLAN**

***Plan Description***

The City of St. Marys has established a defined contribution pension plan (the Plan) that is administered by the Variable Annuity Life Insurance Company for all of its full-time employees. The Plan provides retirement, disability, and death benefits to plan participants and beneficiaries. Plan provisions and contribution requirements are established and may be amended by the City Council. At June 30, 2016, there were 128 plan members.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 10: DEFINED CONTRIBUTION PENSION PLAN (CONTINUED)**

***Plan Description (Continued)***

Employees are not required to contribute to the Plan. Employees may contribute a portion of their gross salary up to a maximum of \$18,000 for the year ended June 30, 2016. The Plan allows employees to increase, decrease, stop and restart deferrals as often as they wish without penalties or fees. The City contributes an amount equal to 7% of each participant's compensation. Total employer contributions for the year ended June 30, 2016 were \$256,010. Total employee contributions for the year ended June 30, 2016 were \$220,802.

**NOTE 11: RISK MANAGEMENT**

The City is exposed to various risks of losses related to: torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City has joined together with other municipalities in the state as part of the Georgia Interlocal Risk Management Agency Property and Liability Insurance Fund and the Georgia Municipal Association Group Self Insurance Workers' Compensation Fund, public entity risk pools currently operating as common risk management and insurance programs for member local governments.

As part of these risk pools, the City is obligated to pay all contributions and assessments as prescribed by the pools, to cooperate with the pool's agents and attorneys, to follow loss reduction procedures established by the funds, and to report as promptly as possible, and in accordance with any coverage descriptions issued, all incidents which could result in the funds being required to pay any claim of loss. The City is also to allow the pools' agents and attorneys to represent the City in investigation, settlement discussions and all levels of litigation arising out of any claim made against the City within the scope of loss protection furnished by the funds.

The funds are to defend and protect the members of the funds against liability or loss as prescribed in the member City contract and in accordance with the workers' compensation law of Georgia. The funds are to pay all cost taxed against members in any legal proceeding defended by the members, all interest accruing after entry of judgment, and all expenses incurred for investigation, negotiation or defense. Settled claims in the past three years have not exceeded the coverages.

**CITY OF ST. MARYS, GEORGIA**  
**Notes to Financial Statements**  
**For the Year Ended June 30, 2016**

**NOTE 12: COMMITMENTS AND CONTINGENCIES**

***Litigation***

The City is involved in a number of legal matters, which have or could result in litigation. The nature of the lawsuits varies considerably. Liability, if any, which might result from these proceedings, would not, in the opinion of management and legal counsel, have a material adverse effect on the financial position of the City.

***Grant Contingencies***

The City has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to the disallowance of certain expenditures previously reimbursed by those agencies. Based upon prior experience, management of the City believes such disallowances, if any, will not be significant.

**NOTE 13: JOINT VENTURE**

Under Georgia law, the City, in conjunction with other cities and counties in the coastal Georgia area, is a member of the Coastal Regional Commission (CRC) and is required to pay annual dues thereto. During the year ended June 30, 2016, the City paid \$22,257 in such dues. Membership in the CRC is required by the Official Code of Georgia Annotated (OCGA) Section 50-8-34 which provides for the organizational structure of regional development commissions in Georgia. The CRC Board membership includes the chief elected official of each county and municipality of the area. OCGA 50-8-39.1 provides that the member governments are liable for any debts or obligations of a regional development commission. Separate financial statements may be obtained from the Coastal Regional Commission, P. O. Box 1917, Brunswick, Georgia 31521.

**NOTE 14: HOTEL/MOTEL TAX**

The City imposes a hotel/motel tax on lodging facilities within the City. The tax was assessed at 6%. Expenditures of the tax were used to promote tourism as required by OCGA. 48-13-50. For the year ended June 30, 2016, \$140,460 of hotel/motel tax was collected. Of the total collected, 100% was paid to the St. Marys Convention and Visitors Bureau (a component unit of the City) for the promotion of tourism.

**Notes to Schedule:**

*Changes of assumptions*

As a result of the new administrative fee structure approved by the Board, the administrative expense assumption was updated for fiscal years beginning in 2016

Amounts reported for the Fiscal Year ending in 2015 and later reflect the following assumption changes approved by the Board in December, 2014 based on the results of an actuarial experience study covering the period January 1, 2010 to June 30, 2015:

- The mortality table for disabled participants was changed to remove the two-year set-forward for males and the one-year set-forward for females.
- The turnover rates were updated to introduce select rates for service less than five years and to reduce the ultimate rate by 15% and to assume no turnover on and after age 55. The select period rates were further constrained to not be less than the ultimate rates.
- The retirement rates where normal retirement is only available on or after age 65 were changed from the prior assumption of 100% at age 65 to the new assumption of 60% at ages 65 to 69 and 100% at age 70. Where normal retirement is available prior to age 65, the rates were changed from the prior assumption of 100% at earliest unreduced age, but not below age 60, to the new assumption of 10% at ages 55 to 59, 20% at age 60, 25% at age 61, 35% at age 62, 40% at age 63, 45% at age 64, 50% at ages 65 to 69, and 100% at age 70.
- The inflation assumption was decreased from 3.50% to 3.25%.
- The salary increase assumption was changed from select period rates during the first five years of service, followed by age-related rates to an assumption based on new service-related rates. Under the prior assumption, the salary increases ranged from 4.00% to 11.00% and included an inflation assumption of 3.50%. Under the new assumption, the salary increases range from 3.75% to 8.00% and include an inflation assumption of 3.25%.

*Benefit changes*

There have been no changes in benefit provisions since GASB 67/68 implementation.

# CITY OF ST. MARYS, GEORGIA

## Nonmajor Governmental Funds

### SPECIAL REVENUE FUNDS

Special revenue funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

The **Hotel/Motel Tax Fund** is used to account for excise taxes on lodging and accommodations.

The **Multiple Grants Fund** is used to account for grants received from various agencies.

### CAPITAL PROJECTS FUNDS

Capital projects funds are used to account for the acquisition or construction of capital facilities.

The **Capital Project Fund** is used to account for general appropriations and expenditures related to various City construction projects.

**Statistical Section  
(Unaudited)**

**CITY OF ST. MARYS, GEORGIA**  
**Net Position by Component (Unaudited)**  
**Last Ten Fiscal Years**

This part of the City of St. Marys’ comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, required supplementary information, and supplementary information says about the City’s overall financial health.

**Financial Trends** ..... 77

These schedules contain trend information to help the reader understand how the City’s financial performance and well-being have changed over time.

**Revenue Capacity** ..... 82

These schedules contain information to help the reader assess the City’s most significant local revenue sources.

**Debt Capacity** ..... 88

These schedules present information to help the reader assess the affordability of the City’s current levels of outstanding debt and the City’s ability to issue additional debt in the future.

**Demographic and Economic Information** ..... 93

These schedules offer demographic and economic indicators to help the reader understand the environment within which the City’s financial activities take place.

**Operating Information** ..... 96

These schedules contain services and infrastructure data to help the reader understand how the information in the City’s financial report relates to the services the City provides and the activities it performs.

**Sources:** Unless otherwise noted, the information in these schedules is derived from the City’s financial reports for the relevant year.

**Note:** Unless otherwise noted, the financial information in these schedules does not include the City’s discretely presented component units.

**CITY OF ST. MARYS, GEORGIA**  
**Direct and Overlapping Governmental Activities Debt (Unaudited)**  
**As of June 30, 2016**

Governmental Unit	Debt Outstanding	Estimated Percentage Applicable	Estimated Share of Overlapping Debt
Debt repaid with property taxes			
Camden County	\$ -	40%	\$ -
Other debt			
Camden County	-	40%	-
Subtotal: overlapping debt			-
City direct debt			-
			\$ -

**Sources:**

For debt repaid with property taxes, the percentage of overlapping debt applicable is estimated using taxable assessed property value. Applicable percentages were estimated by determining the portion of another governmental unit's taxable assessed value that is within the City's boundaries and dividing it by each unit's total taxable assessed value.

*See accompanying independent auditors' report.*

## **Compliance Section**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Mayor and City Council  
City of St. Marys, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of St. Marys, Georgia, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the City of St. Marys, Georgia's basic financial statements, and have issued our report thereon dated December 21, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City of St. Marys, Georgia's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of St. Marys, Georgia's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of St. Marys, Georgia's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City of St. Marys, Georgia's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
