Attached please find an application for water, sewer and garbage services with the City of St. Marys. Please provide this information at least 1 business day before you need the service activated. Below are items that are needed to establish service.

1. A total of **\$160.00** is due upon receipt of your application. Of this \$100.00 is a refundable deposit, \$25.00 is a non-refundable garbage administration fee & \$35.00 is a non-refundable turn on fee. You may pay this by means of Check, Money Order, or Credit Card Information Slip, which is below.
2. Completed application with date you desire service to be activated.
3. A clear copy of your driver license and/or military identification. If you are faxing your request to our office, please do not fax your identification, but bring it by our office within two weeks of your service start date.

Should you have any questions, please feel free to give me a call at the above number.

Thank You,
Customer Service
