## CURBSIDE GARBAGE COLLECTION INFORMATION

The City of St. Marys Utility Department administers the residential garbage collection program for all City residents. We strive to provide the best possible value and service to all customers.

### Proper Placement

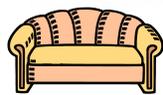

Please have your garbage & recycling curbside by 6:00am on your service day or the night before. Weekly service includes the following:

A 90-gallon garbage container and a recycle bin will be delivered to your service address. Up to 2 additional 32-gallon covered containers may be placed next to the 90-gallon container for pick up each week if you purchase and maintain them.

A recycle bin will also be delivered and should be placed next to your garbage container at the road. Cardboard should be flattened in 2'x3' pieces and placed under the bin. Additional recycling can be placed in paper bags beside your bin.

Bulky items such as mattresses, box springs, chairs, couches, tables, microwaves, carpet (rolled 4' long x 4" thick) and televisions can be picked up weekly on your regular service day when scheduled through our office by calling 912-510-4000.

Appliances such as refrigerators, freezers, stoves, washers, dryer and air conditioners are picked up by appointment on Fridays. *Please call 912-510-4000 at least 24 hours in advance to schedule.*

### Limitations & Exclusions

**Yard waste** - leaves, grass clippings, and sticks (no larger than 4 foot in length and 8 inches in diameter) are picked up once a week. These items can also be brought to the C & D Industrial Waste Site daily from 7am-5pm or the Old Still Yard Waste site on Saturdays only from 7am - 3pm at no charge. For more information, please call 912- 576-9374. If you wish to burn this type of material, please call Saint Marys Fire Department at 912-882-6289 to request a burn permit.

**Recycling** - Metal & aluminum cans, plastics, jars & bottles must be emptied, rinsed and lids removed before placing in recycle bin. The following materials are accepted:

- |   |                     |
|---|---------------------|
| Brown bags                                      | Junk Mail           |
| Catalogs  | Newspaper & Inserts |
| Cans (metal & aluminum)                         | Office & Copy Paper |
| Corrugated cardboard (2' x 3' pieces flattened) | Phone Books         |
| Glass bottles & jars                            | Plastic 1 & 2       |

Items that should be placed in the garbage can because they **cannot be recycled** are pizza boxes, plastic bags, butter tubs, cardboard milk or juice cartons, egg cartons, styrofoam, magazine, pool, or other emptied chemical containers.

**Garbage that cannot be picked up** - the following items **cannot be picked up** by the curbside service. It must be brought to the landfill for proper disposal. You can call the Camden County Municipal Solid Waste Landfill at (912) 729-4099 to verify how the items must be presented and if your material will require an additional fee.

- |                     |   |
|---------------------|---|
| Ashes               | Empty Gas Tanks   |
| Batteries           | Paint (OK if dried out)   |
| Concrete / bricks   | Scrap Metal   |
| Construction Debris | Shingles  |
| Dead Animals        | Tires   |
| Dirt                | Any other hazardous waste item deemed unacceptable by the Solid Waste Authority |
