Good morning Everyone -

Another point to consider, as the Mill Property and its development are still undefined, if there is some form of port operation happens, we may need to have a Pilotage Commission to provide assistance with any water-borne traffic that may result from said operation.

I believe there is sufficient concern to consider postponing a final decision with regard to the Pilotage Commission at least to the end of 2015. I'm suggesting the end of 2015 as I believe that is how long the Forum Group has on its initial agreement with the city for development of the SMIG property.

For Deborah: Please include my emails with the packet for Monday's meeting.

Thanks, Bob

Good evening Folks.....

First off, I won't be at Monday's council meeting as Linda & I will be in Maryland to attend a family event.

Anyway, I wanted to just give my thoughts on the agenda item dealing with disbanding the Pilotage Commission. I think we should discuss this issue before doing anything toward disbanding. My thought are that a Pilotage Commission may be needed if the development of the SMIG property and the expansion of the docks, to be able to provide a service as part of the Maritime Heritage District, and pilots may be needed if the small ship cruise industry continues to grow. I know these are future based plans and that there is nothing concrete on the table at this point.

I just feel we should give the idea of disbanding the commission a second thought. The Commission has been dormant for a while now and I think laying dormant a while longer won't hurt anything.

I'll look forward to viewing the video upon my return.

Take care, Bob

TITLE: COLLECTION SERVICE

PURPOSE: Approve a contract with a collection agency to collect utility past due accounts

RECOMMENDATION: Approval

HISTORY/ANALYSIS: In the past the City had a staff member for the collection of water, sewer and solid waste bad debt accounts; however, this position was eliminated, and staff has been attempting to collect bad debts as time has allowed.

In order to have bad debts collected on a continuous basis we are requesting that the City enter into a contract with Penn Credit, Georgia Municipal Associations (GMA) revenue recovery program. Penn Credit's fee is 16.5% for aged accounts less than two years and 19% for aged accounts greater than two years. Other collection businesses have been reviewed and I have found fees ranging from 35% to 50%.

COLLECTION AGENCY CONTRACT

This Collection Agency Contract (this Agreement) is made and entered into this _____ day of _____, 20____, between Penn Credit Corporation, a Pennsylvania corporation (PCC) and CITY OF St Marys (CLIENT) as part of the debt collection service made available through the Georgia Municipal Association (GMA).

WITNESSETH:

WHEREAS, CLIENT provides municipal services to individuals, corporations, partnerships, and other entities (Consumers), within Georgia; and

WHEREAS, from time to time, Consumers do not pay CLIENT amounts due to CLIENT for services rendered (Delinquent Accounts); and

WHEREAS, CLIENT desires for PCC to utilize its efforts to collect past due amounts from certain Consumers and PCC desires to provide such services, all in accordance with the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth below and other good and valuable consideration, the receipt, and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. SCOPE OF SERVICES

CLIENT retains PCC to collect delinquent accounts, which the CLIENT in its sole discretion may assign to PCC for collection. Nothing contained in this Agreement shall be construed as requiring CLIENT to use PCC exclusively or to place any set number or type of accounts with PCC. PCC agrees to use its best efforts and work diligently to collect all money due to CLIENT and to forward such money to CLIENT, all in accordance with the terms and conditions of this Agreement.

2. ASSIGNMENT OF DELINQUENT ACCOUNTS

A. CLIENT shall notify PCC of Delinquent Accounts it wishes to assign to PCC. PCC will acknowledge receipt of such Delinquent Accounts within five (5) days of receipt from CLIENT (the "Acknowledgment Date").

B. CLIENT is entitled to withdraw any Delinquent Account, which it may have placed in error with PCC. "Placed in Error" shall mean the account actually was not delinquent, or has already been addressed under a payment arrangement between the CLIENT and customer. Otherwise, Delinquent Accounts referred to PCC shall remain with PCC for collection until PCC in consultation with CLIENT determines the account to be uncollectible.

3. PERFORMANCE STANDARDS

- A. PCC shall commence collection efforts upon receipt of any Delinquent Accounts and shall continue such efforts for the entire period such Delinquent Accounts are held by PCC.**
- B. PCC shall supervise and direct all collection work, devoting enough attention and applying the necessary skill and expertise to perform the work competently and efficiently. PCC shall be solely responsible for the means, methods, techniques, sequences, and procedures of the collection.**
- C. PCC shall perform its collection efforts in accordance with all federal, state, and local laws and regulations including but not limited to the Fair Credit Reporting Act, Georgia Security and Immigration Compliance Act, and the Georgia Open Records Act. PCC warrants that it has policies in place to comply with the "Red Flag Rules" pursuant to the Fair and Accurate Credit Transactions Act (FACTA) of 2003.**
- D. PCC shall provide CLIENT with status reports on all Delinquent Accounts within 72 hours of written or verbal request for such reports.**

4. OBLIGATIONS OF CLIENT

- A. At the time CLIENT assigns Delinquent Accounts to PCC, CLIENT shall provide PCC with the following information with respect to each Delinquent Account (the "Account Information") provided CLIENT has knowledge of this Account Information:**

 - ii. Notices of any proceedings under the bankruptcy or insolvency laws of the United States of America or any state relating to the Accounts;**
 - iii. Notices of any actions or proceedings commenced by any Delinquent Account Consumer against the CLIENT relating to the Delinquent Accounts;**
 - iv. Any communications received by CLIENT from the Delinquent Account Consumer, or the legal representative of any Delinquent Account Consumer, relating to the Delinquent Account or the collection of the Delinquent Account; and**
 - v. Any credits or other forgiveness granted by CLIENT with respect to any Delinquent Account.**

CLIENT agrees that all such information shall be true and accurate to the best of its knowledge.

- B. CLIENT shall have a continuing obligation to provide PCC any new or additional Account Information with respect to the Delinquent Accounts as soon as such information becomes known to CLIENT.

PCC has no obligation to pursue litigation of accounts that it cannot collect through its efforts.

PCC shall not be entitled to payment of any commission on payments made directly to CLIENT on Delinquent Accounts assigned to PCC within three (3) business days after PCC mails its initial collection demand to the debtor; otherwise, however, PCC shall be entitled to a commission on any other payments made directly to CLIENT on the presumption such payments directly result from the collection efforts of PCC.

If the debtor returns to the CLIENT for the purpose of reestablishing utility service after PCC's collection efforts have been dormant for ninety (90) days, PCC will not be entitled to its collection fee on those accounts.

- B. Collections made by PCC on Delinquent Accounts will be deposited immediately into a non-interest bearing trust account at a FDIC-insured banking institution; provided, to the extent the amount on deposit exceeds the applicable insurance limits provided by FDIC, PCC shall provide a bond securing the funds in such trust account. Such collections held in trust by PCC, shall be the property of CLIENT and not available for any other use by PCC.
- C. All collections made by PCC on CLIENT's accounts will be remitted in full, (Gross Remit), by the fifteenth of each calendar month, accompanied by a remittance advice. The remittance advice shall contain a list of the Consumer's name, account number, amount collected, and whether the payment was made directly to PCC or CLIENT, and fee due PCC. CLIENT agrees to remit monies due PCC within thirty (30) days of receipt of invoice.
- D. Collections made by PCC and remitted to CLIENT by PCC in which a check is returned unpaid by the bank, shall be reported on the remittance advice as a minus payment and minus collection fee.

CLIENT will notify PCC when a check is returned by the bank unpaid on a payment made directly to CLIENT on which CLIENT has paid PCC the collection fee due. PCC will list such returned check on the next statement as a minus payment and minus collection fee.
